## Drysdale Cheered As Dodgers Win 2-1 Over Giants

Los Angeles—(UPI)—The cheers still were resounding today for Don Drysdale's superlative pitching performance Monday night as the Dodgers beat the Giants, 2-1, in a thriller witnessed by 32,946 fans.

Both Drysdale and Manager Walt Alston agreed it was the 22-year-old hurler's greatest game and even Bill Rigney, manager of the Giants, agreed it was a brilliant effort although he liked the work of Sad Sam Jones in defeat.

For tonight's continuation of the series, the Dodgers called on Stan Williams to take the mound while for the Giants it was Stu Miller, both having 0-0 records, although both have worked this season.

### Neal Hits Decisive Blow

Charlie Neal's homer in the bottom of the ninth Monday night was the Dodgers' margin of victory. The slim second baseman said "it was the

greatest thrill" of his life when he caught one of Jones' curves and hit it to left-center field almost in the same spot where Willie Mays had homered in the first inning to give the Giants their single tally.

From that point on, Drysdale retired 21 men in order until Andre Rodgers slammed a ball to shortstop on what was first scored as an error and after the game changed to a hit, giving Drysdale a three-hitter instead of a two-hit effort.

In the ninth, Jackie Brandt beat out a grounder that could have been an easy out had Norm Larker covered the bag and permitted Neal to handle the ball. Drysdale then walked Mays while trying not to give him a fat pitch, but Mays was forced by Orlando Cepeda to end the threat.

### Mays' First Homer

For Mays, the first-inning blast was his initial homer of the season, and like Neal's homer, it caught the "jet stream" breeze in left center field and sailed over the fence there.

The Dodgers tapped Jones for six hits, with Jim Gilliam and Wally Moon getting triples and Larker a double. But their only other run came in the second on a walk, a sacrifice and singles by Larker and Zimmer.

The 11 strikeouts registered by Drysdale gave him 25 men fanned in three games to lead the National league. He went into Monday night's game tied with Johnny Antonelli of the Giants and Larry Jackson of the Cardinals with 14 strikeouts each.

All other carpenter and pile driver union locals in Oregon and Southwest Washington have approved the employer offer of a three-year contract including a 53-cent wage increase.

## Ambulance Bill Sent To Governor

Salem—(UPI)—A bill making ambulances obey traffic laws while carrying patients in from accident scenes passed the House Monday and went to the governor.

Rep. Norman Howard (D-Portland) said the bill would not apply to ambulances on their way to emergency first aid calls where delay might mean the difference between life and death.

Howard said there had been a rash of accidents involving ambulances and the bill was designed to correct this situation. Sirens and lights would still be permitted on runs in from accident scenes.

## Two Weeks Needed To Get Pinball Evidence

St. Louis—(UPI)—Thomas McInerney played the pinball machines at Ted's Buffet for two weeks before he hit the jackpot Monday.

His ball lit all the lights on one machine. Bartender Fred E. Freund Jr., offered congratulations and the prize—\$9.10.

McInerney pulled out his police detective's badge and made the arrest for running a game of chance.

## Beavers Win First Game At Phoenix City Stadium

United Press International  
Will miracles never cease? The Portland Beavers broke a tradition Monday night that had stood since the demise of the Los Angeles Angels and San Francisco Seals, winning their first game in history at Phoenix municipal stadium.

The Beavers, who dropped all 11 of their games at Phoenix last season, used the home run to good advantage while making their debut on the winning side of the ledger in Arizona. George Freese belted a pair of two-run homers to get the winners off to a 2-0 lead, but the Giants came back with some long-distance slugging of their own to make it respectable, eventually losing 9-6.

### Small Turnout

A crowd of only 643 saw the Beavers make history. It was the smallest turnout since Phoenix entered the PCL last season.

In other night games, Salt Lake City shaded Seattle, 8-7, and league-leading Spokane defeated San Diego, 7-3, before a meager crowd in the Southern California city.

Sacramento scored 11 runs in the first two innings, then held on for an 11-8 win over Vancouver before 7,007 fans in an afternoon game at Edmonds field. The victory put the Solons in second place, a half game behind Spokane.

At San Diego, Spokane put together a pair of double steals and a double in the ninth inning to break a 3-3 deadlock. Steve Bilko, down from the Los Angeles Dodgers, slammed a bases-empty homer in the sixth for the winners.

Salt Lake collected 11 hits off four Seattle pitchers and withstood a grand slam home run by the Rainiers' Ted Tap-

pe in the eighth to post its first win of the season. First baseman Paul Pettit and outfielder Charles Bernier each drove in three runs for the Bees.

### Generous With Walks

Despite issuing a generous total of 12 walks, Salt Lake starter Don Rowe lasted seven and two-thirds innings to pluck up the victory. Seattle starter Tom Gibson, who was belted out in the first inning, was tagged with the loss.

Vancouver scored six runs in the seventh at Sacramento but it wasn't enough to overcome the Solon's earlier hitting spurge. Al Heist homered for the home club, while Ray Barker knocked in four

runs for the Mounties, three of which scored on his bases-loaded triple in the seventh.

## Finn Wins Boston AA Marathon

Boston—(UPI)—Finnish detective Eino Oksanen held a coveted laurel wreath and diamond-studded gold medal today for winning the 63rd annual Boston A. A. Marathon.

The well-muscled Oksanen brought Finland its third victory Monday by forging past the favored Johnny Kelley of Groton, Conn., with less than a mile left in the 26-mile, 385-yard course and winning by some 300 yards.

However, temperatures in the low 40s were too much to overcome for a course record. Oksanen, 27, broke the tape in 2 hours, 22 minutes, 42 seconds, some two and one-half minutes slower than the 1957 mark set by Kelley.

### Dickson Third

Gordon Dickson, a 27-year-old accountant from Hamilton, Ont., finished third, while 1954 winner Veikko Karvonen of Finland was fourth and Osvaldo Suarez of Buenos Aires, Argentina, running his first full-length marathon was fifth.

Oksanen's triumph continued foreign domination of the race. He was the 13th foreign entry to capture the honors in the past 14 years, Kelley bringing the wreath back to U. S. shores in 1957 after 11 years.

Only three U. S. runners finished in the top 10 Monday. They were Kelley, who also placed second to Yugoslavia's Franjo Mihalic last year, James Green of Saugus, Mass. (8th), and Al Confalone of Wakefield, Mass. (9th).

## Thompson Wins Fight

New York—(UPI)—Eddie Machine Gun Thompson, who surprised by winning in a substitute's role, laid plans for another step up the boxing ladder today.

Thompson, who replaced the ailing Randy Sandy, beat Benny Kid Paret of Cuba on a split decision in a fairly dull 10-round non-televized bout at St. Nicholas Arena Monday night. Each fighter weighed 157½.

Now Thompson, New Yorker who has won 17 of 22 professional bouts, wants to move up the middleweight parade to meet fighters ranked just under the top. The name of Canadian Willie Greaves was mentioned as a possible rival.

Paret was a 2-1 favorite over Thompson.

Seattle—(UPI)—University of Portland's golf team defeated Washington 10½-4½ Monday. Jerry Mowlds of Portland was medalist with a 71.

## Legislative Pay Bill Passes House

Salem—(UPI)—A bill referring to the people the question of whether state legislators' salaries should be raised from \$600 a year to \$2100 a year was passed by the House here Monday. It had previously passed the Senate.

At the same time the House passed and sent to the governor a bill increasing salaries the same amount.

Rep. Norman Howard (D-Portland) said the latter bill will be used to test in the Oregon courts whether or not the Legislature has the power to set its own salaries.

The case probably will be heard before the State Supreme Court.

Opposition came from Rep. Keith Skelton (D-Eugene) who contended that \$170 a month was not enough.

## 'Mysterious' Sub On Navy Maneuvers

San Diego—(UPI)—A "mysterious" submarine drifting offshore near Encinitas, about 30 miles north of here, had sheriff's deputies worried for a time today until it was discovered the craft was engaged in Navy maneuvers.

After some hectic early morning checking, it was discovered that the submarine Perch had moved close to shore at slow speed, apparently to unload a small Marine Corps force on the beach.

A San Diego County sheriff's patrol car, however, spotted the Perch's conning tower and deck awash about 500 yards from the coastline and radioed a report for the commandant of the naval base here.

Spotlights were flashed on the submarine in predawn darkness while the investigation was launched to determine its identity.

## Cupid Enrolls for Salvation Army

Chicago—(UPI)—Gen. William Kitching, world commander of the Salvation Army, said Monday that Cupid is one of his army's best recruiters.

Salvation Army officers may marry only other Salvation Army officers, and "it's a fine way to recruit new officers," Kitching said.

## Portland Takes 8-0 Lead on Homers

Phoenix, Ariz.—(UPI)—The Portland Beavers ended a year-long victory famine in Phoenix municipal stadium Monday night by defeating the Phoenix Giants 9-6 in a Pacific Coast league game here.

The Beavers, who lost all

11 games last season, got off to an 8-0 lead on the strength of four two-run homers.

George Freese hit a pair of those and Jack Littrell and Nini Tornay added another each.

That 8-0 margin was held by Howard Reed, starting righthander in the fifth inning. The Giants added one in the fifth and the seventh. Then in the eighth, they collected four, two crossing on the third homer of the season by Dusty Rhodes.

The Giants threw a scare into the Beavers after four tallies crossed the plate. Rookie Catcher John Orsine drove a towering fly to left field which Bob Di Pietro caught right next to the fence. Then Ben Swearingen set Phoenix down in order in the ninth.

A crowd of 643 saw the game, the smallest since Phoenix entered the PCL last season.

Linfield now has a 4-1 mark to 3-1 for second place Lewis and Clark.

In Monday's other game College of Idaho downed Willamette 10-7 at Caldwell.

Linfield won its game over Whitman with a four-run rally in the seventh inning. Whitman made seven errors.

College of Idaho scored four runs in the bottom of the eighth to defeat Willamette.

## Death Comes To Joe Gans

Milwaukee—(UPI)—Baby Joe Gans, a boxer and trainer since the age of 14, died Monday of a heart attack.

Death came only a few hours before Gans was to "second" two of his boys on a professional card at La Crosse, Wis., Monday night.

Gans, whose legal name was Gerald Slaughter, began fighting professionally in 1923. Among the boxers he fought were Barney Ross, Vince Dundee, Jackie Fields and Lou Brouillard.

Boxing's original Joe Gans, who held the world lightweight title shortly after the turn of the century, died in 1910.
