**Smart
Thinking**

by Ray Freedman

A Milwaukee hardware-store owner has a novel way of pleasing customers and building new trade. Every time a proud parent has a child, he blazons the fact on a neon sign atop his modernistic store.

An Albuquerque, N. M., milkman builds new trade and holds established customers by baking anniversary and birthday cakes for customers. On his day off he gives children on his route a ride in a pony-harnessed chariot.

A sign on a partially demolished church in Cheyenne, Wyo., reads: "Sidewalk engineers with better ideas on how to wreck this edifice, please leave your suggestions in the box atop the roof."

Near Mocksville, N. C., a poultry farmer has solved the theft of pullets from his farm. A neatly lettered sign beneath an electric fence reads: "Anyone found prowling these premises at night will leave their remains behind."

With Alaska now our 49th state, a supermarket in Charlotte, N. C., is giving it away—piecemeal. Its advertisement offers a bona fide deed to one square foot of land just outside Anchorage with every purchase of \$10 or more in groceries.

The general hospital in Dover, N. J., is covered with four inches of running water on its roof to cool the building. When bugs kept flying into the water and clogging the drains, authorities added goldfish to eat them. The fish thrive and multiply, and the surplus is sold to a ready market.

Noticing a decided dearth in coal sales, an enterprising Springfield, Mo., dealer added color to the fuel. It comes in green, red, silver, and gold. Sales picked up briskly.

When business drops at a Jefferson City, Mo., cafe the astute proprietor places an ad in the window, reading: "A free meal to the lucky holder of a counter stool or table chair."

**Announce Way To Help
Drain All 8 Sinus Cavities
Without Discomfort**

New decongestant tablet for sinus congestion sufferers acts both to drain clogged sinus cavities and relieve distressing head pain

New York, N. Y. (Special) Announcement has been made of a new tablet development which has the remarkable ability to help drain clogged sinus cavities and thus relieve congestion and pressure. The headaches, pressure pains, stuffed-up head, nasal drip, clogged breathing—all the unrelenting symptoms the sinus sufferer knows so well—are attacked directly by improving drainage of the sinus areas.

Most remarkable of all is the fact that this is accomplished with extraordinary speed and without discomfort of any kind. This new tablet does its remarkable work internally, through the blood stream. It deposits into every drop of blood plasma a new medication which is carried to the sinus area, where it

shrinks the swollen doors to the sinus cavities and helps drain away the pain-causing pressure and congestion.

The shrinking substance in this new tablet has been so successful topically in promoting drainage of the sinus cavities that it is now prescribed more widely by doctors than any material for this purpose. This new medication is now available at drug counters without the need for a prescription under the name, Dristan® Decongestant Tablets. Dristan Tablets cost only 98¢ for a bottle of 24 tablets. Buy and use Dristan Tablets with the absolute guarantee that they will drain away pain-causing pressure and congestion of the sinus cavities, relieve the pain and distress, or purchase price will be refunded.
