

DENNIS THE MENACE

By Hank Ketcham

YOU CAN GO RIGHT INTO THE DRESSING ROOM, MRS. MITCHELL.

I DON'T WANNA TAKE MY CLOTHES OFF!

IT'S JUST A CHECKUP, HONEY. IT WON'T HURT.

THAT'S WHAT YOU ALWAYS SAY!

CAN I TAKE MY SLINGSHOT?

NO!

TESTING! ONE, TWO... NOW, DENNIS...

DENNIS! PUT THAT PAPERWEIGHT DOWN!

HE HIT MY KNEE FIRST!

HERE'S DENNIS' FILE, DOCTOR.

GIVE IT TO ME! IT'S MY FILE!

DENNIS! GET AWAY FROM THERE!

EXCEPT FOR ONE THING, THE BOY IS PERFECTLY NORMAL...

ONE THING?

WELL, WE HAVE THESE VARIOUS ELEMENTS IN OUR BODY... MANGANESE, COPPER, COBALT, AND SO ON.

YES, DOCTOR?

WELL, IN DENNIS' BODY, I THINK THE COPPER AND ZINC HAVE PRODUCED AN ALLOY THAT IS CAUSING HIM TO ACT THE WAY HE DOES.

WHAT KIND OF ALLOY, DOCTOR?

IT'S CALLED BRASS, MRS. MITCHELL. JUST PLAIN OL' BRASS!

THAT WASN'T FUNNY, DOCTOR!

NO? GEE, I THOUGHT IT WAS PRETTY GOOD!
