## Freedom Survival Said To Hinge On Survival of Capitalism

You will love this large bath and a half home that we just listed. It is in a choice area, has a pleasant back yard for the children to play in. The yard is all fenced, even has a playhouse for the youngsters.

It is only a year and a half old and will take the very best of financing (only \$850.00 down with F.H.A. terms on the balance).

## 3 BEDROOMS Close-in Only \$8,250.00

This comfortable older home is located so that you can walk to town even on the foggiest days in winter.

It is all in good condition, and as neat as a home can be. There is even wall to wall carpeting in the living room and the large dining room.

There is a good building in the back that could be used as a guest house, or a shop if you were a tinkerer.

The older couple that own it are alone now and would trade for a small home (even one bedroom)... They would consider an old home that needed a lot of fixing. Whether you want to buy or trade for such a property, phone us right away. This good home will not last long at this price...

## D.A. PARKER DANDY One of Parker's Best 3 Bdrms.

If you are tired of looking at 3 bedroom homes... Tired of being shown run-down places at fancy prices, let us show you one that we consider "to be one of Medford's best buys in a well-built, nearly new home."

This large three bedroom home was built in 1952 by D.A. Parker. It is one of the best ones that Parker built. It has a circulating fireplace, lots of tile, and many more of the deluxe features that Parker built into all his homes. It is located on the West Side in an area of all new homes.

The price is only \$13,500.00... Better have a look today before someone else grabs this bargain... Phone us now. We will be glad to show you anytime.
