

Meat is dried primitively in the Balkans and some parts of South America.

Outstanding Men To Be Announced

Central Point — The outstanding young farmer and the outstanding young man of 1958 will be announced at the annual Central Point Junior Chamber of Commerce distinguished service award banquet at Crater High school Friday, Jan. 16.

George Johns, chairman of a outstanding young man committee, said the group has canvassed churches, businesses, clubs and other organizations to determine which young man between 21 and 35 has contributed the most to the community during the year. The local winner will be entered in the Oregon Jaycee contest, which chooses the outstanding young men of the state.

Don A. Faber, chairman of the committee selecting the outstanding young farmer of the Central Point area, said the local winner will be eligible to compete in the state finals of the Nationwide contest sponsored by the Jaycees in cooperation with the American Petroleum Institute, committee on agriculture. The national finals include a trip to Cedar Rapids, Iowa, and consideration as one of America's four outstanding young farmers of 1958.

The moon makes a complete circle of the earth every 27 days, 7 hours, 43 minutes and 11.5 seconds. A complete rotation of the moon on its axis takes the same time.

PROVIDE TO ANOTHER Providence, R.I. (UPI) — Mrs. Janna T. Mendes, 24, was fined \$35 after she pleaded guilty to driving recklessly and without a license, but she explained she couldn't pay the money because she was on relief. So Superior Court Judge Eugene L. Jalbert decided to continue the case indefinitely, pointing out to Mrs. Mendes: "If I fine you, we'll have to get money from the state to pay the state."
