

Dyrol Burleson Sets College Frosh Mark

Eugene — (UPI) — Dyrol Burleson, the Cottage Grove youngster who set a new college freshman mile mark in the Drake Relays Saturday, will run against former Oregon great Bill Dellinger Thursday in a special race in Portland.

Burleson and Dellinger will face each other at the Reynolds relays near Troutdale.

Burleson edged Laszlo Tabori of Hungary in 4:06.7 at Des Moines Saturday. He ran the quarters in 62 seconds, 64 seconds, 62.6 seconds and 58.1 seconds.

Oregon's Jim Grelle repeated in the University-College mile at Des Moines with his second straight victory, 4:09.5.

Roscoe Cook of Oregon was fourth in the 100-yard dash, 17.2 seconds.

It was won by Bill Alley of Kansas with 253.5.

The Drake Relays, which opened the Penn Relays, 15-3, in their annual competition for the top glamor spot in college track and field, but the real losers in this unofficial "battle" of the cinder track could be the Russians.

That's because the two big relay carnivals, producing a combined amazing total of 22 new meet records, stressed that the United States really is "loaded for bear" for its dual meet against a team of Russian stars at Philadelphia, July 18-19.

And they also emphasized that the U. S. will have its usual strong team for the Pan-American games at Chicago Aug. 19-Sept. 7, and probably for the 1960 Olympic games.

Traditional American strength in sprint races was demonstrated in both meets. Little Ira Murchison of Chicago whipped 100 yards at the Drake Games in 9.4 seconds; husky Bill Woodhouse of Abilene Christian college stepped it in 9.5 at Penn.

Three Medals Apiece

The University of Texas flashed through a 440-yard relay at the Drake Games in 40.6 seconds; Woodhouse anchored Abilene Christian to a 40.9 clocking at Penn.

Sorting through the maze of records set at the two meets—13 at the Drake Games in Des Moines, nine at the Penn Games in Philadelphia—come to two that, in effect, are world records because they were in events seldom run outside this country—the 480-yard shuttle hurdle relay and the sprint medley relay.

Elias Gilbert anchored Winston-Salem Teachers to a victory in the shuttle hurdle relay at Penn in 57.5 seconds for an American record. Gilbert also won the 120-yard high hurdles, and 400-meter hurdles and, like Woodhouse, who also anchored an 880-

relay victory, was a triple gold medal winner at Penn.

The University of Illinois set a new record of 3:17.8 for the sprint medley at Drake. However, a key factor in this race was the final 880-yard anchor leg run by a foreigner, George Kerr of Jamaica, B.W.I.

Drake's superiority in this year covered every phase of the sport. In track events, the Des Moines carnival was better than Penn in nine races; Penn was tops in two; and one was a draw. In field events, it was Drake by a 6-1 count.

Looking at it another way, Drake was tops in six of eight relays, and nine of 11 solo events with one draw.

OSC Noses Cougar Nine

Corvallis — (UPI) — Oregon State rallied for four runs in the ninth inning here Saturday to take a 6-5 Northern division baseball win over Washington State.

Five consecutive singles, a base on balls and an error accounted for the runs.

The win gave WSC a 1-3 record on its Willamette valley swing. The Cougars had previously dropped two to Oregon and beat Oregon State Friday.

Clayton Smith received the win, pitching scoreless ball in the ninth inning. Elwood Hahn was the loser.

In other Northern division action Saturday Washington blanked Idaho 6-0 to move a full game ahead of Oregon into first place. Washington is 5-1 and Oregon 3-1.

First Landing Derby Favorite

Agua Caliente, Mexico — (UPI) — First Landing, champion two-year-old of last year, was a 3-1 favorite for the Kentucky Derby today in the Caliente future book.

Pricemaker Tony Alessio said First Landing probably will remain the favorite to win next Saturday's classic until the future book closes Thursday after the running of the Derby Trial.

The "hottest" horse in the book now is Our Dad. Alessio said. The horse dropped from 50-1 to 8-1 following his third place showing in the Wood Memorial. A barrage of bets, including some \$10,000 in commissions from Las Vegas, forced Our Dad down steadily.

Tomy Lee, the California winter champion, dropped from 8-1 to 4-1 to become the second choice in the book. Sword Dancer stood at 5-1 and Silver Spoon at 6-1.

Wiffi Captures Peach Blossom

Spartanburg, S. C. — (UPI) — Championships in the Peach Blossom-Betsy Rawls golf tournament came in pairs and the record-breaking performance by husky Wiffi Smith this past week end was no exception.

After turning in sub-par rounds of 68 and 70 in the 54-hole \$6,000 tournament, Miss Smith wound up with a one-over par 73 Sunday over the Spartanburg Country club.

Her five-under-par card of 211 bettered the Peach Blossom tournament record of 213 set in 1957 by home town girl Betsy Rawls.

Miss Smith, 22, from St. Clair, Mich., was the third golfer to win the Peach Blossom-Betsy Rawls tournament.

Miss Rawls came in second this year with 218. Patty Berg was third with 219.

HOCKEY

Buffalo, N.Y. — (UPI) — The Buffalo Bisons, battling to stay alive in the American Hockey League playoffs, pumped in four goals in each of the last two periods Sunday night to crush the Hershey Bears, 9-4, in the fifth game of the Calder Cup finals at Buffalo.

The Bisons, in winning, temporarily derailed the Bears' Calder Cup express, after Hershey had taken a three-to-one lead in the best-of-seven set with a 4-1 victory at Hershey Saturday.

Hershey can wrap up its second straight AHL playoff title by winning the sixth game on its home ice Tuesday night.

"I've had my eye on that statue for a long time," Garrison sighed. "I just had to have it."

Coast League Lead Boosted by Solons

United Press International

Ah, sweet April madness! Sacramento's Solons, who had been consigned to the second division as usual by Pacific Coast league experts, moved further ahead in the loop today and headed into tonight's game with Portland leading the race by a game and a half.

Of course, the Sacs have been known to top the PCL before in the happy springtime and finish up last in the dust of September.

But for the time being, nobody on manager Bob Elliott's capital city club was feeling any pain.

Sacramento grabbed a double header from Spokane Sunday by scores of 4-3 and 6-3, winning the first title in the 17th inning. In other PCL action, Phoenix clubbed Seattle, 8-4, in a single game while Vancouver and San Diego split a twin bill. The Mounties won the opener, 7-0, and San Diego struck back with a 8-1 triumph in the nightcap. Portland and Salt Lake were rained out.

Patterson, London Tilt Highlight

New York — (UPI) — Floyd Patterson's defense of his heavyweight crown against England's Brian London at Indianapolis Friday night will feature this week's boxing.

Although Patterson is risking his title for the fourth time, he regards the 15-round at the Indianapolis Coliseum as a "tune-up" for his June 25th defense against Ingemar Johansson of Sweden at Yankee Stadium.

The Patterson-London fight will be televised and broadcast nationally by NBC, with a 75-mile TV blackout in the Indianapolis area.

Champion and challenger are each 24 years old. But Patterson is favored at 10-1 because of his own ability and because the British Boxing Board of Control has little confidence in big Brian that it refused to grant him a permit to come to the United States and fight Patterson. London came anyway.

McCloud Fisherman Presumed Drowned

Weed, Calif. — (UPI) — A search plane, four skin divers and a large volunteer search party today looked for Berl Baradun, 39, McCloud lumber worker, who was lost and presumed drowned when a boat overturned on Dwinell Lake Reservoir near here early Sunday.

Siskiyou county officers said Baradun was fishing with companions Duane Knutson, 29, and Richard Kinkead, 29, also McCloud, when the boat overturned in stormy waters. Knutson told police he saw Baradun go under. He and Kinkead made it to shore and called police.

Baradun was a lumber pier for the McCloud River Lumber company.

Records Compared

London is a good puncher, who scored 19 knockouts while winning 22 of his 26 bouts. He is ranked eighth among contenders. Patterson registered 24 kayoes among his 34 victories in 35 starts.

London will out-weight the champion, about 200 pounds to 186. Brian lost the British Empire title to Henry Cooper of England on a decision after a bloody fight at London on Jan. 12.

Should London unexpectedly win the title Friday, he must grant Patterson a return shot at the crown within 90 days. That would cause an indefinite delay of the June 25th Johansson fight. Johansson, European champion, is scheduled to arrive in New York Tuesday.

On Wednesday night, middleweight Phil Moyer of Portland, Ore. — brother of the well known welterweight, Denny Moyer — makes his TV debut in a 10-rounder with West Indian Yama Bahama at the Portland (Ore.) Armory. Moyer is favored at 7-5.

Two Meetings Set by Forestry Department

Meetings for logging operators have been scheduled here and at Grants Pass this week by the state department of forestry.

Curt Nesheim, southwest district warden, said that the first meeting will be Wednesday evening at the district headquarters on Table Rock rd. north of Medford. The other will be on Thursday at Josephine county fairgrounds. Both sessions are for 8 p.m.

Principal topics at the meetings will be changes made in the fire laws during the current session of the Oregon legislature, Nesheim reported.

He added that all people in the logging industry interested are invited. Operators of the Medford area unable to attend the Wednesday meeting here may go to the one in Grants Pass. Likewise, loggers of the Grants Pass vicinity may attend the session at the Medford headquarters.
