Los Angeles —UPI— Rookie quarterback Joe Francis of the Green Bay Packers gets his big chance Sunday when he directs the Packer attack against the highly-favored Los Angeles Rams at Memorial Coliseum.

About 50,000 probably will watch the Rams, 17-point favorites, against the Packers, who usually give the Los

Bowl Pact End Noted By Big Ten

Chicago —UPI— The Rose Bowl's future was up for grabs today, the Big Ten having officially accepted the dissolving Pacific Coast conference's notice that their New Year's day football pact would end after the 1960 game.

Nothing was discussed of just what would happen to the classic after that.

The Big Ten Friday also accepted the PCC's proposal that the Jan. 1, 1960 wind-up game be conducted with the athletic directors of the current Pacific Coast circuit acting as trustees.

The PCC is breaking up at the end of the current school year.

"We have no proposal before us to act upon in regard to future bowl games," Big Ten Assistant Commissioner Bill Reed said.

California Impressive In Defeat

By MIKE HUDSON

United Press International

The forthcoming Pacific Coast conference basketball race took on added luster after PCC quintets sparked in a rugged series of intersectional battles.

Probably no Coast team was more impressive Friday than California, even though the Bears lost. Nationally-ranked Kansas State dumped the men of Pete Newell 68-65 in a contest which saw the lead change hands seven times.

The difference was the Wildcats' 6-8 Bob Boozer who scored 27 points and impressed the packed house of 7200 with his all-around smooth play. He broke free for an easy lay-up and then tipped in an errant free throw for the Staters last and most important four points.

Darrall Imhoff stood out for the Bears as he scored 11 points and grabbed 17 rebounds. Poor free throw shooting proved disastrous to California upset dreams.

Huskies Drop Texas

Up in Seattle, the Washington Huskies won one. Washington downed Houston 68-62 as big Bruno Boin uncorked his hook-shot to lead the scoring with 19 points.

Southern California and UCLA showed unexpected class in sweeping a Los Angeles Pan Pacific auditorium double bill against Midwestern foes.

The Trojans opened the proceedings by downing Iowa State 71-62. Iowa's 6-7 John Krochinski poured in 26 markers. Four Trojans scored in double figures with Jims White and Hanna meshing 18 apiece.

Then the Bruins took over and defeated Kansas by a similar 72-61 score. Walt Torrence sank 15 field goals and 30 points. Dale Herron and Stu Robertson scored 18 each as Oregon disposed of Wichita 73-57.

Oregon State Beavers downed Hawaii 59-40 and dark-horse Idaho bounced Montana State 73-50.

The biggest disappointment from the Coast's point-of-view was the collapse of previously unbeaten Washington State against Brigham Young. BYU won 72-59.

Steelers Top Chicago

Pittsburgh —UPI— The passing wizardry of Bobby Layne and the record-breaking of his roommate Tom Tracy swept the Pittsburgh Steelers to a 38-21 victory over the Chicago Cardinals in 20-degree temperature at Pitt stadium Saturday.

Defensive halfback Dean Derby played an assist role by intercepting three Cardinal passes that helped set up Steeler scores.

The fantastic performance on the icy field enabled the Steelers to close out their best season in 11 years. Their 7-4-1 showing was their best in regular season play since 1947 when the late Jock Sutherland turned in an 8-4 chart.

The Steelers jammed 17 points in the second period.

HAWAIIAN STATEHOOD

All-Star Coaches Selected

Portland —UPI— Tom DeSylvia of Jefferson and Fred Spiegelberg of Medford are going to match gridiron wits again this summer.

Officials of the annual Shriners' hospital all-star football game reported Saturday that DeSylvia, whose Jefferson team this year won the state prep title for the second straight season, has accepted an invitation to direct the Metropolitan all-stars against a team of State all-stars who will be tutored by Spiegelberg.

Spiegelberg's Medford eleven bowed to Jefferson in the state high school finals last month, but only after giving Jefferson an unexpectedly tough battle.

DeSylvia will be assisted by Marvin Cross of Roosevelt and Dan Rollins of West Linn, and Spiegelberg's aides will be Don Regula of Pendleton and Arnold Lewis of Vale. All except Rollins, Lewis and Cross have had previous experiences coaching Shrine all-star squads.

The game is slated for next August in Multnomah stadium and brings together the outstanding senior players from this year's Oregon high school squads.

Hatfield Returns From Hawaii Trip

Portland —UPI— Oregon Gov.-elect Mark Hatfield was back in Oregon yesterday after a trip to Hawaii where he attended a conference of Western Republican leaders.

He had to leave the conference Friday before it was concluded but before he left he told his colleagues that the Republican party had "shed millstones from their necks" in the Nov. 4 defeats of U.S. Senators William Knowland, George Malone and John W. Bricker.

The governor-elect said that it was generally agreed that the Republicans had not been good salesmen within the party or with the public at large.

He termed the conference a success because it brought the party leaders together for self analysis and gave them a chance to survey their defeats and a chance to set up victory in 1960.
