

Boros, Maxwell Head First Round in Bing Crosby Golf

Pebble Beach, Calif. (UPI)—Ed Oldfield of Astoria had the best round Thursday among Northwest players in the Bing Crosby open golf tournament here. He shot a 38-34-74 in first round action.

Bill Eggers, Portland, had the next best round with a 37-37-74. Bob Duden, Oswego, turned in a 39-36-75 and Harold West, also of Portland, had a 38-38-76.

Chuck Congdon, Tacoma, had the best round of players from Washington. He toured the course in 39-35-74.

Pebble Beach, Calif. (UPI)—Julius Boros, has won only

seven major golf tournaments in his life.

But he plays his best when there is big money at stake. So it's not surprising to find him tied for the leadership as the second round gets underway today in the \$50,000 Bing Crosby national pro-amateur golf tournament, richest event of the winter tour.

Boros, in the past, has won such events as the National Open, the rich world championship twice, and the Ardmore Open.

First prize here is worth \$4,000, in the pro division, \$2,000 in the pro-amateur department.

Thursday, Julie and Billy Maxwell, the former National Amateur king from Odessa, Tex., each posted 35-32-67.

Right on the heels of the leaders are John McMullin and National Open champion Tommy Bolt, each with 68.

Best Ball of 61

The pro-amateur division is led by Maxwell and Dr. Bob Knutson, a San Francisco dentist. They have a best-ball of 11-under par 61. Trailing are Bolt and singer Don Cherry of Wichita Falls, Tex., and pro Mike Souchak and merchant Bob Goldiet of Phoenix, Ariz., each with 62.

Some of the celebrities came through to aid the pros in good fashion. Actor Jim Garner of Maverick, the television show, paired with pro George Bayer for a 63. At the same score came pro Lionel Hebert and ex-baseball star Jerry Priddy.

Tied at 69 in the pro division were nine shotmakers: PGA champion Dow Finsterwald, Tequesta, Fla.; Frank Stranahan, Toledo, Ohio; Masters champion Arnold Palmer, Latrobe, Pa.; Doug Sanders, Miami Beach, Fla.; Art Wall, Pocono Manor, Pa.; Howie Johnson, Glenwood, Ill.; Bob Goaly, Belleville, Ill.; Paul O'Leary, Bellflower, Calif.; and Bo Winger, Odessa, Tex.

Playhouse 90 Succeeds In Try To Carve Whale

By WILLIAM EWALD
New York (UPI)—Playhouse 90 tried to carve a whale with a knife and fork Thursday night and succeeded pretty well.

The CBS-TV drama show proffered a police piece, "The Blue Men," and if I may be permitted to say so, it was arresting. Aside from some awkward preachiness near the close, the play's blemishes were few and they, in the main, stemmed from over-

ambition.

For a TV play, The Blue Men tried to attack along too many fronts—it dealt with a good cop accused of misconduct; a bad cop lying in wait for a killer; the relationship between the good cop and his fiancée whose first husband, a cop, had died; the relationship between the good cop and his son, also a cop; of a lawyer who fought for the good cop; and of... well, of just about the whole range of experience within a police station.

Script Compelling

But despite this tangle, the Alvin Boretz script was compelling. It was rattled alive by some snappish performances contributed by Edmond O'Brien, Jack Warden, Eileen Heckart, Cameron Prud'Homme and James Westerfield. And it was given fluidity and drive by director John Frankenheimer.

Portland Grocery Proprietor Shot

Portland (UPI)—The proprietor of an east Portland grocery store was shot twice in the abdomen by two youths who held up his store Thursday night.

Thomas Michael Feeney, proprietor, thought it was a joke when two youths wearing white handkerchiefs over their faces entered his store and demanded money. He was shot twice in the abdomen with a .25-caliber automatic pistol.

Feeney told police: "I thought it was a couple of kids from the neighborhood pulling a prank. The gun was so small."

Apparently the intruders got away with Feeney's wallet but without any money from the cash register.

Oregon Liquor Sales \$44,246,707

Portland (UPI)—The Oregon Liquor Control Commission revealed at its meeting Thursday that total sales of liquor in 1958 amounted to \$44,246,707—a decrease of less than 1 per cent than in 1957.

However, December sales last year were nearly six per cent above those for December of 1957.

Hugh Kirkpatrick, chairman, said that a total of \$15,867,253 was distributed in 1958 from liquor revenues, license fees and privilege tax collections.

Construction of Sanitary Sewer Approved by Medford Council

Medford's city council approved construction of a sanitary sewer on Temple dr. from Crater Lake ave. to Gary st. following a public hearing last night.

The councilmen then approved swapping parcels of land with the Rogue Valley Land company to provide for a better alignment of Temple dr. They also called for bids on the sewer project, to be opened Jan. 22.

Following a second public hearing, the council approved Nick Gier's request for a change of zone from single family to light industrial for his property on North Pacific highway to permit a trailer park and trailer sales agency.

Public Hearings Called

Public hearings were called for Feb. 5 on a proposed water main for Woodrow lane between Crater Lake ave. and Washburn ave. and on assessments for the water main now being installed along Biddle rd. between the California Oregon Power company station and a point south of McAndrews rd.

Another public hearing Feb. 5 was called to consider a zoning ordinance amendment to permit and regulate signs to

identify and advertise subdivisions.

Councilmen approved leasing the Avis U-Drive counter at Medford airport to Lyle Estelle. Estelle, who has purchased the U-Drive agency from Fred Wilcox, was also authorized by the council to operate an air taxi, charter and sales service at the counter.

Request Location

Estelle had previously requested a separate location in the terminal building.

He is to turn over to the city 10 per cent of the gross income of the U-Drive concession, or a minimum of \$65 a month, and 5 per cent of the gross annual sales revenue from the taxi, charter and sales agency.

The award of a contract for the Eastover terrace-Hillcrest dr. sanitary sewer was postponed at Duff's request pending possible selection of an alternate route for the sewer line. Following the original plans and specifications, contractors bid a minimum of 55 per cent above the engineer's estimate for the project.

High Insurance Rates

Duff explained that high insurance rates for blasting in rock at that location with ex-

pensive homes nearby was responsible in part for the high bids.

Another element resulting in high bids, according to city hall sources, yesterday, was the installation of a pumping station.

The council approved an amendment to the city's business license ordinance setting the daily fee for professional stage shows at \$20. The former rate, considered excessive by the council's executive committee, was \$50.

Also approved was Harry DeVore's application for a state auto wrecking yard license for his establishment on North Pacific highway. But Councilman Don Hansen (Ward II) asked Duff to write DeVore a letter informing him that the approval was temporary and the council expected to formulate a policy on wrecking yards this year. The other councilmen approved Hansen's request.

Hansen reported that the executive committee was continuing studies of licensing and examining procedures for plumbers and a city policy for methods of acquiring real property needed for rights of way.

Extra-Width Driveway

The council approved C. L. Williams' request for an extra-width driveway on South Riverside ave. at Barnett rd. for the bureau of land management's new office building which he is constructing. Duff pointed out that the driveway would facilitate traffic movements.

The council heard Duff's report on the zoning variance request to permit the existence of substandard setbacks for the apartments at 825 East Ninth st., but took no action pending an agreement with the contractor, Watkins Construction company, relative to roof drainage. The contractor is also to erect a four-foot cyclone fence along the side lot lines where the setbacks, currently in violation of the city's zoning ordinance, exist.

The council took no action on a proposed transfer of ownership and liquor license for Bell's Beverage store.

It turned over to the planning commission two requests for street vacations.

Drivers Licenses Suspended Listed

Salem—The department of motor vehicles has released names of 449 drivers whose licenses were ordered suspended during the period beginning Jan. 5, and ending Jan. 9.

Length of suspension varies, depending on charges involved, recommendation of court, discretionary action by the department or requirements of Oregon law. The department said some of the licenses involving financial responsibility and court recommendations may have been re-instated after suspension was ordered.

The department warned drivers that the penalty for driving while suspended is a jail sentence of no less than two days and up to six months and there may be imposed a fine up to \$500. Under licensing procedures, this will also result in an additional year of suspension.

Those suspended in Jackson county were:

DRIVING WHILE SUSPENDED—(Includes any conviction for violation of traffic laws, involving operation of motor vehicle, while driving privileges were under suspension)

Bradshaw, William, 46, of 5343 Table Rock rd., Central Point, failed to dim lights, 1 year.

Jones, Albert Leland, 40, box 119, Rogue River, no operator's license in possession, 1 year.

Mahias, Donald Lloyd, 27, of 317 East Jackson st., Medford, driving while under the influence, 1 year.

Nelson, Ray J., 35, of 425 B st., Ashland, violation of basic rule, 1 year.

DRIVING WHILE UNDER INFLUENCE OF INTOXICATING LIQUOR—(Mandatory suspension)

Deatherage, William Reese, 56, of 612 Manzanita st., Central Point, 90 days.

DISCRETIONARY ACTION OF DEPARTMENT

Martin, Ralph Edmund, 26, of 482 Walker st., Ashland, driving record, 1 year.

FINANCIAL RESPONSIBILITY—(Failure to show proof of financial responsibility)

Ford, Curtis Ray, 24, of 2607 Howard ave., Medford, 1 year.

Jones, Jim Virgil, 28, of 2813 North Pacific highway 99, Medford.

Klein, Paul R., 109 Highland dr., Medford.

Nix, Elbert Jackson, 36, of post office box 572, Central Point.

Withem, Guy Fred, route 1, box 101, Ashland.

The state flower of Georgia is the Cherokee Rose. Its state bird is the Brown Thrasher.

Grange News

Phoenix Grange
Business session of Phoenix Grange was held Jan. 13 with Master Charles Johnson in the chair.

Mrs. Marvin Madden was voted to become a member.

Legislative chairman, Melvin Lattie, reviewed the proposed county subdivision ordinance of the planning commission. After a lengthy discussion the Grange decided something should be done and Charles Hockersmith was appointed to attend a meeting of the planning commission set for early in February.

Horticulture chairman, Vaughn Quackenbush, explained the method of detail pruning would produce better fruit.

Roscoe Roberts spoke on the different Grange insurance coverages available to members and their families.

Lloyd Whiteside was appointed to see about painting the hall. It was voted to buy our restaurant license in the coming year. Members decided to participate in the community project of cleaning up the Phoenix cemetery.

Announcements included a conference training session and Grange council meeting on Jan. 17 at 8 p.m. in Central Point Grange hall. According to Edith Poe, ladies should bring cookies or sandwiches. Pomona Grange will meet in Phoenix Grange hall Jan. 24 for day meeting.

Home economics chairman Mrs. Sol Cox announced her serving committee for evening were Mr. and Mrs. Merle Simmonds and Mr. and Mrs. Claude Hutton.

The quarterly committees for the year were named. These and the monthly serving committees were listed on the bulletin board for reference. Next Grange meeting, Jan. 27 there will be a potluck dinner to start at 6:30 p.m. Members should bring their own table service.

A work and cleanup day was set for Saturday, Jan. 17. Members may come at 8 a.m. and bring equipment suitable for the job. Those that can

Retired Banker Dies

Setauket, N. Y.—(UPI)—Wilbert Ward, 70, retired vice president of the National City Bank of New York (now the First National City Bank) died Thursday.

Passengers Injured

Kihara, Japan—(UPI)—Thirty-four passengers in a crowded bus were injured Thursday in a collision with a truck loaded with sardines.

School Official Dies

Boston—(UPI)—Dr. John P. Tilton, 58, senior vice-president and provost of Tufts University, died Thursday after a short illness.

Hungry Thieves

New Castle, Ind.—(UPI)—Thieves who broke into Cadiz High school Thursday night ignored money in coin-operated machines, but consumed 27 containers of chocolate milk, 10 dozen eggs and 20 pounds of sausage.

Series 100 tandem—powered for big loads and steep grades!

No job's too tough for a Chevrolet truck!

Series 31 Fleetside—round-the-clock delivery specialist!

Series 60 stake shows its stuff on off-the-road job!

About everywhere you look you'll find Chevies like that big tandem dump, or that stake and pickup, knuckling down and knocking all the meanness out of rough jobs... proving their stamina and ability to save. They've developed out of a long strain of dependable trucks and they're loaded with the latest engineering advances. No matter how tough the job, there's a Chevy truck cut out to cut it down to size.

You don't have to haul 30-ton loads out of a stone quarry before your job's considered tough. The rough ones come in every weight class and hauling bread can be a truck-buster if the schedule's long enough. It all boils down to how your truck bears up.

Right there is where a whole fleet of Task-Force Chevies comes rolling in. As far back as they go, Chevrolet trucks have always been long on stamina and short on downtime. That reputation has lasted, too, through years of development and expansion; so that now, with big tandems in the line along with every kind of model you can name... with the latest '59 ideas built into more might and muscle than ever before... you can bet a Chevy truck will whistle through any size job you've got.

It's hard to list particulars here and be sure we've covered your needs. Your Chevrolet dealer's the man for that. With the longest, strongest line of Chevrolet trucks yet, he can zero in on the exact model you need and make recommendations on the specific type of equipment that'll pay off on your operation. See him and you'll see why more and more truck owners are signing up Chevies for the extra-tough jobs.
