Opportunity with Future

WE want men who are ambitious, need increased income, want security and independence. It doesn't cost one penny to investigate this opportunity. This is not just a job—it is a profession and statistics prove that you can earn more money in an hour of sales work than any other profession. We do not care what line of work you have done, since you will receive free schooling in Hospital and Medical Insurance Salesmanship, and be trained by capable men who are in a high income bracket. Salary and Commission after training In this business there are no lay-offs, no slack seasons. We are a young aggressive company with millions of dollars behind it, so this is a ground floor opportunity. Must be 21, have a good car and be bondable. Wonderful opportunities for advancement with the fastest growing company in our field. Personal interview will be held on Wednesday May 13th, at 7:30 PM Sharp. Wives may accompany husbands.
