

We lead with high quality and low prices. And remember — at Home Appliance you must be satisfied or your money back!

WE WILL TRADE FOR ANY REFRIGERATOR THAT WE CAN RESELL! If you have a newer than 10-year old popular make refrigerator — CHECK BEFORE you trade for \$100. We have GIVEN CONSIDERABLY MORE for many within that classification.

LAS 81 S

30" G-E Range
REDUCED TO ONLY

\$198

Look what you get . . .

Beautiful styling, extra hi-speed Calrod unit, fingertip push-button controls, removable door on 23-inch master oven and much more! It's automatic speed-cooking at its best!

Model J 302 S

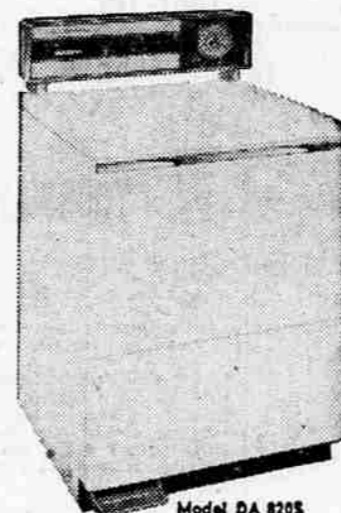

THE RANGE YOU'VE WAITED FOR!

Ask your friends. You'll discover that a General Electric range is the best possible buy. Examine the features, test the quality and construction, compare the styling (won't it look wonderful in your kitchen?). The more you investigate the more you'll want a new G-E range of your very own. Now is the time to buy!

With this Calrod range there's not one inch of open coil wire.
You can remove the broiler from the oven and wash it! Ask a salesman to show you all the features.
