First Policy Change Under Herzog Is Made

The first policy change under the new management at Camp White Domesticity has been the formation of an employee council to be composed of employee association members.

Manager Henry Herzog decided upon this plan, which is in operation at other stations, in order to provide an effective liaison between the personnel and the management.

In a memorandum, the objectives and responsibilities are stated as follows:

a. To improve lines of communication from manager's office to all employees.

b. To provide management with method whereby problems and policies can be referred to employees for their views and ideas.

Consider Relations

"The council is responsible for considering all employee relation matters referred to it by the manager's office or by the employees whom it represents and for making recommendations to the manager on such matters after careful study and evaluation.

"The manager is responsible for considering all suggestions submitted by the council, for taking action on such suggestions and for informing all employees of the suggestions and action taken.

The constructive approach to the solution of employee relation problems will be applied," the memorandum adds.

The council will not consider individual employee problems or grievances, procedural matters or regulatory interpretations.

Personnel Officer John W. Sinders, who negotiated arrangements for the formation of the council, advises that existing policies will not be disturbed by the new council operations, which provide "a medium for discussion and study by employees of management's communications and of matters of general interest."

Boy Hurt When Struck by Vehicle

Four-year-old Jerry Joli, son of Joseph Joli of Table Rock rd., suffered cuts on his head after being struck by a car on Gebhard rd. Thursday night state police reported.

He was treated by a Central Point physician and released. A car driven by Loyal Edwin Higginbotham, 16, of 4957 Hamrick rd., was traveling south on Gebhard rd when the boy darted out in front of the car, police said.

Higginbotham stopped immediately but was unable to avoid knocking the youngster down, officers said. He was going at a slow rate of speed at the time, they added.

The boy was walking along the shoulder of the road with Mrs. Eunice Roberts, Gebhard rd., and three other children when the accident occurred, state police said.
