**"Why I had to embrace
the CATHOLIC Faith"**

"I wanted to be a part of Christ's Mystical Body... to adore Him in the Mass... to find Him in the Holy Eucharist... to receive His sanctifying grace... to be assured of the forgiveness of my sins.

"... I wanted the Holy Spirit to fill every bit of me from the top of my head to the tips of my toes... to slip my hand into my Father's and say 'Lead me, Lord'.

"... I wanted to learn about angels and saints and the Blessed Mother, and how to prepare for heaven; I wanted to receive the gifts of the Holy Spirit.

"I wanted to love God above all else, with my whole heart and soul and mind, and my neighbor as myself... and nowhere can I find the pattern so clearly shown and taught as in the Catholic Church."

These are not the words of a lifelong Catholic. They come from the heart of one who was told in childhood that Catholics are "ignorant and superstitious"... whose circle of friends included no Catholics... who was never exposed to the "coercion" of a Catholic priest or the influence of Catholic literature.

They are the heartfelt words of a genuinely religious and deeply sincere woman who has wandered down many byways in search of Christ's truth... and now finds peace and joy and certainty in the last place she looked—in the Catholic Faith. A convert!

To all who seek this same certainty, the Catholic Church says just one thing: "Investigate! Investigate! Investigate!" Find out for yourself... as thousands are

doing every day... exactly what the Catholic Church teaches—why it claims to be Christ's Church—how it clearly charts the course that Christ intended men to walk.

As a first step, we invite you to read a pamphlet containing the full story of the woman convert related only in part here... and many other equally heart-warming experiences of people who have returned to the Faith of their forefathers in recent months.

This remarkable pamphlet... describing the feelings, experiences and discoveries of those who investigate the Catholic Faith... and embrace it... will be sent in a plain wrapper, without cost or obligation. And nobody will call on you. Write today... Ask for Pamphlet No. FM-40.
