

Challengers Scoffing at Ray Report

Philadelphia—(UP)—The camps of both Carmen Basilio and Gene Fullmer scoffed today at Sugar Ray Robinson's announcement that he has signed to defend the world middleweight championship against Basilio here Sept. 21.

Former champ Basilio, who says all he knows of the proposed deal is what he reads in the papers, said in Syracuse, N.Y., that the terms outlined "sound like one of Robinson's deals."

And Marv Jensen, manager of Fullmer, insisted his fighter and Basilio are signed to meet for Robinson's vacated title in Syracuse, sometime in July.

Robinson was shown of his crown by the National Boxing association nine days ago for failure to defend since winning his title back from Basilio in Chicago on March 25, 1958. Robinson remains champion in the eyes of the non-member New York Athletic commission but that group is ready to crack down on Sugar Ray Friday.

There was uncertainty still whether Sugar Ray's signing in Philadelphia got him off the hook in New York state. Under a court order Robinson has until Friday to "enter into articles of agreement" for the Basilio fight. Whether his solo signing would be interpreted as entering into articles of agreement was questionable.

The announcement of the 15-round rubber match at a municipal stadium, with a gross of \$750,000 to \$1,000,000 predicted, was made by Alfred Klein, a member of the Pennsylvania Athletic commission.

Dupas, Scott Vie In Boxing Scrap

Chicago—(UP)—A bomber and a boxer meet on television tonight and the fancy Ralph Dupas, ranked second among the world welterweights by the National Boxing association, was an 8-to-5 favorite to defeat hard-punching Charley Scott.

Colavito Brilliant As Tribe Tips Yanks

By MILTON RICHMAN United Press International All's fair in love and war, so the Indians are now using a "rock" to knock off the Yankees.

This particular rock happens to be Rocky Colavito and what hurts the Yankees is that he was born and bred in the Bronx and had always dreamed of playing for them.

Tuesday night, he blasted his eighth homer, two doubles and a single in a 7-6 victory that represents Cleveland's third straight triumph of the season over the slumping world champions.

Cal McLish gave up homers to Mickey Mantle, Elston Howard and Yogi Berra but still wound up with his fifth straight victory. He needed relief help from Jim Perry to protect Cleveland's 1½ game lead in the American league race.

Williams Makes Debut The White Sox went 12 inings to beat the Red Sox, 4-3, and the Senators topped the Tigers, 7-4. Rain postponed the Kansas City-Baltimore game.

Los Angeles climbed into a tie for the National league lead with a 3-1 win over Philadelphia; Pittsburgh nipped San Francisco, 6-5, in 12 inings; St. Louis beat Cincinnati, 7-4, and Chicago licked Milwaukee, 7-3.

Even Ted Williams' first appearance of the season couldn't help the Red Sox in their extra-inning struggle with the White Sox. Williams was hitless in five trips. Al Smith's two-run homer in the 12th off loser Murray Wall decided the outcome although Jackie Jensen hit his eighth homer off winner Rudy Arias in the bottom of the 12th.

Harmon Killebrew, Washington's new wonder boy, slammed his 11th and 12th homers and drove in five runs against Detroit. The 22-year-old Killebrew hit a two-run homer off Frank Lary in the sixth to tie the score at 3-3.

Casey Stengel Called Push-Button Skipper

New York—(UP)—Frank Lane added the crowning indignation today — he called Casey Stengel "nothing but a push-button manager."

"Maybe the phrase isn't original with me, but it certainly applies to Stengel nevertheless," said the outspoken Cleveland general manager.

"The man is a fairly capable manager," Lane went on. "I said fairly capable, nothing more. He has a most astute general manager in George Weiss. Weiss supplies him with the players and all Stengel has to do is simply push the buttons."

Tribe Faces Yanks Lane made it plain he was not exactly bleeding over the fact the Yankees are in sixth place at the moment.

"I'm sorry they're not further down," he said. "What are they looking for, sympathy? They sure won't get any from me."

Marvin Breeding Tops PC Hitting

San Francisco—(UP)—Marvin Breeding of Vancouver tops the Pacific Coast League regulars with a batting average of .341 while teammate Joe Taylor had driven in 21 runs to lead in that department.

Portland's George Freese set the pace in home runs with seven and Jose Pagan of Phoenix had collected the most hits—38. Statistics included Sunday's games.

Anders Pushing Pistol Leaders

Rafe Anders of State Police has been pushing the leading pistol shooters of Medford Rifle and Pistol club down the ladder since he joined the organization but was unable to overcome the perennial top man Roy Hewitt in last night's practice shoot.

Hewitt led with 277. Anders had 271, Tom Staley 259, Jim Bolton 257, Paul Rutter, 256, Hugh McGinty 255, Ed McGinty 250, Joe Rinaud 246, Bernice Hewitt 225, Warren Poling 210, Harry Lake 191, and Bart Cowan 189.

Shoeters and Cowan were new shooters.

Next Friday night Rogue River Pistol club is coming over for a friendly non-registered match.

Swedish Boxer Getting Sharper

New York—(UP)—Sweden's Ingemar Johansson and his sparring partners agree on one thing — he's improving every day in his training for his June 25 date with heavyweight champion Floyd Patterson.

"Ingemar is more relaxed now and he is getting his punches where he wants them," said sparmate Bill Johnson, who formerly worked with Patterson.

Senators Clear Deck for Trade

Washington—(UP)—The Washington Senators cleared the deck for a possible trade today when they cut their squad to 23 players by selling first baseman Norm Zaichin and pitcher Vito Valentini to Miami of the International league.

U.S. Choice In Walker Cup Match

Muirfield, Scotland—(UP)—Welsh pro star Dai Rees admitted today that the British Walker Cup team is in trouble as a result of hot practice rounds by Americans that have suddenly made the U.S. team the favorite for the matches this week end.

The U.S. team, which previously had been rated only even money, was changed to a 2-3 choice Tuesday after the U.S. players followed a five-under-par 67 by Charlie Coe of Oklahoma City, Okla., to a brilliant showing on the Muirfield links.

Coe's brilliant round was two strokes lower than the competitive record for the course by an amateur, jointly held at 69 by Americans Lewis Little during the 1935 British Open tournament and Ed Kingsley during the 1948 British Open.

The only bright spot for the British team was a 69 shot by Ireland's Joe Carr, the reigning British Amateur champion.

Home runs by Gary Blaylock, Joe Cunningham and Ken Boyer carried the Cardinals to their victory over the Reds. Blaylock gained the decision although he weakened in the seventh and gave way to Bill Smith. Brooks Lawrence was rugged up for eight of the Cards' 12 hits in 2 2/3 inings and suffered his second loss.

Pinch hitter Earl Averill's grand-slam homer with two out in the ninth off Lew Burdette gave the Cubs their come-from-behind victory over the Braves.

Burdette charged with his second loss against five wins, had a four-hit, 3-2 lead until the ninth. Eddie Mathews hit his 13th homer for the Braves and Johnny Logan and Del Crandall also connected. Reliever Don Elston received credit for his first victory after relieving starter Bob Anderson in the ninth.

McMurtry came in at 188 pounds, to 190 for his opponent. He had Sawyer in trouble in the second, fifth and eighth rounds — but was unable to put him down.

The fight drew 1146 fans and grossed \$3111.

McMurtry's most effective punch was an overhead right to the side of Sawyer's head. His best round was the eighth when he caught Sawyer with a solid right to the jaw that knocked the heavier fighter off balance. Sawyer was on the ropes as the round ended.

Stock, Sports Cars To Meet

Portland—(UP)—American and foreign sports cars will clash with standard American stock cars in a \$5000 Oregon Centennial classic at the Portland Speedway June 7.

Chicago—(UP)—Southpaws Taylor Phillips and Seth Morehead were to join their new clubs today, following a straight player trade between the Chicago Cubs and the Philadelphia Phillies.

Cubs manager Bob Schefling said he hoped Morehead would arrive in time for Chicago's game with Cincinnati at Wrigley Field. Phillips left immediately for San Francisco to join the Phillies after the trade announcement Tuesday.

Oregon's Frosh Blast OSC Nine

Corvallis—(UP)—The Oregon Frosh pounded out 21 hits and got a run for every one of them Tuesday to blast the Oregon State Rooks 21-8 in a baseball game that took nearly four hours to play.

PILOTS ON WILLAMETTE Salem—(UP)—The University of Portland's golf team defeated Willamette 12-3 on Tuesday. Jerry Yturri of Portland was medalist with a 66, six under par.

Bring it out to the ball park," roared Jimmy. "We'll use it on the umpires."

He'll gas 'em up, as proved by those seven wins in eight starts. And it's nice to see him get a shot with some real talent at long last.

Herrmann Heaves Two-Hitter As Linfield Wraps Up Title

United Press International Linfield wrapped up the 1959 Northwest conference baseball crown at McMinnville Tuesday, defeating Lewis and Clark 4-2 and 5-2 in a crucial doubleheader.

The double win gave Linfield's a season's record of 11-1 and Lewis and Clark 10-4 and the only conference game for either team is a makeup in Portland Thursday. Two Wildcat rainouts were cancelled.

Jackie Riley led Linfield batters in the first game with a homer and a single.

Linfield's Fred Herrmann hurled a two-hitter in the first game against the Pioneers and Dwane Miller allowed Lewis and Clark only four hits in the nightcap.

The move up to first came on the anniversary of the first anniversary of the Dodgers having dropped to the cellar last season after a 12-3 loss to the Giants.

And in an attempt to solidify their standing, the Dodgers tonight go with Don Drysdale (3-2), against the Pittsburgh Pirates who will send Ronnie Kline (3-1), to oppose him.

Danny McDevitt, a rank failure as a pitcher last year for the Dodgers, was the hero of Tuesday night's game as he twirled a five-hitter and had the Phils shut out for seven inings, weakening slightly in the eighth when Willy Jones homered.

Jack Littrell homered for Portland in the second and Bob DiPietro's double paved the way for a two-run burst in the third. In the final frame, Owen Friend of Phoenix banged his fourth homer, but it was too little and too late.

Dick Hyman was tagged with the loss.

Beaver, Solon Nines Take PCL Contests

United Press International Sacramento just keeps rolling along atop the Pacific Coast league.

The Solons grabbed another tough one in an opponent's park Tuesday night to open up a game and a half bulge over second place San Diego, which was idle.

The Solons dumped Spokane 6-5 while Portland captured a 5-3 win over Phoenix in the only other action. Both winning teams had to weather ninth inning uprisings.

Bob Perry did most of the heavy stickwork while the Solons piled up a 6-3 lead over Spokane. Starter Joe Stanka sailed along pretty well until the Indians went on the warpath in the final frame, pushing across two markers. Reliever Terry Fox finally got the side out.

Stanka's Third Stanka grabbed his third win against two losses, while Spokane starter Bob Milliken took his first setback. The win gave Sacramento the series, 4 games to 1.

Jack Littrell homered for Portland in the second and Bob DiPietro's double paved the way for a two-run burst in the third. In the final frame, Owen Friend of Phoenix banged his fourth homer, but it was too little and too late.

Dick Hyman was tagged with the loss.

LA Grasps Top Place In National

Los Angeles—(UP)—For the second time this season the Dodgers were back in first place in the National league today although in a percentage tie with Milwaukee.

The local club moved into that rarefied position Tuesday night by defeating the Phillies 3-1 for their fourth straight victory in a streak started last Saturday at San Francisco.

The move up to first came on the anniversary of the first anniversary of the Dodgers having dropped to the cellar last season after a 12-3 loss to the Giants.

N. Y. Negro Girl 'Miss Festival'

Cannes, France—(UP)—Cecilia Cooper, 20, of New York City, Tuesday night became the first Negro to win the title of "Miss Festival" at the Cannes Film festival.

The bikini-clad Cecilia appeared stunned by her triumph over a score of European beauties including Anna Nelsen, Miss Paris of 1959, and 13 other girls.

She had almost nothing to say at first but a lone American on the jury, Chicago businessman Robert Apple, said with tears in his eyes: "To see an American Negro girl win an international jury contest over European whites is something I'll never forget."

Bring it out to the ball park," roared Jimmy. "We'll use it on the umpires."
