Pony Express Plans Talked at Meeting

Ashland—Plans for the Sage Riders participation in the Pony Express in June were discussed at a meeting of the Ashland Centennial committee this week.

Mrs. Velma Jacoby, president of the Sage Riders, outlined the club's program, which includes carrying mail from Siskiyou summit stockade to Phoenix, where the Medford Trail Riders will carry it to the Jackson-Josephine county line.

Regular daily runs will be continued between June 7 and 14, and during the "hundred days" of the Centennial celebration in Portland. A trial run is scheduled within a few weeks to check the timing.

Mrs. Jacoby said philatelists already are ordering "first covers" and are available for \$1 in addition to the regular 4-cent stamp necessary to mail letters.

The Sage Riders are part of the state organization of horseback riders in 84 different clubs with a membership of more than 4,000.

About 60 per cent of all the automobiles sold in the U.S. are on time payments or installment purchase plans.

The Toothpicks and Sweet Dishes 4-H club meeting Jan. 13 was held at the home of our leader, Mrs. C. A. Hendry. It was called to order by our president, Fredena Wilkens. The minutes of the previous meeting were read by the secretary, after which the roll was called with all members present.

Each member brought a sample of a recipe she had made from her 4-H book, which we sampled and discussed. The rest of the time was spent on sewing workshop. Our next meeting will be on Jan. 27.
