RESOLUTION NO. 963
A RESOLUTION proposing to permit adjacent property to use a water main as a lateral water main; to levy an assessment on the property fronting on the street wherein said water main is laid; setting a time and place for hearing thereon and providing for notice thereof.
WHEREAS the City of Medford has heretofore caused a water main in the City of Medford to be laid on Riverside Avenue between Boyd Street to Earhart Street, and the Council being of the opinion that said water main should be used by the property fronting on that portion of said main on Riverside Avenue from Boyd Street to Earhart Street in the City of Medford, Oregon, and
WHEREAS said water main has not, as yet, been paid for and it appearing to the Council that the use of said water main as a lateral water main by said property last above mentioned would not materially interfere with the use thereof for the purpose for which it was originally laid, now therefore,
BE IT RESOLVED BY THE COUNCIL OF THE CITY OF MEDFORD, OREGON
Section 1. That it is the opinion of the Council that that part of the aforementioned water main laid in the City of Medford, Oregon, as described as follows: to-wit:
As laid in Riverside Avenue from Boyd Street to Earhart Street in the City of Medford, Oregon. May be used by the property fronting thereon as a lateral water main without materially interfering with the use thereof for the purpose of a lateral water main, the purpose for which it was originally laid, and the Council proposes to permit the owners of adjacent property to use the same for lateral purposes as aforesaid.
Section 2. It is the intention of the Council to assess the property fronting on the street wherein said water main is laid as hereinbefore last described its proportionate share of so much of the cost thereof as equals the special benefit which will result to said property from the use of said water main as a lateral water main of such size as would be required to supply the property fronting on said street in case said water main was not so used and the Council has and does here determine that the sum of \$2.25 per front foot is the amount of such special benefit and the proportionate cost of such a lateral water main to such property as aforesaid and intends to assess said amount against such adjacent property on account thereof.
Section 3. The Council will meet at the hour of 7:30 o'clock P.M. at the Council Chamber in the City Hall on the 5th day of February, 1959, at which time and place all persons interested in said matter as hereinbefore provided for, will be heard.
Section 4. The Recorder is hereby directed to serve notice hereof upon the property owners aforesaid by publishing this resolution in a newspaper published in said City and by posting the same in 5 public places in said City; said publication and said posting to be not less than 10 days before the date of said meeting.
PASSED by the Council and signed by me in authentication of its passage this 2nd day of January, 1959.
John W. Snider, Mayor
D. T. Rison, Recorder
APPROVED by me this 2nd day of January, 1959.
