Gold Hill—Plans to promote education concerning cancer were made at a meeting of Gold Hill Health unit held April 7 at the home of Mrs. Paul Molloy, Second avenue. Co-hostesses were Mrs. Wilmer Bailey and Mrs. Roy Cameron. Mrs. Ted Schoenemann presided.

Many other activities are planned by this group including a pre-school children's clinic for youngsters who will enter the first grade at Patrick school in September. In the absence of the clinic chairman, Mrs. Melvin Burnett, Mrs. Clyde Kell reported that letters to parents containing an Oregon pupil's medical record, dental card and other necessary information compiled by the health department were to be mailed by the clinic chairman Wednesday, April 8.

The pre-school clinic will be held in the health-room at Patrick school between 9 a.m. and 12 noon Wednesday, April 22. Twenty-five letters were prepared for mailing by Mrs. Burnett, Mrs. Kell said. Anyone who has moved into the community with a child in this age group, and who has not received one of these letters should contact Mrs. Burnett for further information.
