Snider To Be In LA Opener

Vero Beach, Fla. —(UPI)—Veteran star Duke Snider will play in Saturday's opening game of the grapefruit league between the Los Angeles Dodgers and the Philadelphia Phillies.

The Duke, showing all the signs of eagerness and determination that could lift the Dodgers into the first division of the National league this year, volunteered Wednesday to play a couple innings in the exhibition game.

"I can't even remember Duke playing in the first spring game before," said Manager Walt Alston. "I hadn't planned to use him."

Alexis, Ill. —(UPI)—Roosevelt Military Academy, was losing 1-0 before its basketball game with Alwood High school had started because of a technical foul for not submitting a lineup. It really didn't matter. Roosevelt lost, 80-37.

BOWLING

CITY LEAGUE

Ross Lumber company won the second round in the City Bowling league and will enter the play-offs in May along with the First National Bank team.

Rupp Gets UP Honor

New York—(UPI)—Adolph Rupp of Kentucky, now busy getting another squad of "fiddling" Wildcats ready to defend their NCAA basketball title, today was voted United Press International "Coach of the Year" for the 1958-59 season.

Rupp described the Wildcats who scored a surprise triumph in last year's NCAA tournament as "just a bunch of fiddlers who turned into violinists." It was the same story this season. Johnny Cox was the only starter who returned from the championship team but Rupp directed his inexperienced squad to 23 victories in 25 games of a rugged schedule.

Jay Cheatham, Dragster Pilot, Killed in Crash

James Walker (Jay) Cheatham, Sunnyvale, Calif., whose powerful dragster set a Camp White strip record last summer, was killed Sunday at Bakersfield, Calif.

His gasoline-powered rail dragster flipped end-over-end after striking some metal barrels on the Bakersfield strip. Cheatham had just completed an elimination run and was clocked at 150.34 miles per hour. He had shut down the engine and was traveling about 75 mph when the accident occurred. Barrels were used to warn drivers that the course narrowed for the next half-mile.

Cheatham was pinned beneath his machine.

The Sunnyvale driver last fall set world records of 9.48 seconds elapsed time and 150.5 miles per hour for gasoline driven vehicles. His strip record at Camp White is 144.46 miles per hour.
