

BLAST SITE - Three men working in this ditch on the Kenwood - Grandview sewer project Friday escaped with minor injuries when the backhoe's shovel apparently struck a blasting cap and charge remaining from previous excavation work and caused a detonation. The men, Blaine Biles, 44, of 819 Taylor st., Medford, L. Melvin C. Sheftad, 50, of The Dalles, and Milford D. Waters, 49, currently of Lazy L motel, Medford, were rushed to Sacred Heart hospital for treatment of minor cuts - but were back on the job that same afternoon. The ditch parallels Grand ave. at Crater Lake ave.

LINES AND SHADOWS - Timbers and their supports cast myriad shadows on the bottom of one of Medford's reservoirs atop Capital Hill. The timbers provide a frame for a metal roof to be installed later this spring. Another, adjacent reservoir is also being covered. Graff and James is contractor for the project.

Students Qualify As Candidates

Eugene—Two Medford men now attending the University of Oregon have qualified as candidates for positions in the Associated Students of the University of Oregon student senate. They are Frank Albert, a candidate for senator-at-large, and Michael Stearns, a candidate for off-campus single students representative. Both Albert and Stearns received a sufficient number of votes in the all-campus primary election to have their names placed on the general election ballot.

Albert, a freshman major in liberal arts, is the son of Mr. and Mrs. M. G. Albert, 304 South Peach st. He is currently serving as president of the freshman class. Stearns, a freshman in journalism, is the son of Mr. and Mrs. Guy Stearns, 3547 Delta Waters rd.

Salem—(UPI)—The Senate State and Federal Affairs committee has added a clause to a proposed one cent per gallon gasoline tax hike which would refer the matter to voters.

Carried eggs on rice with salted peanuts and chutney, a pretty fruit salad and a cup of tea will keep waistlines trim and keep kitchen work simple. Heat 1 tablespoon butter with 1 teaspoon curry over a low flame. Add a can of cream of chicken soup with 1/4 cup each of milk and orange juice. Cook slowly on the simmer burner so flavors will blend—about 20 minutes. If you like hot curry, add a dash of tabasco and a little ginger. Cut 4 hard cooked eggs in quarters, lengthwise and heat thoroughly in the sauce. Serve over fluffy rice. P. S. Try it for Sunday breakfast.

The average American drinks slightly more than two cups of coffee a day. Five nations, the Seneca, Cayuga, Onondaga, Oneida, and Mohawk, belonged to the Iroquois Indian league. Monograms, or interlaced initials, were often used on ancient Greek and Roman coins.

AERIALIST PLUNGES
Oklahoma City - (UPI) - Mrs. Victoria Hanneford, 25, a veteran aerialist, plunged from a high platform while a circus crowd of 3,500 watched in stunned silence Friday. She was rushed to a hospital with a broken pelvis and fractured leg.

Malheur Blocks Welfare Budget
Vale - (UPI) - The Malheur county court and budget board flatly turned down the county welfare commission's proposed budget of nearly \$70,000 Friday and said there is "so much trouble in Salem about the state welfare that the Malheur budget board wants to bring the matter to a head." In the unusual move, the court and budget board at the same time said that in lieu of the county welfare budget, the \$70,000 would be allocated to a fund "such as the district attorney may direct."

The court-board statement said their complaint was "not directed against the local administration but against the general concept of welfare right." That popular American plan—installment buying—has caught on in Austria and has boosted consumer sales tremendously.
