DON'T LET CONSTIPATION ADD TO YOUR WORRIES!

As distressing as constipation can be in "normal" people without special conditions or illnesses, chronic irregularity can be extremely aggravating—even dangerous—in some cases. If you are on the list, you've probably been cautioned already by your own physician, to avoid harsh laxatives and purgatives. Your doctor may have indicated concern about the "straining" that goes with constipation (particularly in cardiac, high blood pressure, and similar cases), and he may already have recommended SARAKA. SARAKA works effectively, gently, smoothly, without stress or harshness. SARAKA is easy and pleasant to take, after meals or before bed. At your drug store or drug counter.

Flippety-Flop! Nat Bradford

Place two teaspoons and a plastic water glass in the center of a table. Nearby place the spoons with overlapping handles (see drawing). The teaspoons have two bowls, of course, one pointing toward the glass and one the other way. "Bang!" goes a player's fist on the bowl nearest him. If the other spoon flips up and lands in the glass, hurrah! It wins the player a point. This isn't easy, but play six rounds and keep score.

Mother's Day Card

Ida M. Pardue

Several pastel paper towels and this four-line jingle go together to make Mom an amusing card on her day:

Besides this greeting,
giant-size,
You'll find this card is quite a prize.
Read it first, then don't forget
To use it when your hands are wet.

Don't tear the towels apart. Crease them in two along the perforations to make a ready-made folder. Across the front print or write in big letters, "HAPPY MOTHER'S DAY." Use bright crayon. Inside write the jingle, plus more messages like LOVE, JOY, KISSES AND HUGS, AND BEST WISHES from you!
