Coming Events Are Discussed by Area Health Committee

Two approaching events were discussed at a meeting of the Jackson County Mental Health committee last week.

One is the visit of Mrs. Freida Burnside of the Family Service Agency of America on Feb. 26 and 27, and the other is a family life conference scheduled Saturday, March 7, at Hedrick Junior High school with Dr. Will Drum of Portland State college as speaker.

Mrs. Burnside is appearing in Medford at the request of the Mental Health committee to assist in the evaluation of the volunteer Marriage Counseling service, which is now concluding its work.

It is also hoped that she will have suggestions to make in helping the committee and other community leaders decide what the next steps should be in providing family counseling on a permanent basis.

On Thursday afternoon she will meet with the professional staff of the Child Guidance Clinic and with the marriage counselors. She will also be interviewed on KBES-TV from 4:05 to 4:20 p.m.

In the evening she will meet with the Mental Health committee at 8 o'clock at the courthouse auditorium. Miss Celia Walker, chairman of the committee, and other leaders, hope the latter meeting will lead to definite recommendations for setting up a professionally staffed counseling service in Jackson county.

On Friday, Feb. 27, there will be a luncheon meeting at the Red Cross building with Mrs. Burnside, at which it is hoped there may be a more representative gathering of community leaders and interested people who will hear her recommendations and those of the Mental Health committee.

The Family Life Conference on March 7 at Hedrick Junior High is designed for parents, teachers, doctors, lawyers and youth leaders.

It is designed to answer such questions as: "What are the values of marriage and family living courses in our schools?" "Why do families break up?" "What can we do to prevent divorce?" "What is the changing role of the father? the mother? the adolescent?" "How are the churches meeting the challenge of the changing family?" "What do we mean by discipline?"

The conference opens with registration at 9 a.m. There will be exhibits of literature on family living available. The keynote address by Dr. Will Drum will be given at 9:30 a.m. The topic is "What Kind of an Adult is Your Child Going to Be?"

At 10:30 a.m. there will be a coffee break, followed by sectional discussions. A noon luncheon will be served, followed by a panel in which Dr. Drum will summarize the section reports and make positive suggestions.

Reservations for the luncheons may be made through the Tuberculosis and Health association, SPring 2-4818, the YMCA, SPring 2-6295, or the health department, SPring 3-6211.

From Austria Dr. Drum originally came from Austria, where he had some rigorous experiences under the Nazis. He has established himself in Oregon as a leader in the family life field, as indicated by the positions he holds.

He is associate professor of sociology and social work with the Portland Extension center and the University of

Oregon, member of the Governor's committee on children and youth and the Juvenile Protection committee, chairman of the Home Service committee of the Multnomah County Chapter American Red Cross, former chairman and now board member of the Oregon coordinating council on family life. In addition, he conducts his own marriage counseling service.

The first bicycle built in the United States cost \$313 and weighed 70 pounds.
