

How Close to Divorce Have You Come?

YOU may never know the answer to that question. You may never suspect that your wife was even thinking of such a serious thing. But stop and think for a moment, "What are the three things that she really expects from you, her husband?" The answer must be love, companionship and financial security.

Ask yourself this question honestly now: Are you giving your wife the companionship she craves? Do you feel your best — are you fully alert, and able to endure the daily stress and strain of your job?

WHY YOU MAY NEED THESE SAFE HIGH-POTENCY CAPSULES

As your own doctor will tell you, scientists have discovered that not only is a daily minimum of vitamins and minerals, in one form or another, absolutely indispensable for proper health... but some people actually

need more than the average daily requirements established by the Food and Nutrition Board of the National Research Council. If you tire easily... if you work under pressure, subject to the stress of travel, worry and other strains, with resulting improper eating habits... then you may be one of the people who needs this extra supply of vitamins. In that case, VITASAFE C.F. CAPSULES may be "just what the doctor ordered"—because they contain the most frequently recommended food supplement formula for people in this category!

POTENCY AND PURITY GUARANTEED

There is no mystery to vitamin potency. As you probably know, the U.S. Government strictly controls each vitamin manufacturer and requires the exact quantity of each vitamin and mineral to be clearly stated on the label. This means that the purity of each ingredient, and the sanitary conditions of manufacture are carefully controlled for your protection! When you use VITASAFE C.F. CAPSULES you can be sure you're getting exactly what the label states... pure ingredients whose beneficial effects have been proven time and again!
