

Turnout of More Than 30,000 Fans Anticipated for Bowl Tilts

By JOE SARGIS
United Press International
More than 30,000 fans on five different football fronts will take themselves out to the old "bowl" game Thursday despite a pointed warning from odds-makers that most of the contests should wind up in one-sided fashion.

Nearly 100,000 the biggest crowd of the day, is expected at Pasadena, Calif., where Iowa is a whopping 18-point choice to trounce California in the Rose Bowl.

Randy Duncan, All-American quarterback, heads a Hawkeye team which compiled a 7-1 record this season while his opposite number is Joe Kapp, who directed the Golden Bears to a 7-3 campaign. Generally regarded the "granddaddy" of all Rose Bowl games, the 1958 Rose Bowl game will be aired by NBC-TV and radio starting at 1:45 p.m. (PST).

LSU Heavy Favorite
Top-ranked Louisiana State, which was the only major unbeaten team in the country with a 10-0 slate, is a top-heavy 15-point favorite over Clemson in the Sugar Bowl tussle at New Orleans where a crowd of 80,000 is anticipated.

Louisiana's tricky winged

"T" attack is headed by Billy Cannon, the UPI's "Player of the Year," John Robinson and quarterback Warren Rabb. Clemson, which uses an unbalanced "T" formation and compiled an 8-2 record this season, relies heavily on Harvey White for its ground gain. The game will be carried on NBC-TV and radio, beginning at 10:45 a.m. (PST).

The men who make the odds claim the Orange Bowl game at Miami, Fla., should be (9-1) a 13-point choice over Syracuse (8-1). Syracuse Coach Ben Schwartzwalder summed up the Sooners perfectly.

"Oklahoma does things so well," he said. "And they do them so fast. And so many people do it."

Names Same Lineup
Oklahoma Coach Bud Wilkinson named virtually the same starting team as he did all season. The only exception was sophomore Bob Cornell, who will start at quarterback in place of David Baker, dropped for failure to meet academic standards. CBS will carry the game on TV and radio at 10:45 a.m. (PST).

Texas Christian and the U.S. Air Force Academy were expected to participate in the

closest game of the day at the Cotton Bowl in Dallas, Tex. Texas Christian (8-2) is "only" an eight-point favorite over the Air Force (9-0-1) although a recent snow could make the field soggy and throw the odds out of kilter.

A crowd of 75,000 people can look for a duel between speedy Jack Spikes of TCU and hard-charging Steve Galiotis of the Air Force. Those who can't make it to Dallas Thursday can catch the game on CBS-TV or radio at approximately 12:30 p.m. (PST).

Prairie View A&M meets Langston, Okla., in the Prairie View A&M (7-2) is the choice over Langston (4-3) in a game that probably will attract 6,000 fans.

Wyoming and Hardin Sim-

mons, a pair of southwestern football powers, get in their "bowling" a bit earlier when they meet today in the 24th annual Sun Bowl game at El Paso, Tex. Wyoming was a one touchdown favorite over Coach Sammy Bowby's Hardin Simmons Cowboys.

Denny Has No Fear Of Facing Ortega

By LARRY SHAW
Portland (UPI) — Portland's 19-year-old Denny Moyer will step into the ring Friday night on the eve of breaking into the "big time."

Moyer will fight nationally ranked Gasper Ortega in a televised fight from Madison Square Garden.

What does the young man with only 18 professional fights think about his big chance?

He's not frightened by the thought of facing Ortega. That's because he sparred with him before Ortega's fight here with current welterweight champion Don Jordan.

In those sparring sessions Moyer picked up a lot of confidence and he firmly believes he can whip Ortega. And Moyer's manager, the shrewd Sid Flaherty goes right along with that.

"Denny's come a long way since turning pro a year ago last August," Flaherty says.

Not Cocky
Don't get the idea that Denny is cocky. He isn't. He realizes that Ortega is a tough fighter and knows that he'll have to go all out to beat him.

Flaherty isn't worried about Moyer "choking up" in the Garden. "Denny's got a lot of talent and with his experience as a pro and his many amateur fights, I think he can handle it," Flaherty asserts.

Moyer will go into the fight about five pounds heavier than Ortega. Although the fight is billed as a welterweight match, Moyer is more of a middleweight.

He probably will scale between 151 pounds and 152 pounds. That's what he weighed when he outpointed Johnny Saxton and Tony Dupas his last fight Dec. 13.

Denny also will be fighting a jinx when he steps into the Garden. All Northwest fighters who were on the brink of making a name have lost there.

NCS Tips Cincinnati In Dixie Tourney

By JOHN GRIFFIN
United Press International
The downfall of top-ranked Cincinnati from the unbeaten ranks and the one-point narrow escapes of Kentucky and Kansas State stole the basketball limelight today from the crowning of six new major tournament champions.

Kansas State, Michigan, Penn. State, Louisiana State, Miami of Ohio, and Mississippi State joined the honor roll of holiday carnival championship night.

But Cincinnati's 69-60 loss to the North Carolina State in the semi-final round of the Dixie Classic at Raleigh, N.C., was the top topic that had 'em buzzing in court circles today along with Kansas State's 67-66 win over Colorado in the Big Eight tournament finals and Kentucky's 76-75 squeaker over Illinois in a non-tourney game.

National scoring champion Oscar Robertson tallied 29 points in vain for Cincinnati as the Bearcats suffered their first loss in seven games. Tourney host North Carolina State (8-1), ranked No. 6 nationally, never trailed and led by as much as 13 points with eight minutes left before Cincinnati staged a mild comeback. John Richter led State with 26 points but Cincinnati Coach George Smith, calling the loss "no disgrace,"

pointed to State's rebound edge 46-37, as Robertson bagged only eight as decisive.

N. C. State will clash with fourth-ranked Michigan State (6-0) in the Dixie finals tonight. Michigan State handed North Carolina its first loss, as jumping Johnny Green scored 20 points and controlled rebounding.

Kentucky, ranked No. 2 nationally, remained unbeaten (10-0) only because a last-second 25-foot shot by Illinois' Governor Vaughn rimmed the basket. Illinois almost wiped out a seven-point deficit in the last 44 seconds. Sid Cohen had 23 points for Kentucky and Mannie Jackson 21 or the Illini.

Kansas State, ranked No. 3 nationally, followed a 32-point performance by six-eight Bob Boozer to the Big Eight tourney title but had to hang onto its one-point lead through the last two minutes. Boozer's long hook shot with 2:01 left gave the Wildcats the lead at 67-66 and proved to be the last score in the game.

Oregon and Oregon State open their 1959 Pacific Coast conference basketball schedules at home this week end.

Oregon, consolation winner of the All-College tournament in Oklahoma City, meets Southern California in Eugene Friday night and tangles with defending co-champion California Saturday night.

Oregon State, winner of its own Far West Classic for the third year in a row, meets Southern California in Gill Coliseum Saturday night and plays Stanford Monday night.

OSC is defending PCC co-champ with the Bears.

Lewis, Allen Surge Upward In Golf Tourney

Clayton Lewis and Frank Allen, who have a commanding margin in the holiday handicapped golf tourney at Rogue Valley Country club, added another digit to their point total during the past week.

They tabulated a one-hole win over Deane Lambert and Jack Mitchell to bring their count to 23 markers.

Ken Teeter and Jerry Olson retained second position with 10 points although they did not play last week. Paul Meyers and Dick Hogan surged from eighth to third place with a five-point decision over H. A. Holmes and Floyd Baker for a nine total.

Joe Moore and Jim Dunlevy lost a chance to hold on to third position when Dr. Ralph Odell and John Nuich beat them by a single hole. Moore and Dunlevy are tied for fourth with Ranny Smith and Tom Teutsch who did not play last week.

Dr. D. C. Boals and Dr. William Miller staged a fine comeback. They won five points from El Nichols and A. C. Broyles to rise from 2-minus to 3-plus.

Moore Expects July Defense

Los Angeles — UPI — Ageless Archie Moore says he "expects" to defend his world light-heavyweight crown in a return match against Yvon Durrelle at Montreal next July.

Moore, here to accept the Los Angeles Times' award as fighter of the year, said Tuesday that he thought the rematch might grow nearly as much as the \$950,000 gate for the Rocky Marciano-Moore fight.

"I think it would result in the biggest paycheck of my career," he said.

Ring Managers Proclamation Brings Laugh

New York (UPI) — Cus D'Amato, manager of heavyweight champion Floyd Patterson, today laughed off a proclamation by the New York Boxing Managers' association that big Nino Valdes of Cuba is world champion.

"I wouldn't even dignify it with any comment," said D'Amato. "Everybody knows they're just stooges for the International Boxing Club."

The official recognition of world champions is determined by the National Boxing association, the New York State Athletic commission, the European Boxing union and the World Boxing committee — not by managers' associations.

Crater, Ashland Prepping For Conference Starter

Central Point — With the Crater high Comets billed to open Southern Oregon conference basketball play this week end, Coach Don Anielaak has gone "right back to the very beginning" during the holiday period in drilling his squad for the counting frays.

The Comets take on Ashland at Central Point on Friday and go to Grants Pass on Saturday for league scuffles.

Anielaak has brought jayvee players to fill vacancies created by disciplinary action. Lettermen Wayne Allen and Kerman Bennett were dismissed from the varsity squad after the December 19 and 20 Eagle Point series. The mentor said there is very little chance that either Allen or Bennett will be back with the squad at a later date.

Eldred, Woods Up
Jim Eldred and Richard Woods are up from the junior varsity. Also Earl Cooper is up working with the varsity and may stick, according to Anielaak. Herschel Mack, who hurt a finger during preparations for the pre-look slate is back trying for a varsity spot.

The Comets have been busy on the practice court almost every day of the holidays. They had Christmas day off and missed Saturday when the squad took in the Far West Classic at Corvallis. The Comets worked out Monday then went back to Corvallis to see the Far West finale.

At Ashland Coach Earl Iba figures that his players all will be ready for the Crater ruckus. Among those ready for the Comets is Clark

Lane Opposes Ortiz Tonight

Miami Beach — UPI — Kenny Lane and Carlos Ortiz, both classy boxers, will fight it out tonight in the Miami Beach auditorium in what is unofficially an elimination bout for a crack at the lightweight championship.

Lane, who lost a split decision to lightweight champion Joe Brown in Houston, is rated the No. 1 contender by Ring Magazine. Ortiz, who has lost only one fight in 30, is rated the top contender by the National Boxing association.

The 10-round bout is rated a toss-up. Both are light punchers but are considered top-notch boxers.

ROSE BOWL DISCUSSED

Pasadena, Calif. (UPI) — Representatives of the Big Ten and Pacific Coast Conference held a closed, "informal" meeting Tuesday to discuss among other things the 1960 Rose Bowl game.

Big Ten Commissioner Kenneth L. (Tug) Wilson declined to elaborate on the meeting other than that matters discussed "did not go beyond the 1960 game." The PCC dies in 1959 but both leagues are committed to participate in the 1960 Rose Bowl game.

Milwaukee (UPI) — Pitcher Gene Conley, a 1951 bonus baby in the Braves organization who has been going down hill the past three seasons, wants to get a new start in baseball with a team other than the Milwaukee National League champions. General Manager John Quinn of the Braves revealed Tuesday night that the lanky, right-handed hurler has asked him to be traded.

Baltimore, NY Most On All-Star

By EARL WRIGHT
New York (UPI) — The Baltimore Colts and New York Giants, who played the National Football League's first "sudden death" overtime game last Sunday, today won 10 berths on United Press International's 1958 All-Star team.

Baltimore, new league champion, placed quarterback John Unitas, halfback Lenny Moore, end Raymond Berry and tackle Jim Barker on the offensive unit. End Gino Marchetti and tackle Gene Lipscomb of the Colts won spots on the defensive platoon. New York, Eastern division champion, placed tackle Roosevelt Brown and center Ray Wietecha on the offensive unit while linebacker Sam Huff and safetyman Jim Patton won places on defense.

The mythical two-platoon team was selected in voting by sports writers who covered the 1958 campaign in the 11 league cities.

The Los Angeles Rams placed three players on the offensive unit, Del Shofner at end, Duane Putnam at guard and Art Arnett at halfback. Guard Dick Stanfel of the Washington Redskins and fullback Jim Brown of the Cleveland Browns rounded out the attacking team.

The others who won berths on the defensive unit were end Gene Brito of Washington, tackle Eric Staunter of the Pittsburgh Steelers, linebackers Joe Schmidt of the Detroit Lions and Bill George of the Chicago Bears, halfbacks Jack Butler of Pittsburgh and Yale Lary of Detroit and safetyman Bobby Dillon of the Green Bay Packers.

Berry and Jim Brown led the individual voting. Each received 29 of a possible 30 votes.

Red Raiders Earn Hoop Series Split

Ashland — Punk Biddington led the Southern Oregon college Red Raiders to a 74-63 basketball victory over Everett Junior college here last night to gain a split in the series with the visiting Washingtonians.

Biddington hit his high of the season when he dropped in 26 points to take scoring honors for the evening.

The high flying Raider got eight of his tallies on four straight field shots midway in the second half when he traded shot for shot with the Trojans' Doug McLean with Biddington hitting on three occasions and McLean on two as the Raiders pulled into a 47-42 lead.

SOC led at halftime 30-24. In the early moments of the second half Everett pulled ahead by one point. Lead then changed five times before the men of SOC were able to pull away.

Big Brad Wilson led the scoring for the visitors with 18 counters and SOC's Jim

Campy Will Be Special Coach For LA Dodgers

Glen Cove, N.Y. — UPI — Campy's going south again with the Dodgers and, man, he thinks this is "the greatest New Year ever."

Although still confined to a wheelchair, Roy Campanella couldn't keep the excitement out of his voice as he talked about "my new job with the Dodgers" at his home here today.

"It's the kind of thing I wanted to do all my life," said the former Dodger catcher, "and now I'll be able to be right back with all the fellas again."

All this was made possible Tuesday when Vice President Buzz Bavasi of the Dodgers announced in Los Angeles that Campanella will rejoin the club as a special coach for Dodger youngsters at Vero Beach, Fla., during the 1959 spring training season.

"Campy's rehabilitation following his tragic accident the night of Jan. 28 is sufficiently advanced so that he can help us," Bavasi added, Campanella will have official status with the Dodgers as assistant supervisor of scouting in the eastern area of the U.S.

Hay in Barn; California, Iowa Await Rose Bowl Grid Encounter

By HAL WOOD
Los Angeles (UPI) — Iowa and California, two of the 1958 collegiate gridiron giants, clash in the Rose Bowl Thursday with the Hawkeyes from the Big Ten Conference rated as 18 1/2 point favorites to smash the Pacific Coast conference representative again.

Both coaches announced tentative starting lineups and the "hay in the barn" as far as training, conditioning and practice was concerned.

"We're as ready as we can get," said coach Pete Elliott of the underdog Golden Bears. "We expect to give them a battle—but I won't come out and predict a victory."

His players, however, were

more optimistic. They were hollering and singing as they finished their final workout and the general opinion was that "we didn't come here to get beat."

Coach Forest Evashevski of Iowa was "floored" after the Hawkeyes final workout. "It wasn't good," said Evi. However the thousands of Iowa rooters who have flocked into this area aren't worried.

Fair And Warm
Kick-off time is 2 p.m. pst and more than 100,000 will jam the Rose Bowl in Pasadena. Weather forecast is fair and warm with the temperature expected to be in the 70s.

The probable lineups were no surprise. Both coaches used just about the same men they have had in action all

season.

"But my lineup is subject to a late revision," said Elliott as he announced his starters.

The Big Ten has won 11 of the engagements since the two conferences engaged in the pact "to protect football." The 1960 game will be the last under the present contract—although there is some hope that another agreement may be made between the Big Ten and West Coast schools.

The odds-makers believe that the speedy Iowa secondary will be too tough for California. The Hawkeyes have such men as Bob Jeter, Willie Fleming, John Nocera and Don Horn, and these men travel fast on both offense and defense.

However, California's backs aren't exactly slow-pokes. Joe Kapp is one of the larger quarterbacks in the country at 6-2 and 205 pounds. And he has good speed. The halfbacks and fullbacks are above average in the speed department. Elliott has named Kapp, halfbacks Hank Olguin and Jack Hart and fullback Billy Patton as starters. None of these is slow. Additionally, available are such speedsters as Grover Garvin, Walt Arnold and Jack Yerman, the latter a star track man.

Evashevski's starting backfield has Randy Duncan at quarter; Jeter and Fleming, halves, and Nocera fullback.

The Iowa line has Jeff Langston and Don Norton at end; John Burroughs and Mac Lewis, tackles; Hugh

Drake and Gary Grouwinkel, guards, and Bill Lapham, center.

For California, the starting line, which will be outweighed about 25 pounds to the man, will be ends Jerry Lundgren and Tom Bates; tackles Pat Newell and Frank Sally; guards Pete Demoto and Don Piestrup, and center Terry Jones.

Improved Play Aim Of Tornado

Medford high hoopsters hope to shake off the holiday doldrums before taking on Klamath Falls here this Saturday night in their Southern Oregon conference starter.

"We'd better improve in practice or we'll take a dumping this week," Coach Frank Roelandt declared. "We haven't looked good," he added.

The Black Tornado has been bolstered by the return on Monday of senior letterman guard Don Peek. He was sidelined before the pre-conference competition began by an appendectomy. Conditioning is Peek's main problem and he's a bit rusty from the lay-off. However, he was running pretty well after two days of practice and Roelandt said Peek will see some action, at least.

The coach also reported that the Lowell Dean's back is still a little sore but not bothering him so much. Dean, a junior letterman, was out of action during last week end's Corvallis series because of a wrenched back.

Medford's cagers have been on the court every day during the holidays except Christmas and Sunday. They were to drill this afternoon and have tomorrow off. Final preparations for the Klamath Pelicans are set for Friday. The Black Tornado will be able to practice on Friday because it has a first night by a league contest.
