

Webfoots To Divide For Meets

University of Oregon, Eugene (Special) - Oregon's powerful track and field forces will be split this week end, with nine crack Webfoots headed for the Drake Relays in Des Moines and the remainder of the squad set for the Northern Division meet at Hayward Field with the Idaho Vandals.

Coach Bill Bowerman has named miler Jim Grelle, Dick Miller, George Larson and Phil Knight, plus freshman Dyrrol Bureson, to enter the Drake classic and the Webfoots. Grelle and Miller will be joined by D. C. Mills in the javelin, Jack Burg in the pole vault, Steve Anderson in the 100 and broad jump, and Roscoe Cook in the 100.

Shoot at Mark
The four crack Duck miler will be shooting for the meet four-mile relay record when they go into competition on Friday and then Grelle runs alone in the collegiate mile on Saturday against a strong field headed by Alex Henderson of Arizona State.

Bureson is scheduled to face the toughest competitors of his short career in the open mile on Saturday when he tangles with Lazlo Tabori, the former Hungarian ace, and ex-low ace Ted Wheeler and Deacon Jones. All have run better than 4:06 and Bureson may have to run the fastest race of his career to win.

The varsity attempt at the Drake four-mile record, which is held by Kansas at 17:15.3, hinges on how well Miller, who ran the fastest two mile in the country last Saturday, shakes a bad cold. If he does not recover, his place will be taken by Mark Robbins.

Bias Charge Against Sox At Boston

Boston - (UPI) - The Massachusetts Commission Against Discrimination is expected to rule on bias charges brought against the Boston Red Sox within the next week.

The charges, leveled by the National Association for the Advancement of Colored People, stemmed from the optioning of Negro infielder Pumpsie Green who became the first of his race to don a Red Sox uniform in spring training.

The NAACP charged that the Red Sox had discrimination, not only in the Green case, but in their overall hiring policies.

Red Sox business manager Richard H. O'Connell represented the club Tuesday and told the commission, "I deny categorically that the Red Sox has a discriminatory policy."

MH Netters Bounce GP

Medford high tennis team will try Friday to make it two in a row over Grants Pass.

The Tornado won 7 to 0 from the Cavemen here yesterday and goes to Grants Pass for the Friday scramble. On Saturday Medford will play a match with North Bend here.

In yesterday's singles Gary Cummings won 6-2, 6-0 from Ron Erickson, Dick Hildebrand defeated Jim Blacksmith 7-5, 3-6, 8-6. John Shaw bounced Bill Maffett 6-1, 6-3, Dave Ryn trimmed Bud Orr 6-3, 6-1 and Pat Eby beat Dick Newman 6-0, 6-2. Cummings and Shaw teamed to overcome Erickson and Orr in doubles 2-6, 6-3, 6-2. Hildebrand and Paul Ryn beat Maffett and Blacksmith 8-3. The "Kramer-style" set was played because of the late hour.

Pitchers Seem Same To Stan

Chicago - (UPI) - All pitchers look alike to Stan Musial - even when they happen to look like Christy Mathewson or Walter Johnson to his St. Louis Cardinal teammates.

Musial got the Cardinals' only hit for the second time in three games Tuesday when he stopped Chicago Cub pitcher Glen Hobbie's bid for a perfect game with a pinch double in the seventh inning. Musial deprived Jack Sanford of the San Francisco Giants of a no-hitter last Saturday with a seventh-inning pinch single.

PILOTS VICTORS
Tacoma - (UPI) - University of Portland defeated College of Puget Sound in golf Tuesday 9 1/2 to 5 1/2. Larry Yturri of Portland was medalist with 71.

TOURNEY ENTRIES
Portland, Ore. - (UPI) - Manhattan College of New York, Portland, Gonzaga and San Diego State will compete in the "City of Roses" basketball tournament Dec. 18-19.

BOISE BEATS EOC
La Grande - (UPI) - Eastern Oregon college dropped a baseball doubleheader to Boise Junior college here Tuesday, 8-3 and 12-5.

250,500 Yearling Fish To Be Planted In Rogue Drainage

Portland - Oregon anglers can look forward to another good trout season if the number of yearling fish to be planted by the game commission during the next several months is any indication of what's to come.

Tentative allocations set by the fishery division show that more than 2,341,000 hatchery reared trout of catchable size will be released in lakes and streams this summer to supplement stocks of wild fish. The vast majority of these legal are rainbow trout with good numbers of cutthroats and lake trout also on the rearing schedule.

An additional 578,000 yearlings will be stocked, but anglers will have to wait a few years to reap the harvest from these plants. They represent the yearling steelhead and salmon held at hatcheries which will be released during the months when they can migrate to the sea without running the gauntlet of angler's hooks.

Northwest Heaviest
The heavily fished lakes and streams of the northwest region are destined to receive the largest apportionment of the yearling plants, followed by the southwest region, the popular central region, the northeast, and the desert

country of southeast Oregon. Northwestern Oregon lakes and streams, which take in the Willamette drainage and north coast, will be stocked with 1,502,000 catchable sized fish. About 311,000 of these will be planted in lakes and reservoirs of the region.

Southwestern Oregon waters which include the Umpqua and Rogue drainages will be stocked with around 620,000 yearlings, with the heaviest plants in the Umpqua basin and followed by the Rogue.

In the Umpqua drainage, about 262,500 yearlings will be released, of which 132,500 will be rainbow trout, 95,000 chinook salmon, and 35,000 steelhead trout.

The Rogue river and its tributaries will receive yearling plants of 250,500 of which 145,000 will be rainbows plus a few cutthroats, 50,000 chinook salmon, 20,000 silver salmon, and 35,000 steelhead. An additional 107,000 rainbows and cutthroats are scheduled for release in other southwest coastal streams and lakes.

OTI Hands Raiders First OCC Setback

Klamath Falls - A 12th-inning walk and a fence busting triple by Virgil Winters gave the Owls of Oregon Tech a 5-4 victory over Southern Oregon college in Klamath Falls yesterday afternoon.

Winters was the star of the afternoon with three hits in six trips which drove in three of the Owl runs that helped break the Raider win streak at four wins in Oregon Collegiate conference play.

A last ditch stand in the ninth inning brought the Owls from underneath a 4-3 margin to 4-1 on an error, hit batter and a single which scored the run.

SOC was riding high on a 3-0 bulge after three innings by virtue of two runs in the first and one in the second.

A single by Jim McAbee and a booming triple by Larry Maurer accounted for one of the two first-inning runs before Maurer scored on an infield out by Phil Sword.

Speelman Singles
Jim Dietz was given a life at first on an error and gained second on a fielder's choice before scoring on pitcher Tom Speelman's single.

SOC got their fourth hit in the sixth inning when Maurer led off with a single and scored quickly on a double off the left field wall by Phil Sword.

Ore Tech got its first run in the fourth by bunting three successive singles. The Owls got two more in the eighth on two singles, a walk, and another single that pushed across the pair of runs.

From that point it was touch and go for both ball clubs until the run scored in the 12th to give the Owls their second conference victory.

D'Olivio Relieves
Speelman started the game for the Raiders and gave up 10 hits and one run in seven innings. The Raider chucker

had given up two singles and a walk to load the bases when Dave D'Olivio was called for relief in the eighth inning. D'Olivio allowed a single which scored two runs.

D'Olivio continued in relief and suffered the loss when the Owls finally eked out the win.

Tony Rauch got credit for the win by going the full 12 innings. He was tagged for 14 hits.

McAbee got three hits in six trips to be the Raiders' leading hitter while Maurer, Sword, Chuck Nevi and Speelman had two each. Sword also had two runs batted in, Maurer one, and Speelman one.

LINESCORE:
SOC.....210 001 000 000-4 14 2
OTI.....000 100 021 001-5 11 3
Speelman, D'Olivio (8), and McAbee, Rauch and Wilson.

Washington Edges Idaho
Moscow, Idaho - (UPI) - Washington's Huskies edged Idaho 11-10 Tuesday for their third win in four Northern Division baseball starts.

The Huskies led 9-4 going into the seventh when Idaho scored six runs. A two-run rally by Washington in the ninth saved the victory, the second in two days over the Vandals.

Oregon and Washington State, tied with Oregon State at 1-1 behind Washington, open a two-game series in Eugene today.

Justice Rules Against Sugar
New York - (UPI) - Sugar Ray Robinson must sign for a title bout with Carmen Basilio or risk having his middleweight crown vacated by the New York State Athletic Commission, Justice Saul Streit ruled today.

The court acted on an application by Robinson to prevent the commission from vacating his title unless he agreed to a fight with Basilio by April 15.

Corvallis - (UPI) - Ted Denham shot a three-under-par 69 to pace Clark Junior college to an 8 1/2 to 6 1/2 golf victory over Oregon State's Rooks here Tuesday.

SPORTS

Most of Rogue Stays Closed This Week End

Fishermen were issued a reminder today that most of the Rogue river and its tributaries will remain closed to angling when general trout season opens in Oregon on Saturday, April 25.

The main Rogue basin will not open for trout until May 30 in a game commission action for the second successive year to permit more escapement of downstream migrating young salmon and steelhead.

However, fishing will be permitted, starting April 25 in the upper Rogue above Laurelhurst bridge, on Big Butte creek above Cobleigh bridge and on Elk creek above Burnt Peak bridge. These will be the only stretches of stream open in the Rogue basin until May 30.

LAKE FISHING
There will be fishing allowed in three lakes of the area starting next Saturday. Willow reservoir, Squaw lake and Lake of the Woods.

A report from the resort management at Willow lake anticipates some fine fishing on opening week end and for the season because of the good growing season for trout. Lots of trailer and campground space is reported available at the lake. The resort has a complete line for the angler including boats, motors, cabins, fishing equipment and groceries.

Fish lake was rehabilitated last fall and will not open for angling until May 30.

Crater JV Nudges MH

Crater high scored all its runs in the sixth inning yesterday to nose Medford in a junior varsity baseball game at Central Point.

The Comets got their markers on hits by Mike Pepper and Leonard Lemon, a walk, two errors and a fielder's option. Medford tabulated one in the third inning on a walk and single by Wayne Thompson and again in the fourth on base on balls and Adams' single.

Pepper, Lemon and Thompson each hit two for three in the scrap.

Medford had the bases loaded with one out in the sixth inning but was retired on a strikeout and force out. In the fifth Medford had two on the sacks and none out but pitcher John Anhorn whiffed two batters and another popped out.

MAN O' WAR RACE
New York - (UPI) - A \$100,000 added stake race honoring Man O' War, one of racing's greatest champions, will be run for the first time at the new Aqueduct track on Saturday, Oct. 24, it was announced today by John Hanes, president of the New York Racing association. The event will be for three-year-olds and up, over a mile and one-half distance.

CARDS SIGN BOBO
Chicago - (UPI) - The Chicago Cardinals have signed Bob Bobo of Texas Western, a 245-pound tackle who was an All-Border conference player, it was announced today. He was the Cards' 12th draft choice.

ROOKS POUND
Monmouth - (UPI) - The Oregon State Rooks pounded out 20 hits and the OCE JVs made 10 errors Tuesday as the Rooks took a 27-4 baseball decision here.

HONOR RACING OFFICIAL
New York - (UPI) - Frank E. (Jimmy) Kilroe, racing secretary and official handicapper at Santa Anita and all New York tracks, has been named thoroughbred racing's "man of the year" by the New York Turf Writers association.

Rose Bowl Pact Looks To Be Out

Evanston, Ill. - (UPI) - The Big Ten's football pact with the Rose Bowl seemed doomed today by an adverse vote from Northwestern university.

The conference won't take official action on the soon-to-expire contract until next month at a meeting in Ann Arbor, Mich., but Northwestern's "no" vote announced on Tuesday night indicates a probable 5-5 voting tie that would block renewal of the pact.

The Big Ten will send a team to the Jan. 1, 1960 game but after that, at least a gap in the 13-year string of Big Ten appearances in the coast classic appears certain.

Ohio State, Minnesota and Illinois faculty groups previously had voted against another Rose Bowl agreement. Northwestern was the fourth school to vote. Wisconsin will vote May 4 and is regarded as virtually certain to oppose the renewal.

Train Derailed In Albany Yards

Albany, Ore. - (UPI) - Two diesel locomotives of a south-bound freight train and eight empty gondolas were derailed at 11:42 p.m. Tuesday when the "through" freight train collided with a local freight train at the Albany yards.

A flat car of lumber on the local freight train was spilled. The damage to the main track caused a two-hour delay in the southbound Klamath passenger train. Relief crews from Eugene and Portland cleaned up the debris and made repairs in time for the northbound Cascade passenger train to arrive in Portland on time at 8:15 a.m. today.

J. M. Center, brakeman on the through freight train, suffered a head injury and was taken to an Albany hospital, where his condition was reported satisfactory.

Godfrey Ends Shows For Chest Surgery

New York - (UPI) - Arthur Godfrey makes his last "live" television appearance today before leaving the airwaves for possible chest surgery.

"The Ol' Redhead" will be seen on his CBS-TV show from his farm near Leesburg, Va., where he went Monday after telling his audience during a New York telecast: "This old Irish grow has got some ivy growing on his chest." He referred to a tumor.

A Godfrey associate in New York said the TV star will enter a hospital late Friday or sometime Saturday. The name of the hospital is being withheld from the public at Godfrey's insistence because, in July, 1953, when Godfrey underwent surgery on his right hip, routine at the Massachusetts General hospital in Boston was disrupted by barages of phone calls, mail, gifts and visits by the curious.

Watered-Down Civil Rights Bill Approved
Salem - (UPI) - The House Tuesday passed a watered-down bill aimed at extending civil rights laws to real estate transactions.

An amendment added to the bill would clear any salesman or broker of discrimination charges if the property owner attached specific racial reservations when he listed the property.

Russia Celebrates Lenin's Birthday

Moscow - (UPI) - The Soviet Union today celebrated the 89th birthday of Vladimir I. Lenin, the man who moulded the Bolshevik revolution into the Communist pattern and founded the U.S.S.R.

Lenin has been dead for 35 years, but his ideas have lost none of their power in the day to day functioning of Communism, particularly since the death of Premier Josef Stalin.

Although today was not a public holiday, meetings across the nation discussed Lenin's contribution to Communist doctrine. The main meeting was in Moscow's Bolshoi Theater.

Swedish shipyards had orders for more than 142 oil tankers of 2,900,000 gross tons at the start of 1958.

GOOD YEAR
PRESENTS THE WORLD'S FIRST TURNPIKE-PROVED TIRES

- New rubbers...
- New chemicals...
- New cords...

New Turnpike-Proved Tires by Goodyear—built with phenomenal new rubbers, chemicals and cords—give up to 25% more safe mileage even on the turnpikes! That means they'll give you more mileage with greater safety than ever before. Here are two vital problems Goodyear scientists solved to bring you these great, new tires!

Problem #1—tread rubber: At high speeds, ordinary tread rubber is literally eaten away. But by intimate mixing of new chemicals and rubber molecules, Goodyear scientists created today's longest-wearing tread rubber for today's toughest driving conditions!

Problem #2—tire cord: At high speeds, the heat that eats away tread also weakens cord. The answer? Goodyear's All-New 3-T cord (Tyrex or Nylon) triple-tempered in an exclusive process involving Tension, Temperature and Time.

Tested on the 140 mph "Turnpike That Never Ends" these Turnpike-Proved Tires by Goodyear are the toughest, safest, longest wearing tires you can buy.
