

The Dalles Firms Face NLRB Hearing

Portland - (UPI) - A hearing of union activities. The NLRB general counsel issued the complaint and also accused the firms of warning employees against becoming union members, which is against the Taft-Hartley law, according to the complaint.

ARMS, AMMO TO TUNISIA

Tunis - (UPI) - A 40-ton shipment of small arms and ammunition supplied to Tunisia's fledgling army by the United States was unloaded here yesterday. The United States and Great Britain agreed last summer, with the tacit approval of France, to supply small quantities of infantry weapons to Tunisia.

California Youth Shot by Patrolman

Blaine, Wash. - (UPI) - Robert Dale Larson, 28, Richmond, Calif., was shot and killed yesterday as he struggled in a car with a Border Patrolman who had picked him up as a suspicious character. Larson was shot in the chest after he threatened Border Patrolman Caron B. Dural with a gun which the suspect apparently had concealed in his boot. Dural fired the fatal shot as he and Larson struggled in Dural's car. The car went into a ditch during the fight. Larson was picked up that afternoon just south of here on Highway 99. A search of his luggage revealed some knives and Dural was bringing him here when the shooting occurred.

New York - (UPI) - Irving Fisher, 73, veteran actor, who impersonated former President Truman on Broadway in "Christopher Blake" and "Call Me Madam," died Wednesday. A leading actor during his early career, he played opposite Marilyn Miller in "Sally," a hit musical of the 1920's.

Agent Expects More Arrests In Gold Probe

Salt Lake City - (UPI) - A Secret Service agent said yesterday he anticipated other arrests in connection with an organization dealing in illegal gold, which was uncovered Friday. Two men have been arrested to far and gold valued at \$2,100 recovered. The arrests were made by an undercover agent who bought illegal gold from one of the men with marked money. Some of the marked bills were later found on the suspect.

The investigation, which had been conducted since July, 1958, was headed by Secret Service Agent Robert S. Grube.

Arrest of James M. Maughan, 37, former Salt Lake City attorney turned real estate salesman, and Thomas M. Montgomery, 29, a utility worker at Kennecott Copper Corp. holdings near here, was the first confirmation that gold had been stolen from Kennecott.

Rumors that estimated gold ranging from small amounts to more than a million dollars had been taken from the copper firm have circulated since last summer. Grube asked that newsmen withhold the name of the undercover agent who contacted Maughan and allegedly bought the illegal gold from him. "If you name him you will be picking up a dead body in Salt Lake City some day," the Secret Service agent said.

No Report On Amount The investigation had been requested by Fred C. Green, general manager of Utah Copper division of Kennecott. He said that he had no report on the amount or value of gold stolen.

Collision Causes Extensive Damage

Two cars received extensive damage when they collided on Highway 99 across from Valley Center trailer court on North Pacific highway Friday night, state police reported.

A car driven by Harold James Plymmer, 321 East Pine st., Central Point, was traveling south on Highway 99 when it stopped on the southbound shoulder intending to make a left turn across the highway into the trailer court. A car driven by Dewey Virgil Rikard, 35, of 135 B. st., Ashland, struck the Plymmer car in the left rear fender with the right side, state police noted.

No injuries were reported and no citations were issued, according to the state police.

Ft. Klamath Man Found Guilty

Klamath Falls - Eldon Lyle Shafer, 35, of Ft. Klamath, was found guilty last week by a circuit court jury of rustling cattle. He was convicted of stealing a cow from a Chiloquin rancher, Lorena G. Vanderkamp, and shipping it along with 12 others to a Rainier ranch. He also faces two more cattle-rustling charges, as does his employer, Paul Robert Wilson, 28.

Judge David R. Vandenberg set March 6 for sentencing.

NEHRU WELCOMES

New Delhi, India - (UPI) - Prime Minister Jawaharlal Nehru said yesterday he welcomed as "good things" the forthcoming Russian tour of British Prime Minister Harold MacMillan and Russia's invitation to President Eisenhower. Nehru, who has visited Russia himself and has played host in India to Nikita S. Khrushchev, has urged person-to-person talks between leaders of the east and west.

Self-Employed Would Benefit From House Bill

Washington - (UPI) - House tax writers plan to approve Monday a program of tax relief for self-employed persons.

The measure would cost the treasury an estimated 365 million dollars the first year. Members of the House Ways and Means committee, originator of tax legislation, agreed the bill would be approved by a comfortable margin.

The legislation is aimed at helping doctors, farmers, business proprietors and others who are self-employed to build up their own retirement funds.

They would be permitted to postpone payment of taxes until they are 65 on 10 per cent of their earnings, provided the money is voluntarily placed in retirement funds. There would be a tax deferral ceiling of \$2,500 a year.

The investments plus the earnings would become taxable income only when they are withdrawn. Individuals could withdraw the funds either gradually or in one lump sum. In some instances withdrawals could be delayed until age 70. Penalties would be imposed if the retirement funds were withdrawn before age 65.

Proponents of the tax relief program contend that present law discriminates against self-employed since money contributed by employers to pension funds is deductible from their taxable income as a cost of business and the recipient employee doesn't have to pay taxes on the funds until he receives the pension.

An identical bill passed the House last year by overwhelming voice vote. It died in the Senate, however, after the treasury objected that it would be "inappropriate" to give anyone a tax break while the government was running up a huge deficit.

Transient Given Four-Year Term

Jack Price Skipworth, 49, transient, was sentenced in circuit court to four years in the Oregon State penitentiary Thursday on charges of uttering and publishing a false check.

Skipworth had pleaded guilty to the charges on Jan. 6. He was charged with issuing a false check at McNair's drugstore in Ashland on Dec. 3, 1958.

Circuit Court Judge Kelly Friday gave Sylvester Lee Perkins, general delivery, Talent, a suspended sentence for 2½ years on charges of burglary not in a dwelling. Perkins was ordered also to make restitution for guns stolen from Montgomery's Trading Post, 1640 Highway 66, Ashland, on March 14, 1958. Perkins had pleaded guilty to the charges on Dec. 3.

Teamster-Red Tie To Be Investigated

Washington - (UPI) - Chief counsel Robert F. Kennedy said yesterday the Senate Rackets committee will seek more information on a Teamster tie-up with Gus Brown, an accused former Communist.

The committee heard testimony this week that Teamster local 208 of Los Angeles gave financial support to a strike by an independent furniture workers union set up by Brown after he was ousted by the CIO for Communist activities.

Documents indicated that Teamster headquarters later reimbursed the local and that there was talk of an affiliation between Brown's group and the teamsters.

Brown Unavailable Kennedy said the committee had been unable to locate Brown for questioning but would keep after him. He said there was information, not revealed during the hearing, of additional contracts between Brown and high Teamster officials.

Witnesses before the committee Friday accused Mike Singer, business agent of Los Angeles Teamster Local 626, of shaking down businessmen, profiting at his own testimonial dinner, and taking a trip with a lady friend at union expense.

Called before the committee, Singer invoked his fifth amendment's privilege against possible self-incrimination in

Eugene Jaycees Present Awards

Eugene - (UPI) - The Junior Chamber of Commerce presented attorney Joe Richards with the Junior First Citizen award at their annual banquet Friday night. Selected as the Future First Citizen was Larry Hiron, president of the South Eugene High School student body. Ronnie Chase was selected as Outstanding Young Farmer.
