

13 Arrested in Narcotics Roundup

San Francisco (AP)—Thirteen persons were under arrest and five others being sought today as suspected members of a coastwide narcotics ring that had once ordered the underworld slaying of an informer.

Latest ring member to be arrested was Gerald Egan, who was picked up in Honolulu Thursday when the ship on which he was a merchant, the Hawaiian Merchant, docked. Authorities said Egan waived proceedings and will be returned here.

A four-months long investigation of the ring's activities was made public Wednesday when a federal grand jury returned a 21-count indictment naming 17 persons as ring members. The indictment also said two of the ring's leaders paid \$1,000 each for the slaying of a Portland man who allegedly informed on the Hawaiian Merchant.

The Medical Roundup

How People Die

I doubt if people should have as much fear of death as some do. Usually there is

no pain, and only a going to sleep. Some few persons who are conscious enough of what is going on want to get the job over with.

They don't want to do it all over again. As the great Sir William Osler whispered at the end, "I have been too far across the river to go back now, and have it to do all over again."

Once Dr. Osler kept records of some 500 deaths, making note particularly of the sensations of the dying. He said, "Ninety suffered bodily pain and distress of one sort or another, eleven showed mental apprehension, two positive terror, one expressed spiritual exaltation, one bitter remorse. The great majority gave no sign one way or the other; like their birth, their death was a sleep and a forgetting."

The Guillain Barre Syndrome

Occasionally, someone writes to ask what the Guillain Barre Syndrome

is. This is an acute infectious disease which affects many of the nerves of the body. I think the present-day idea is that it is due to a virus, something like that of encephalitis or polio. I have seen two patients with it who suddenly found themselves so weak in the knees that they could hardly get out of their car. Fortunately, after some months, they got better.

Dr. Alvarez's new booklet on menopause and hysterectomy may be obtained by sending 25 cents and a large, stamped, self-addressed envelope with your request to Dr. Walter C. Alvarez, Dept. MMT, The Register and Tribune Syndicate, Box 957, Des Moines 4, Iowa. Dr. Alvarez regrets he cannot answer requests for information or attempt to diagnose by mail.
