

OPEN A STACK PACK, serve Premium Snow Flake Saltine Crackers with soup and cheese. Premium Snow Flake are crisper to start, they're **GOLDEN GLOW** baked. They stay crisp because of the reclosable, wax-wrapped Stack Packs inside the package. No outside wrapper needed. Outside wrappers can't be reclosed, won't protect crispness after one cracker is taken out. And Stack Packs serve you one cracker at a time! No old-fashioned cracker blocks to break apart. Stack Packs mean *fresh* crackers every time!

You open it up

Crackers are singly stacked

The Stack Pack keeps 'em crisp

'Cause you can close it back

Reclosable Stack Packs keep Premium Snow Flake crisp to the very last cracker!
