Harry Marshall and Staff HOLIDAY SPECIALS An Acre On So. Stage Road

We have found a nearly new home on an acre on the So. Stage Road at a realistic price. There are two large bedrooms plus a rumpus room that could be used as a third bedroom. There is a super size two-car garage and a breezeway that doubles as a patio. There is a circulating fireplace that makes the chilly evenings seem warm. You will have plenty of elbowroom here. The children can have their pets, and you can have a garden too. The school bus stops right at the door. It is not far to the store and you are out of some of the fog. The price of this place is only \$10,600.00 with liberal terms. The owner will consider waiting for a G.I. loan. We sincerely believe that this four-year-old home could not be duplicated for less than \$12,000.00. If you have been looking for a bargain in a home you should see this one. Phone us today for all the details...

of this lovely Eastside home. It is on a super size lot of over half an acre. It has a lovely lawn, and a "talked about" garden with lots of berries and fruit trees that were set out four years ago and already bearing. Just ask any neighbor about the garden... they all know... the owner keeps them all in fresh garden goodies all through the season, and his deep freeze is bulging with delicious fruits and berries. The garden is all fenced and it's well cared for soil just waiting for the first warm spring days to receive the seeds for next summer's crop. The living room is large with a picture window that looks out on a quiet street where children can play without fear of traffic. There is a large circulating fireplace to sit around on these chilly evenings. The dining room is large enough to accommodate the big Christmas table with all the leaves in and still have room to get around it. The kitchen is large with a window over the sink where you can watch the mountains as you wash the dishes. The three bedrooms are all large with ample closets. Even the linen closet is super size. The owner will accept a modern trailer house in trade (paid for or not). The price is a low "quick sale" price and not a trading price. If you are looking for a nice home on a street where children are welcome, you had better see this one. Phone now for an appointment to see this homey place.
