### Students Featured In Comedy

Ashland-Mr. and Mrs. R. D. Lamb and son, Jim, 634 Iowa street, have returned from Palo Alto, Calif., where they attended the annual Gaieties staged by Ram's Head, student theatrical group of Stanford university. The Lamb's older son, Richard, both directed and played the leading role in this year's show, the musical comedy, "Pal Joey." Another Ashland student, Noel Turner, grandson of Mr. and Mrs. Noel A. Turner, 787 Gardsen way, designed the sets and costumes.

Young Lamb, senior at Stanford, wrote both the music and lyrics for the 1956 and 1957 productions of The Gaieties and won two first prizes last year for the production "Intimate Review." He danced and sang in the Stanford Productions of "Wonderful Town," "Out of This World" and "Call Me Madam." He also played in "A Midsummer Night's Dream" staged by the speech and drama department of the university. The student also just finished a long run in "The Boy Friend" produced by Palo Alto's Commedia Theater.

Noel Turner also designed the sets and costumes for "Call Me Madam" and other "Gaieties." For "Pal Joey" Turner designed six costume changes for a 12-member dancing chorus. Turner is to be graduated this year from the art department, and Lamb from the speech and drama department. The latter is also being commissioned a second lieutenant in the Army. While waiting orders for Army duty, he hopes to work in summer stock.

Young Lamb first attended Louisiana State university and after moving to Ashland, he studied music with Miss Helene Robinson at Southern Oregon college.

Richard Lamb, Ashland, is shown here in the title role of "Pal Joey" which was given last week and at Stanford university, Palo Alto, Calif., as the annual spring production of Ram's Head, student theatrical group. The young man, who has written music, directed and appeared in many of the theatrical productions on the campus, is a son of Mr. and Mrs. R. D. Lamb, 634 Iowa street, Ashland. The student is pictured here with Delores Bernhard, San Francisco Opera Ring player, who played the role of Vera in "Pal Joey."

## CHEVY'S THE HOTTEST ONE AGAIN!

## HOTTEST LOOKING, HOTTEST SAVING,

A V8-powered Impala Convertible... unmistakably '59!

## HOTTEST SELLING OF THE LEADING LOW-PRICED 3

What we mean - this new Chevy's gone and whipped up a one-car heat wave. Its fresh, flashing style (nothing warmed over here!) caught on right away, of course. And under the hood, it's the only American car that offers a V8 that actually puts out better than one horsepower for every cubic inch of displacement. As for getting the most out of a gallon, you couldn't ask for clearer proof than Chevrolet's showing in this year's Los Angeles to Kansas City Mobilgas Economy Run. A pair of Chevy 6's came in one-two in their class - ahead of every other full-size car. And the winning average was 22.38 m.p.g.!

But, impressive as these records are, they can only hint at why Chevrolet's '59's hottest selling car. To really find out, just drop down to your Chevy dealer's and drive one.

No wonder more people are buying Chevrolets than any other car!

Try the hot one - see your local authorized Chevrolet dealer!
