

Hatfield Denies Taking Holmes' Tax Program

Salem—UPI—Gov. Mark Hatfield has denied reports that he has accepted the tax program presented by ex-Gov. Robert D. Holmes.

Hatfield said, "I think that anyone who has read my tax program will see the obvious differences."

"There are bound to be some similarities and there was an 11th hour political, penciled-in reduction in the hefty proposal Gov. Holmes' tax plan which was dropped into the hopper even as the state printer was setting my budget message in type," the governor said.

Fail To Provide Revenue

"These last minute rate reductions entered for embarrassment purposes, fail to provide the needed revenue of more than \$30 million additional spending program put before the Ways and Means Committee by some Democratic proponents."

"While the overall operating budget figures of the outgoing administration and mine are roughly the same, we in our budget made substantial cuts in some areas and provided a realistic building program," Hatfield said.

"The net result gives a budget less than the Holmes administration had projected during the fall campaign—a \$332 million budget I could not then and cannot now support," Hatfield concluded.

Swiss Villagers Await Avalanche

Herbrigen, Switzerland—UPI—Mountain experts said today that it may be weeks before the people of Herbrigen know the fate of their landslide-threatened village.

They said it is impossible to predict the behavior of the vast mass of ice and rock that hangs poised on the mountain-side about three-quarters of a mile above the village.

"The landslide could come down tomorrow, or on the day of the first big thaw, or not at all this year," one expert said. "There could be a slide on the installment plan, with some part coming down every few days."

A number of half-ton rocks already have broken away from the menacing mass, but trees or avalanche walls have prevented any from reaching the village.

Cub Scouts

Pack 1

The 49th anniversary of Cub Scouting in America was observed by Pack 1 of St. Mary's school Feb. 8. A birthday party was held in the school gym to which Cubs, their parents and friends were invited.

V. P. Nicoletti, Cubmaster, served as master of ceremonies, and Mrs. Hal Krueger was chairman of all party arrangements.

The Rev. John Iig, pack chaplain, led the opening prayer and the Rev. Carl Mai addressing the group briefly on the benefits a boy derives from scouting.

Nicoletti presented the following awards: bob cat pin, Christopher Stewart; wolf badge, Peter Jensen, John Leavens, Thomas Nave, Stephen Rossi, Robert Schreizinger, Michael Brophy, Thomas Dorigan, Ricky Lewis; bear badge, Bob Anderson, Richard Hanawalt; lion badges, Bob Anderson, Tom Clark, John Dorigan, Mark Froeber, Richard Hanawalt, Gregory Hull, Eric Johnson, James Naumes, Larry Spielbusch, Glen Stewart, Steven Strobel, Dennis Sullivan, John Taft, Gregory Van Dyck, Stephen Whinihan, Bill Reverman, Jim Reverman; gold arrow award, Randy Dibble, Gerald Gritsch, Patrick Mannelly, Chris Olsen, Daniel Stinson, Steven Williams; Victor Yates, Ricky Lewis, Stephen Dugan, Philip Hollen, Chris Corliss, Gregory Van Dyck; silver arrow award, Kurt Krueger, Danny Marcisz, Douglas Nelson, Ricky Lewis, Gregory Van Dyck.

A going away gift was presented to Mr. and Mrs. Frank Dorigan during the program by Nicoletti, Mr. and Mrs. Dorigan have both been active in scouting for several years and they will leave this month for Salt Lake Utah.

Joining in the anniversary party were eight Sisters of St. Mary's school.

UNDERSTANDABLE

Barcelona, Spain—UPI—Police officials were puzzled when Antonio Hernandez, 38, insisted on bringing his own lousy mattress to jail when he was arrested for begging.

They understood when they disinfected the mattress and found \$1,000 stuffed inside.
