

Chisox End Winning Streak By Beating Indians 8-6; Orioles Beat Yankees 2-1

United Press International
The Chicago White Sox took advantage of three ninth-inning errors and a three-run pinch homer by Earl Torgeson Saturday to score an 8-6 triumph that ended the Cleveland Indians' four-game winning streak.

Dick Brodowski, who had not yielded a run in 18 1/3 innings dating back to last September, was the victim of the Indians' shoddy support and should have retired the side before Torgeson ever went to the plate.

The Indians carried a 5-3 lead into the ninth but the fielding collapse enabled the White Sox to score five runs on only one hit.

Brodowski started to open the ninth. George Strickland booted a double play ball hit by Ray Boone and then threw wild to second allowing the first run to score. With one out, Brodowski himself dropped a throw from Vic Power at first, allowing another run to score. Luis Aparicio walked and Torgeson followed with his game-winning blow.

Use 20 Players
The Baltimore Orioles used 20 players and finally beat the New York Yankees, 2-1, in 11 innings when Willie Tasby doubled and Chico Carrasquel singled. Billy Loes pitched the 10th inning for the Orioles and won his first game of the season. Johnny Kucks, who pitched only to Tasby, was the loser.

Pedro Ramos won his third game of the year as the Washington Senators downed the Boston Red Sox, 8-4. Harmon Killebrew, playing his first season as a regular, hit a two-run homer and drove in three runs.

Detroit was at Kansas City in a night game.

Penn State Gets Medley In Relays

Philadelphia-UPH - A Penn State Littany Lion snatched its lips over its first Penn Relays major title in eight years Friday.

Penn State, with a superabundance of middle distance runners, romped to a 90-yard victory in the distance medley, the only major title to be decided in the opening of the carnival Friday.

The Lion's combination of Charlie King, Dick Hambricht, Dick Engelbrink and Capt. Ed Moran, centered home in copping the distance event in 9:58.2 over Duke, St. John's of Brooklyn, New York University, Cornell and Penn in that order.

One carnival mark was set Friday when John Lawlor of Boston University, the transplanted Dublin police officer, tossed the hammer 200 feet, 10 1/2 inches to retain his champion'ship and break his own record set last year.

KF Sweeps Twinbill. 1-0, 2-1

Ashland-Klamath Falls swept a baseball twinbill from Ashland high here yesterday by the narrow margins of 1 to 0 and 2 to 1.

First game, which counted in the Southern Oregon conference and which gave Klamath its first victory in the standings, went an extra inning. Dick Depew singled home the Pelicans' lone marker in the eighth after Steve Binney had safetied and Bob Yuncuk was hit by a pitch.

Ashland threatened in the first inning when two men walked and reached second and third bases. In the third inning the Grizzlies loaded the bases with two out on two bases on balls and a single by McKinnis, the only hit Ashland got off Blake Griggs.

Griggs walked four and struck out nine in his one-hitter. McKinnis, Ashland tosser, fanned two, walked three and hit one in a five-hitter.

All Runs in Fifth

All runs in the second game were in the fifth and last inning and Ashland missed a chance in the bottom half of the frame to win or at least tie the score. Klamath got its runs with two out on hits by Yuncuk, Depew and Griggs and an error.

In the bottom of the inning Pete Stemple and Jim Stewart walked and Harley Dickerson singled Stemple home. Johnson walked to load the bags with one out. Phil Tucker hit a long fly to Griggs in left field. Stewart on third was leading off and had to go back to tag up. In the meantime, Griggs dropped the ball, setting up a force play. Dickerson was caught going to third base and Stewart was then put out trying to get home.

Bob Wilkenson, KF hurler, walked six and fanned six and Stemple struck out six Pels and walked two.

Ohio Man Takes North, South Golf

Pinehurst, N.C.-UPH-Young Jack Nicklaus of Columbus, Ohio, dropped a six-foot putt on the 36th hole Saturday to defeat Gene Andrews of Pacific Palisades, Calif., 1-up in the finals of the 58th annual North and South Amateur Golf tournament.

The putt gave Nicklaus a par 4 for the hole while Andrews, whose tee shot hit a trap, wound up with a bogey 5.

Trap trouble had bothered Andrews during the 18-hole morning round and Nicklaus was 2-up at the start of the second 18.

Nicklaus connected on a 25-foot putt for a birdie to take the first hole in the afternoon and it appeared that a runaway was in the making but the young collegian bogeyed the next five holes. Andrews took four of those holes to go 1-up after six.

But Nicklaus came back to take the next three holes with two pars and a birdie and he was again 2-up at the turn.

They halved the next two holes but Andrews cut the margin to one when he dropped a 35-foot putt for a par on the 12th while Nicklaus overshot the green and wound up in the trees.

Nicklaus was over the green again on the 13th but managed to sink a 20-foot putt for a half. They halved the 14th with bogeys but Andrews took the 15th with a par to even the match as Nicklaus missed a 35-foot putt.

They halved the 16th and 17th to pave the way for Nicklaus' winning putt on the final hole.

Both golfers finished the 36 holes with identical totals of 155 strokes.

GOLD HILL Steinmetz' Return

Gold Hill-Mr. and Mrs. Milton Steinmetz and son, Harry Leigh, have returned home after a week's trip to Portland and Halfway, returning to southern Oregon by way of Bend, and Redmond.

They were impressed with the Centennial atmosphere in Redmond, where business establishments have replaced modern store fronts with old fashioned board fronts, decorated with articles used during the pioneer era.

In Portland, the Steinmetz' visited their son and daughter-in-law, Mr. and Mrs. David Steinmetz, and children, John, Robert, Mary Beth, and Barbara. At their former home of Halfway, they were overnight guests of Mr. and Mrs. T. F. Quinn.

Among other residents of this area who went on a recent vacation in the northern part of the state were Mr. and Mrs. Albert Gascon and her mother, Mrs. George Dorman. They were guests of Mrs. Gascon's son-in-law and daughter, Mr. and Mrs. G. L. Snider, and children, Tena and Ricky, at Oswego. Also visiting in the Snider home was Howard Dorman, a son of Mrs. Dorman and brother of Mrs. Gascon.

Returning to their home here after a three week's vacation in Arizona were Mr. and Mrs. Ralph Bell.

Mrs. Melvin Burnett and daughter, Miss Donna Burnett, were guests of Mr. and Mrs. Morris Berg at Springfield recently. Mrs. Berg and Mrs. Burnett are sisters.

Mr. and Mrs. Earl Moore had as guests recently Mr. and Mrs. Charles Eperson, of Portland who were en route to Los Angeles, Calif.

Youngsters of the intermediate Sunday School class of Gold Hill Community Methodist church school were winners of the six-week attendance contest which ended recently.

In recognition for the achievement, a swimming party was given for them at Twin Plunges, Ashland, and a picnic was held following.

World Law Lead Urged by Lawyer

San Francisco -UPH-A Washington, D. C., attorney told an American Bar Association conference here Friday that lawyers must take the lead in developing a rule of law for the world to replace the present rule of terror and eliminate war.

Charles S. Rhyne, chairman of the ABA Committee on World Peace Through Law, said it was up to lawyers to do it "because there is no other professional group which has the know-how, the training and the capacity to do the job that must be done."

"Supremacy of law within nations has created freedom of man," Rhyne said. "Supremacy of law between nations can create freedom for man from the scourge of war."

Lawyers from nine Western States attended the meeting, which ended yesterday. A fifth and final meeting in the series of regional conferences will be held in Dallas April 28-29.

Sand, Gravel Bill Defeated in House

Salem -UPH- The House has failed to pass a bill putting removal of sand and gravel from navigable streams under control of the state fish and game commissions.

Vote was 39-13.

Rep. W. H. Holmstrom (D-Gearhart) explained that the bill was designed to protect spawning grounds of salmon and steelhead.

Objections were raised by Rep. Fayette Bristol (R-Grants Pass) who said the two commissions were not the agencies to police such a law.
