REMOVE WASTE- NOT GOOD FOOD

Here's a secret millions have discovered about FEEN-A-MINT, the wonderfully different chewing-gum laxative.

FEEN-A-MINT is different because you chew it. It's different, too, because it removes mostly waste—not good food! FEEN-A-MINT does not work in the stomach, where food is being digested. That's why it does not take away a lot of the good food you need for energy.

Doctors know that FEEN-A-MINT works chiefly in the lower bowel...removes mostly waste, not good food! And it's non-irritating, too.

So to feel like a million, chew delicious FEEN-A-MINT. 16 tablets, 37¢—also small and economy sizes.

Holiday to a Bongo Beat

Photos by Dick Rowan

A VACATION in the Caribbean is a rhythmic holiday among swaying palms, rolling surf, sighing tradewinds. Through the bright, ever-Summer days, it's a leisurely pace for harried North Americans escaping workaday life. But after sundown, the tempo picks up with the blood-tingling rhythms of the calypso singer, steel band, and bongo drummer. For vacationists like Jean and George Ferguson, who recently visited Trinidad, the change is exhilaratingly different from night life in the U. S. Here is a picture tour with the Fergusons as they get in step with the throbbing beats of a tropic night.

Not the most elegant service, but foods are as exotic as the music.

It may not look it, but this is a top club in fun-filled Trinidad.

George and Jean Ferguson capture the rhythm of an evening in the tropics.

The Fergusons, natives of Virginia, find that the excitement of the Caribbean is only hours away by plane.
