

Newberry Stores to Stage 'Battle Royal'

Newberry stores across the nation will stage a "battle royal" selling contest during May, according to Harley Williams, who recently moved to Medford from Raton, N.M., to take over the management of the local Newberry store.

Districts are battling each other and the contest is being carried down to store against store. In southern Oregon the Roseburg manager has challenged Williams and the Medford store.

Transport Workers Tie Up Manila Port

Manila—(UP)—Transport workers, striking in sympathy with a white-collar office employees' union, tied up the port of Manila Friday.

Non-striking longshoremen honored the picket lines the transport workers threw across the approaches to the harbor area, and work on the docks came to a full stop.

The office workers' strike already has been referred to the industrial relations court for arbitration.

Grange News

Butte Falls Grange

Butte Falls Grange will hold its regular meeting at 8 p.m. May 4. The recently organized Girl Scouts and Brownies will present a program of folk dancing and songs. Mothers of the girls and friends are invited.

Grange members have been asked to wear Centennial costume if they have them available.

Upper Applegate Grange

As its contribution to the celebration of Oregon's Centennial, Upper Applegate Grange will hold a public dinner on Mothers Day, Sunday, May 10 honoring pioneer mothers.

The dinner, featuring ham, will be served between 1:30 and 3:30 p.m., in the Grange hall, according to Edna Sawyer, chairman of the Home Economics club. Preparations are being made to accommodate 200 guests. It is suggested that those wishing to do so, come in Centennial attire. Advance reservations are not required since tickets may be purchased at the door.

Members of the HEC held a work day at the Grange hall Thursday in preparation for the event, and final details will be completed at the regular meeting of the club on Monday, May 4, which is also to be held at the hall.

Grange members having small, old fashioned dishes, mugs, pitchers, sugar bowls and the like, which would be suitable containers for little bouquets, are being asked to lend them for use in table decorations for the dinner. They may be given to Mrs. Sawyer or brought to the next Grange meeting May 8.

Dr. Edwin Durno, state senator from Jackson county, will be guest speaker on visitation night, May 8, when Upper Applegate Grange will be host to visiting members from other subordinate Granges of the county.

Senator Durno will discuss aspects of current legislation of special interest to his constituents, and will answer questions. Other program numbers will be presented under direction of Grange Lecturer Vivia Saltmarsh. Members of the host Grange who are planning to attend are asked to bring sandwiches for the refreshment hour.

Four candidates including

Clarence and Hazel Roloff, and Edwin and Fannie Rutter, were obligated in the first and second degrees during a Grange meeting April 24, and arrangements were made for them and for Curtis and Dana Gearhart, who were obligated previously, to receive the third and fourth degrees with the class of candidates initiated at Roxy Ann Grange May 1.

A brief report of the visitation of Roxy Ann Grange April 17, at which 10 of the Upper Applegate Grangers were present, was given by Master Kathleen Scovell and Legislative Chairman Anna Scott.

Agriculture Chairman George Redhead stated no cloud seeding was contemplated by valley orchardists this year, since they felt the silver iodine generators in use previously had not given adequate results.

Gail Buffington is recovering from major surgery in Sacred Heart hospital; Albert Collings has been ill at home and James Buckley is at home after being hospitalized for a recent illness, according to the report of the relief committee.

A sum of \$13, proceeds of a public dance, were added to the Grange treasury by the ways and means committee headed by Fred and Ethel West.

The quarterly report of the lecturer was read and accepted, and a brief program of humorous stories was presented.

The new members were informally welcomed as were Ernest and Ella Dorn, who have returned after spending the winter in southern California.

Refreshments were served following adjournment by Lawrence and Dillbreth Dunshee and Glen and Vivia Saltmarsh.

Teamsters Strike Tillamook Factory

Tillamook—(UP)—A strike by members of the Teamsters union continued at the huge Tillamook county cheese factory here Friday. The wage dispute had idled more than 200 workers since Thursday.

The dispute involves some 20 employees of the fluid milk department. They asked a 15-cent per hour increase over their present \$2.24 an hour rate and turned down a seven-cent an hour boost offered by the Tillamook County Creamery association, which operates the plant.

No bargaining sessions have been scheduled.

Buffalo, N. Y.—(UP)—It was a real money saving move when bartender Frank Berger coolly told a youth to "help yourself" to the money in the cash register. Berger was alone when the youth entered, brandishing a pair of pistols and ordering him to hand over the contents of the cash register. The casual response so unnerved the bandit that he fled empty-handed.
