ILLINOIS VALLEY PTA Officers Elected

By RUTH RAUSCH
Cave Junction — Mrs. Van Johnson was elected to head the new slate of officers of the Illinois Valley High school PTSA at the regular meeting of the organization held in the school last Thursday.

Others elected to serve with her were Mrs. Bob Cherry, vice president; Howard Walton, teacher-vice president; Mrs. Monte Head, secretary and S. S. Castleberry, treasurer.

The High school will be the host school for a joint installation of officers of all the valley schools some time in May.

All parents are asked to watch for the date of installation and plan to attend as an important issue will be placed before the public for approval.

It has been proposed that the valley schools hold joint meetings so that there will be only one PTA meeting for parents to attend each month. The schools will each retain their own staff of officers, their own set of by-laws and will each take a turn at being the host school.

The schools will still conduct individual open-house sessions and fund raising projects, but all regular business meetings would be held jointly.

An evening of fun, games and entertainment is being planned for the benefit of the valley Cub Scout program, Saturday, May 2 in the American Legion Auxiliary rooms, beginning at 7 p.m. Door prizes and game prizes will be given away.

Proceeds will be used for the purchase of awards, for sponsoring the annual picnic and other pack activities. The public is invited to attend.

Climaxing the year's activities for the Illinois Valley chapter of Future Farmers of America, will be the annual banquet scheduled for Saturday, May 2, in the high school gymnasium at 7:30 p.m.

The dinner will be prepared by the boys on the new outdoor barbecue pit which the chapter has built near the Vog building. Some 150 tickets have gone on sale, according to Mike Burnett, general chairman for the affair.

Vibert Kirk, O'Brien, was named acting chief of the Illinois Valley volunteer firemen following the resignation of Dudley Andre.

During the regular Cub Scout Pack meeting last Friday at the Kerby school, Bobcat awards were given to six boys: Dewayne Bridges, Billy Brown, Bill Ward, Jerry Beard, Jimmy Piper and Melvin Pullen.

Other awards presented by Cubmaster Bob Breckenridge and Bill Box, chairman, went to Kelly Cushing, Richard Blair, Don Stava, Terry Cox, Mike Brown, Steven Bridges, Larry Britton, Chris Basham,

Mike Mann, Roger Gammel, Don Gill and Bobby Steimer. Mrs. Harold Mackey received a Den Mother's pin.

A motion picture on conservation was shown by Dave Chamberlain as a part of the program for the evening. A donation for the Pack was presented to Cubmaster Breckenridge by the Illinois Valley Civic Women's League.

The newly-chartered Boy Scout Troop 123, took its initial field trip last Saturday to Forest flats, about 26 miles up the Illinois river. Scoutmaster Bill Burch and assistant Scoutmaster Bill Box accompanied the boys on the trip, which was a combination nature and geology study.

The boys included Randy Gibbs, Ira Calley, Bobby Higgs, Larry Nielson, Jim Donoghue, Dallas Mickey, Billy Box, Graig Yarborough, Daney Smith, Mike Pullen and Jim Burch.

The troop, sponsored by the Illinois Valley Jubilee association, received its charter at presentation ceremonies at the Scout clubhouse Wednesday, April 15.

The Rev. Harold Mackey will be in Medford on Friday, helping with plans for the Methodist Rural Life Fellowship banquet and program which will be part of the Oregon Annual Conference when it meets in Medford the last week in May.

Friday evening the Rev. Mackey will attend the Wilderville Methodist church loyalty dinner where the Rev. Cyril Dorsett of Myrtle Creek will be the guest speaker.

Huggins Named to Head Program Here

M. M. Huggins of Medford has been named county chairman for the Oregon State College Alumni association program to raise funds to install carillon bells in the campus Memorial Union, student activity center. Huggins is a member of the OSC alumni board of directors.

The bell project, in the planning stage for several years, was officially endorsed by the Alumni association last month. The goal for purchase of the 61-note electronic instrument is \$31,000. One-third of the total has already been raised through contributions by alumni, students and friends.

The bells will be dedicated to memory of Oregon Staters who died in military service during World War II and the Korean conflict.
