

Unemployment Tax Bill Voted

Salem - (UP) - The House Tuesday passed, 48-7, a Senate bill increasing the taxes paid for the unemployment compensation fund.

Under the measure the first \$3800 of salary instead of the first \$3600 would be taxed. The measure is expected to add about \$1,800,000 additional revenue per year.

Employers now are paying the maximum 2.7 per cent levy as fund reserves are below the minimum requirements. When the fund is built up to 5 per cent of the total

payrolls taxable under the plan merit ratings will be resumed and employees with the lowest turnover will then drop to 1.2 per cent. After the fund gets to 6 per cent the levy will drop back to \$3600.

ABE THE RAILSPLITTER
Springfield, Ill. - (UP) - State Rep. Abraham Lincoln Stanfield held a long-handed, rail-splitting axe as he filibustered Tuesday in the legislature. He said it was a symbol of his determination to "cut up the budget."

Will a High Metabolic Rate Put Strain on Heart?
A person writes asking if a plus metabolic rate will put an extra load on his heart? This is so typical of hundreds of questions I get that I must comment on it. I cannot possibly answer a question like that because it is vague. I don't know how high the metabolic rate was. If it was plus 5 or 10 per cent, it wouldn't mean

anything. A plus 85 per cent would mean much. But how do I know whether the test was made by a trustworthy person, with a trustworthy machine, and a trustworthy method?
How do I know if the test was to be repeated four times, and especially in four different laboratories, they would all come out about the same? I have seen cases in which four such tests came out all different. Most important of all, how do I know if the person who wrote me is at all ill, or showing any signs of having a high metabolic rate? Perhaps, if I were to see the man, and see that he is perfectly healthy, with a normal pulse and a cool skin, I would say, "Forget the whole thing - you aren't sick."

TRIBE LEAVES IRAQ
Ankara, Turkey - (UP) - A tribe of 700 Kurds that left Iraq and crossed into Turkey will be granted asylum in Turkey by Turkish officials, informed sources said today. The tribe did not approve of Iraqi Premier Abdel Karim Kassem's regime and supported the abortive Mosul uprising, the sources said.

NO LONGER NEEDED
Washington - (UP) - The Post Office Department wants Congress to abolish the 48-year-old postal savings system. Lindsley H. Noble, department controller, said Tuesday the system no longer was needed now that regular banking services are generally available.

Partridge Resigns Medford YMCA Job

The YMCA personnel committee has announced the resignation of W. Herb Partridge as youth program director for the Medford YMCA. Partridge has held the position since June, 1957.

He and his wife, Beverly, will continue to live in Medford where he will be employed by a local business in the advertising field.

Partridge has made several contributions to work with youth in Medford, reorganizing the Hi-Y club in 1958 and introducing a father and son program called YMCA Indian Guides in 1959. He has taken an active part in community affairs, working in Kiwanis projects and on publicity committee for the UMC.

In the field of camping, Partridge organized a YMCA day camp for younger boys on the Applegate and was director of the Diamond Lake YMCA camp. Both camps will operate this summer.

The YMCA personnel committee is considering several applicants to replace Partridge.
