

IF YOU ARE ON THIS LIST...

- Nervous and tense
- Arthritic
- Heart trouble
- Invalid
- Middle-aged or elderly
- Pregnant or nursing
- High blood pressure

DON'T LET CONSTIPATION ADD TO YOUR WORRIES!

As distressing as constipation can be in "normal" people without special conditions or illnesses, chronic irregularity can be extremely aggravating—even dangerous—in some cases. If you are on the list, you've probably been cautioned already by your own physician, to avoid harsh laxatives and purgatives. Your doctor may have indicated concern about the "straining" that goes with constipation (particularly in cardiac, high blood pressure, and similar cases), and he may already have recommended SARAKA. SARAKA works effectively, gently, smoothly, without stress or harshness. SARAKA is easy and pleasant to take, after meals or before bed. At your drug store or drug counter.

SPECIAL OFFER: For generous week's supply send 10¢ to SARAKA, Dept. FW-3, Kenilworth, N.J.

SARAKA "gentle help to regularity"

Editor of The Children's Hour

Balloon Bunt Relay Bill Ross

Have the players count off to form two teams and line up both teams single file. The first man on each team is given a balloon. At a signal they begin kicking their balloons across the room as fast as they can. Then they kick them back to their lines ready for the next player to do the same.

The balloon must not touch any part of the body except the feet and legs. If a player forgets and touches the balloon with his hands, he must go back to his line and start over. The team which finishes first is the winner.

- Life Guard (abbrev.)
- Queen's initials
- Mother

Solution on p. 31

Let's Draw a Cow Ann Davidow

Have you ever noticed how
Extremely simple is the cow—

How quietly she always stands
Contented in the pasturelands,

And nothing does but graze
and chew
Or lift her lowing head to moo?

A cow so idle all the day
As idly gives her milk away.
