

### Bill To License Business Outside Cities Approved

Salem—UPI—A bill to permit county courts and county commissioners to license and regulate business outside the limits of incorporated cities passed the Senate Wednesday, 16-13.

The measure once lost in the Senate and then was revised.

Proponents claim it will give counties control of business outside cities and regulate what kind of business may be in certain areas. Opponents objected that it was a revenue-raising measure and discriminatory against cities.

**Salary Bill Introduced**  
A bill increasing the salary of members of the Legislature from the present \$600 a year to \$700 a year with the privilege of advance drawing of the second year's salary during the regular legislative session was introduced.

Sen. R. F. Chapman (D-Coos Bay) author of the bill. Another resolution which will go to a vote of the people at the 1960 general election if adopted by the Legislature calls for an annual salary of \$1,200 in place of \$600. This bill has been adopted by the Senate and is now being considered by the House.

**Resolution Amended**  
Senate Joint Resolution 25 providing for an increase in the salaries of state legislators was amended in the House State and Federal Affairs Committee to reduce the figure from \$1,500 to \$1,200 a year.

The Committee added a clause which would provide \$10 a day expense money to legislators while they are in session at Salem.

Rep. Norman Howard (D-Portland), chairman, said the majority of the states in the nation pay higher salaries to legislators than is proposed in this resolution and also pay their solons expense money.

**Will Go To Vote**  
If adopted by the House and Senate, the resolution will go to a vote of the people at the November, 1960, general election.

A bill to prohibit motor-boating on Spring creek in Klamath county was passed. Sen. Harry Boivin (D-Klamath Falls) said the water there was so cold there was no swimming and that there was danger of motorboats overturning smaller boats and throwing passengers into the creek.

A bill which would make a bear a game animal was introduced. The bill is sponsored by Sen. Harry Boivin (D-Klamath Falls) and others.

Members of the House voted 41-16 to increase their terms of office from two years to four years.

The issue now goes to the Senate. It would require a vote of the people at the next general election.

### Students Elected To OSC Offices

Corvallis—Four students from the Medford area have been elected officers in their living groups at Oregon State college. They are Edward D. Nienow and David L. Gifford of Medford, Grace A. Gail of Gold Hill, and Sally J. Elden of Central Point.

Nienow is new house manager of Hawthorne Manor, one of six campus men's cooperative houses. A sophomore in business and technology, his home address is 2817 Howard ave. Gifford is new corresponding secretary of Phi Kappa Tau fraternity. He is a freshman in science. He lives at 2216 Ruhl Way.

Miss Gail is new treasurer of Azalea House, one of six campus women's cooperative houses. She is a sophomore in the school of education. Miss Elden is new vice president of Alpha Phi sorority. A sophomore in education, her home address is route 1, box 487, Central Point.

### Trailways Seeks Bus Fare Increase

Salem—UPI—Edward Pierce, Los Angeles director of traffic for Continental Pacific Trailways, cited a steady decline in Oregon passenger traffic today in support of a request before the Public Utility Commission for a 10 percent rate increase.

He said costs of operation have continued to increase and that present fares do not yield enough revenue to defray current operating costs. The increase asked is the first since 1956.

Pierce admitted there might be "a certain, slight degree of patronage loss" if the increase were granted.
