YMCA

\$80 One Full Year 322 W. 6th • SP 2-6925

The next 12 months in your home . . .

. . . will be busy, active, exciting—filled with new experiences and (we hope) many new joys.

For you the 365 days of 1959 will also mean about 1,000 meals to be cooked, several hundred pounds of meat to be stored and around 1,500 pounds of laundry to be washed.

It's a big job! It means you will spend hundreds of hours in the kitchen, and during that time your greatest servants will be the appliances at your fingertips.

Your work will be so much greater if these appliances are not able to serve you right . . . if they cannot be depended upon . . . if they were not designed to do the finest job . . . if they are too old and out-moded.

But if you are the proud owner of brilliant new General Electric appliances, the drudgery from your kitchen hours disappears! Your G-E's lighten the hours . . . add fun to your days . . . and save countless dollars from your pocketbook.

Why don't you live 1959 the pleasure way? It's easy if you do it the G-E way!

(Top left) General Electric Filter-Flo washers have not achieved their nationwide popularity by accident—it's because home-makers everywhere have discovered that Filter-Flo washers do the finest washing job, are beautifully styled, ruggedly constructed and cost less to maintain. Discover the wonders of Filter-Flo yourself—soon at Home Appliance!

Model for model, feature for feature you get far more when you choose a G-E Range! A wise choice it is . . . for General Electric is a big company with years of experience and know-how, and the benefits go to you! Think what a new G-E range can do for you, how much beauty it can add to your kitchen! Home Appliance invites you to see a new G-E yourself—tomorrow!

Have you looked at new refrigerators lately? If you haven't, we have some pleasant surprises for you! You've never seen so many advanced, exciting features in your life as on the amazing new G-E refrigerators. And that's not all: the prices will delight you, for never before have we (or anybody) offered so much solid value at such reasonable prices! See Home Appliance this week—there's a lot more you'll want to know.

Make it a White Christmas for her . . . give her a major appliance

10 say "you're wonderful!"
