Portland —UPI—Portland State's Vikings remained in the race for at least a share of the Oregon Collegiate conference basketball title Tuesday night by downing Oregon College of Education 49-38 here.

Portland State is 11-3 with two games to play. Southern Oregon 12-3 could wrap up at least a tie for the title by winning its final league game tonight against Oregon Tech.

### Spider Claims Sugar Goofing

Chicago —UPI—Middleweight Spider Webb wants a win over Bobby Boyd in a televised fight tonight because "it should open the gates for me for a title fight."

Webb, a 5 to 2 favorite for the match, was bitter though about the title prospects since he believed champion Sugar Ray Robinson was "goofing up the whole works."

"I don't think it's fair for him to be playing off fights with Archie Moore or Carmen Basilio and making all the rest of us hang around," he said. "He's made everybody spend two years waiting already. I'm definitely a better fighter now than I was then, but how long can you go on waiting?"

## Drive To Organize 20 Million Workers Goal of AFL-CIO

San Juan, Puerto Rico —UPI—The AFL-CIO announced today a new drive to organize six million industrial workers in the South and 14 million white collar workers throughout the United States.

Organizing director John Livingston said the new drive would be in addition to plans to charter a new Puerto Rican truckdrivers' union to oppose efforts by James R. Hoffa's Teamsters Union to gain a foothold in the island commonwealth.

Livingston and President George Meany, who presided at the nine-day executive council meeting which ended here Tuesday, belittled the teamster drive to gain 12,000 Puerto Rican members, saying the teamsters had signed up only about 200 members since their Puerto Rican campaign opened here six weeks ago.

In Miami, Hoffa predicted his union would win hands down in any race with the AFL-CIO to organize Puerto Rican workers. The teamsters executive board voted Tuesday to spend "as much money as is necessary" to organize a Puerto Rican union.

Livingston said AFL-CIO unions won 59 per cent of all National Labor Relations Board elections since the rival federations merged in December, 1955 and that more than one million new members had joined the union.

He said his organizing department now has more requests for aid from affiliates than at anytime since the merger, especially in Louisiana, Florida, Mississippi, Georgia, Alabama, the Carolinas, Delaware, Maryland and Virginia.
