

EASTER EGG SCRAMBLE!

Jane McHenry

Using colored paper, draw and cut out a dozen paper eggs for each player. Have a complete set in one color for each person. Hide them around a room so that sharp eyes can find them without moving bric-a-brac or furniture. Allow ten minutes for the search and give each player an envelope marked with his color. Without speaking or helping one another, they must find their dozen eggs as fast as they can. For the winner, a real Easter egg or a chocolate bunny can be the prize.

DIRECTIONS: Paint a face on a hard-boiled egg. Cut "A" out of stiff colored paper and paste straight edges together for base. Cut "B" from white paper for collar, making slits along inner edge 1/4" deep and fold tab in. Paste collar on base "C." Cut strips of yellow curling ribbon for hair, curling the ends of five of the strips. Paste strips from front to back of egg, using curled ends for bangs. Tie the ends in back with ribbon.
