Billy Graham Attracts 25,000

Melbourne, Australia —(UPI)— Twenty-five thousand persons turned out to hear evangelist Billy Graham Thursday night despite an hour of torrential rain that turned the open air arena into a quagmire and short-circuited half the loudspeakers.

Graham's car was stalled in a foot of water en route to the Melbourne showgrounds and had to be pushed.

More than half the audience was made up of teen-agers on hand to hear a special youth message. When Graham called forward those making "decisions for Christ" 1,200 plodded across the arena ankle deep in mud and water, leaving their shoes and stockings behind with their parents.

Truman Offered Newspaper Job

Garden Grove, Calif. —(UPI)— Former President Harry S. Truman, remarking in a public speech that he would like to be a telegraph editor so he could get printed what he wanted, has been offered an editor's job on a California daily newspaper.

T. G. Wood, managing editor of the Garden Grove Daily News, sent the following telegram Thursday to Truman:

"We would be extremely happy to have you serve as editor of the Daily News in Garden Grove, Calif., for a while, as per your remarks at the University of Missouri March 4. We have what we believe to be a free, independent, democratic press, but would be extremely happy to experience your interpretation of the phrase free press. We await your reply."

Truman said in his speech at the Press Congress of the World that he didn't "know what a free press is – I have never seen one. I want to be a telegraph editor or one of those blue pencil men. Then I could get what I wanted in the papers."

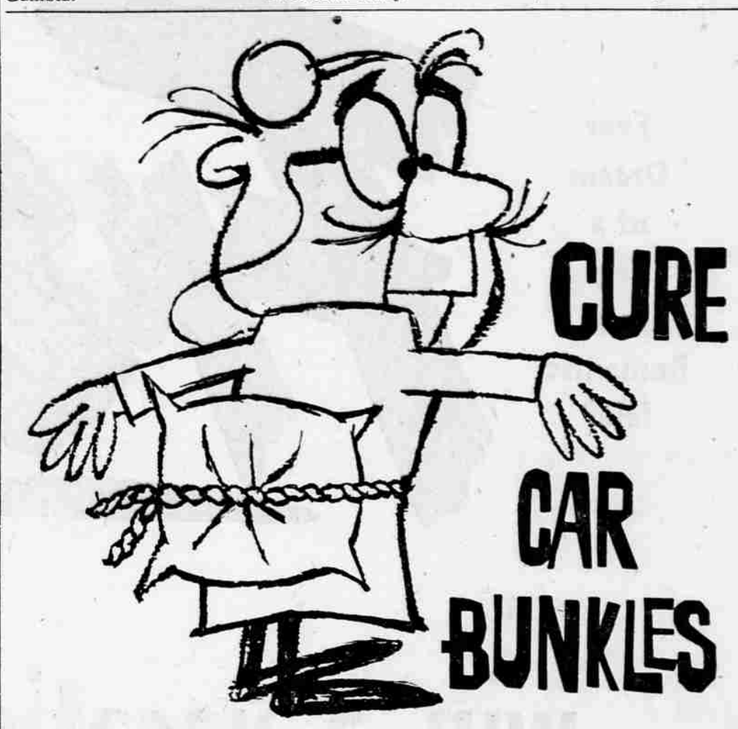
FORMER DIRECTOR DIES

New York —(UPI)— Henry J. Burchell, 89, for many years secretary of the Italy-America Society and one-time director of the Casa Italiana at Columbia University, died Thursday.



CAR-BUNKLES are suffered by center seaters who must ride the thinly padded tunnel in most middle market cars.

'59 Mercury cures car-bunkles using an about-face in engineering that's the envy of the field. Transmission is moved ahead and power tunnel lowered to half the size of competition. Seats can be upholstered all the way across, legs can be stretched out no matter where you sit.

Mercury alone can give you a big-car interior, because Mercury alone has a shell shared with no other "little brother" in the family. Only Mercury in its field could be designed solely for comfort instead of compromise.

There's more in Mercury's medicine chest—to end the bends, squelch the squints and heal hip-a-tightis. Why not come in for the key?

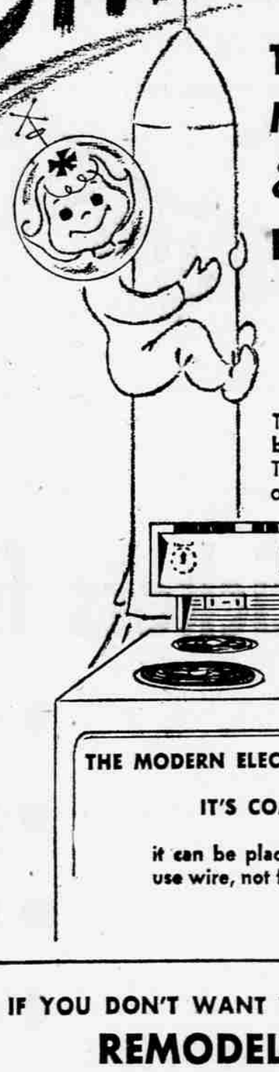
SPACE-AGE-OUS



THE MODERN Electric RANGE!

Sweat-shop kitchens (and old-fashioned, flame-type cooking) are for the dark ages. In the Space Age, cooking, like most everything else, is electric.

The modern electric range is so automatic, so perfectly controllable, that it almost thinks for you! It's fast, it's cool, and it's clean. There are no messy flame by-products, no fumes or disagreeable odors. . .

THE MODERN ELECTRIC RANGE LOOKS SPACE-AGE-OUS . . .
IT'S COMPACT . . . ITS LINES ARE GLAMOROUS . . .
it can be placed anywhere in your kitchen because when you use wire, not fire, there are no flues and vents to worry about. . .

IF YOU DON'T WANT TO BUY—
REMODEL!
Many older ranges can be modernized easily by installing recently developed high-speed heating elements. Ask your Cal/Ore Electrical League Dealer for details.

The modern electric range is built for space-age homemakers, in space-age homes for space-age-ous, gracious living. See your favorite Cal/Ore Electrical Dealer and ask for a demonstration.
