

watch for the opening announcement

we have caught up with the future

in our hillcrest house II, open soon

for your inspection . . .

hillcrest house is unlike anything

in the rogue valley . . . a unique home for

gracious, modern living in the new west . . .

a home in which electronic marvels do the

work of a dozen servants.

watch for our announcemnt and see

hillcrest house II

conceived and built by armin richter and associates

hillcrest heights developed by herried real estate
