Successor To De Gaulle Seen

Paris—(UPI)—Reliable sources predicted today that Justice Minister Michel Debre will become premier soon after the expected elevation of Charles de Gaulle to the presidency of France's Fifth Republic.

De Gaulle is expected to choose Debre as his successor in preference to information minister Jacques Soustelle, whose new UNR is by far the biggest party in the new parliament, to please his leftist supporters.

The justice minister, although denounced as a fanatic by some leftwingers, is regarded as less of a rightist than Soustelle.

The special post of "Minister of the Community" – in effect, boss of France's colonies – probably will be created for Soustelle in the new cabinet.

The Medical Roundup

Must Everyone Have A Daily Bowel Movement?

People write wondering if it is essential for everyone to have a daily bowel movement, without any discomfort. There is no question there are some persons of this type who can go for considerable periods of time without a bowel movement and can remain perfectly healthy. I remember a man who was comfortable and perfectly well in spite of the fact that his bowels moved once every 10 days. I remember a young woman, a husky teacher of physicial education, who said that her mother and her sisters were constantly fussing at her because her bowels moved once a week. Finally, I wrote out for her a certificate, "To Whom It May Concern: Miss .....should be allowed to move her bowels once a week, without any exhortations to the contrary from anyone." This she said she was going to have framed and hung in her room. She was much pleased with it!

Dr Alvarez

Other people, perhaps much more sensitive, cannot go a day without a bowel movement without getting gas or abdominal discomfort or a headache. Years ago I showed that the headache of these people cannot be due to any chemical absorption from the bowel, because it disappears within a minute or two after the bowels move. It must be due purely to nervous irritation of the rectum by the distending lump of fecal material. I found that some few sensitive persons could get a headache when their rectum was distended with cotton. Most insensitive people were not much bothered by the cotton, and some could not feel it at all.

One point that we doctors commonly forget is that if a person – perhaps a little old maiden lady living by herself – eats little besides tea and toast, she has practically nothing out of which to make a stool, and hence should not be expected to have a bowel movement more than once every four or five days. The same thing is true after an operation. Usually some four days after an operation, the surgeon and the nurse demand of the patients a good bowel movement, forgetting that he or she hasn't eaten anything since the day before the operation. How on earth can the poor person supply the bowel movement that is so desired by the attendants? Unfortunately, even we doctors sometimes follow an ancient custom religiously, even when reminded that it is most illogical!

Dr. Alvarez hopes his readers will understand that it would be impossible for him to answer requests for information or to attempt to diagnose by mail.

Seven Thefts from Cars Reported

Six Medford residents including a city policeman were victims Wednesday night of thefts from vehicles in the parking lot of Medford Bowling Lanes, 821 North Riverside ave.

The thefts occurred between 7 and 9 p.m. while the victims were inside, according to Medford police.

A seventh theft shortly afterward from a vehicle parked by Dad's Hideaway, 1182 Court st., may have been by the same thief or thieves, investigators believe.

Taken from the vehicle of Policeman Berle E. Stephens, 307 Hamilton st., were a spinning rod and reel, police boots, a hunting knife, quilts and a blanket.

Walter Thomas Daigle, 698 South Modoc ave., reported the theft of a television tool box, 200 tubes and tools with a value of $500.

C. Wayne Chase, 632 South Ivy st., said he was missing a cigarette lighter, flashlight, tape measure and other item. Adam Armande Rigoli, 113 Laurel st., reportedly lost a cigarette lighter, flashlight, blanket and new tire chains. Jack Junior Gardner, 818 Grant it., reported the loss of a chrome cigarette lighter.

Charles Fredrick Shinn, route 2, box 442, said he was missing a movie camera and two still cameras, total value about $90.

In the theft at Dad's Hideaway, Joanne Elizabeth Brown, 2334 Capital ave., reported the loss of her black purse containing a wallet, personal identification, a check book, and pictures.

Champoeg Park Site Purchase Approved

Salem—(UPI)—The State Highway Commission yesterday approved purchase of 11 acres for Champoeg park near Aurora and allocation of $50,000 for more land in scenic sections of the Columbia River gorge.

JOHNSON RELEASED

Milwaukee, Wis. —(UPI)— The Milwaukee Braves have given veteran relief pitcher Ernie Johnson his unconditional release. Johnson, who had a 36-22 record with Milwaukee, had been assigned to the Braves' Louisville farm club before the winter draft meeting.

Hearing Set for Shady Cove Man

Preliminary hearing for Lendel Carl Buttram, 21, Shady Cove, has been scheduled in district court Dec. 19. Buttram was one of two men arrested by Central Point police last week on charges of burglary not in a dwelling.

Buttram's case was previously continued in district court until he could obtain an attorney. He is represented by O. H. Bengtson and is being held in Jackson county jail on $5,000 bail.

The bail was originally set at $25,000 by District Court Judge James M. Main due to Buttram's previous criminal record, the judge said. It was reduced to $5,000 following a hearing on the bail.

Homer Cloyd Brooks, 39, Pueblo, Colo., arrested with Buttram, was bound over to the grand jury after waiving the right to an attorney and preliminary hearing. He is reported to be a parolee from New Mexico and is being held in county jail on $25,000 bail.

About 150 different species of trees grow in the Great Smoky mountains national park where are found 50 fur-bearing species, 200 birds, 34 repitiles, 36 amphibians, 60 varieties of fish.
