\*Varieties in these offers personally selected by our experts as being suitable for most parts of the U.S. In extremely cold climates, check for hardiness. Blooms illustrated are reasonably accurate as to shape of varieties named although color may vary because nature often turns out tints, shades and shapes found nowhere else. While not anticipated, should we sell out one or more nursery grown varieties, we may include instead any equally suitable planting stock, nursery grown or native collected wild, of equal or greater beauty. Our 3-Way Guarantee protects you. Evergreens: In extremely hot southern climates, check for growth ability.
