

Ira Spire, Awarded Certificate of Merit

Ira A. Spire, field engineer for the Sams Valley-Beagle soil conservation district was awarded a certificate of merit Monday.

The presentation was based for the outstanding contribution that Spire made assisting with conservation practices during 1958. The border irrigation in the Eagle Point, Butte Falls and Prospect areas is the result of Spire's ability to apply this conservation practice with the cooperation of the farmers, an

official pointed out.

The certificate was recommended by Robert Lonzow, work unit conservationist, and Lester Davenport, area conservationist. Tom Heleth, state conservationist, sent the certificate to the field office in Medford for presentation.

Berlin - UPI - Russian troops in fur caps and heavy winter coats took over guard duty from the French at the four-power Spandau Prison Sunday.
