

Southern California Appeal Turned Down

New Orleans - (UPI) - The NCAA made plans today to appoint a "select committee" to study possibilities of a national letter of intent and all phases of the recruiting and financial aid program of U.S. colleges.

The NCAA council, which voted to form the committee at its annual three-day spring meeting in New Orleans, will pick members for the committee from college presidents, faculty and athletic directors.

The national letter of intent has many proponents, said Walter Byers, NCAA executive director. He reported most of the Southeastern conference coaches are strong advocates of it.

"Many people think such a letter of intent would eliminate last-minute recruiting," Byers said.

Proponents of the national letter of intent believe it would prevent one school from signing an athlete, only to have another school lure him away.

Byers said the study of recruiting and financial aid did not mean anything was wrong with present rules and regulations governing those matters.

Scott Gains No. 7 Spot In Ratings

New York - (UPI) - Charley Scott, a promising puncher from Philadelphia, cracked welterweight rankings for the first time in the monthly Ring Magazine ratings announced today.

Scott, who twice whipped former challenger Isaac Logart in recent outings, took over the No. 7 spot in the 147-pound class while Logart slipped from fifth to 10th.

Duilio Lol of Italy, a one-time lightweight contender now campaigning as a welter, was ranked eighth following his recent victory over Emilio Mareoni, also of Italy. Gil Turner and Marconi both were dropped from the welterweight rankings.

The lightweight division ratings also were scrambled with Paolo Rossi of New York climbing one notch to third place and Johnny Gonzales of Oakland, Calif., vaulting from eighth to fifth. Willie Towell of South Africa climbed from sixth to fourth place.

Undefeated Chic Calderwood of Scotland, 10th last month, exchanged places with ninth-ranked Jerry Luedde of New Haven, Conn., in the only change among the light heavyweight contenders.

The heavyweight ratings remained unchanged. Ingemar Johansson of Sweden, who meets champion Floyd Patterson at Yankee Stadium on June 25 is ranked No. 1 ahead of Zora Folley, Henry Cooper and Sonny Liston.

Don Jordan earned the "Fighter of the Month" award for successfully defending his welterweight title against former champion Virgil Akins at St. Louis last week.

New Orleans - (UPI) - The University of Southern California and Georgia State Teachers College have felt the sting of NCAA disciplines, and other schools charged with athletic infractions may be dealt with today.

The 18-member policy-directing NCAA council, which ends its three-day spring meeting in New Orleans today, Tuesday rejected "USC's appeal to have NCAA-imposed penalties reduced. The California school was charged last Jan. 7 with illegal recruiting practices while it already was on two-year probation for illegal aid to athletes.

Georgia State Teachers, which resigned last March while the NCAA infractions committee was investigating the school, is charged with permitting two athletes to play inter-collegiate basketball after they had signed professional baseball contracts.

Walter Byers, NCAA executive director, said member institutions would be advised of Georgia State's failure to abide by NCAA rules and urged not to compete against teams from that college.

Dr. Norman Topping, USC president, received the NCAA ruling with "a deep sense of disappointment."

Kentucky Derby Entries Dwindle Following Trial Races Held on Tuesday

Louisville, Ky. - (UPI) - What once looked like a record field for the 85th running of the Kentucky Derby on Saturday shaped up with only 16 starters today following victories by Open View and First Landing in divisions of the Derby Trial Tuesday.

Open View raced to a head victory in the first section of the split stakes while First Landing scored by a full length in the second, discouraging several of the horses which chased them home.

Out came Cain Hoy Stable's Hoist A Way, Bernmattar, jointly owned by G. M. Holt-singer and Doug Davis Jr., and Llangollen Farm's Mosby, who finished sixth, seventh and eighth behind Open View.

And after Master Palynch trailed First Landing in the second section trainer Elmer Kalensky picked up from the jockeys' quarters the silks of owners Ben Haskin and Sam Sair. Steno Bill, the only horse Master Palynch beat,

never was considered a Derby starter.

In addition to Open View and First Landing, that left Silver Spoon, Easy Spur, Sword Dancer, Tony Lee, Finnegan, Troilus, Our Dad, Atoll, Royal Orbit, Duncie, The Chosen One, John Bruce, Rico Tesio and Quantrell still in America's glamor race.

First Landing's clocking of 1:38 1-5 in the Trial failed to match the 1:35 3-5 of Open View - third fastest in the history of the race. Nevertheless First Landing looked as probable favorite for the Rose Run, although he may be better than 2-1 at post time.

Tomy Lee loomed as second choice behind First Landing with Sword Dancer third. But the betting was expected to be widespread for John Bruce and Our Dad were full of run in the stretch in one section of the Trial while Finnegan and Rico Tesio made big moves in the straight-away in the other.

The entire picture has Derbytown in a quandary.

St. Louis - (UPI) - The St. Louis Cardinals purchased left-hander Bill Smith from Omaha of the American Association Tuesday and placed pitcher Marv Grissom on the disabled list with a bad back.

NBA Will Add Chicago Team

New York - (UPI) - The National Basketball Association was expected to announce shortly details of its plans for a Chicago franchise that will be added to the league for the 1960-61 season and a Los Angeles franchise for 1961-62.

League president Maurice Podoloff announced Tuesday night that plans for a Chicago team are nearing completion and that Los Angeles will "definitely" join the league one year after Chicago.

Both teams will be added to the present league structure, rather than involve transfers of existing franchises, Podoloff said.

The Los Angeles announcement was hailed by Bing Crosby, a backer of the team, in a telegram to Podoloff.
