Sacramento Beaten But Boosts Lead in Pacific Coast Loop

By DON BECKER
United Press International
Looks like Sacramento can't do anything wrong - even when it loses.

The Solons were defeated by Phoenix Thursday night, 5-2, but they increased their PCL league lead to five games. Salt Lake handed second-place San Diego a pair of losses to account for the unusual happenings.

Dick Hall, who may be the best seven-inning pitcher in baseball, shut out the Padres in the first game, 5-0, and Jack Bloomfield socked a 10th inning double that gave the Bees one second contest by a 5-4 score.

In other games, Spokane's Connie Crob whitewashed Vancouver, 1-0, and Portland clipped last place Seattle, 4-1. Hall's Third Shutout

Hall's shutout was his third of the season in seven-inning games. In regulation scraps, Hall has failed to win a decision. His record is 3-3.

The lanky righthander gave up eight hits. Shortstop Dick Barone, who sparkled afield, also led the Bees at the plate with a homer, his first of the season.

In the second game, Gene Leek, who joined the Padres from Cleveland just in time for the doubleheader, cracked a two-run homer that gave San Diego a brief lead in the second inning. But the Bees came back and scored their winning run in the tenth after relief pitcher Jay Striker walked two to set the stage for Bloomfield's smash off the right field wall.

Phoenix relief on the big inning again Thursday night. The Giants scored six runs in the sixth inning. Jose Pagan and Bill Wilson belted homers for Phoenix. Eddie Fisher became the first pitcher to register six wins in the PCL as he went all the way for the Giants. The loss ended a five-game winning streak for the Sacs who got their only two runs when Buddy Peterson belted a two-run homer in the ninth.

Sacramento's starter, Chuck Hickman, hurled hitless ball until Pagan led off the sixth with his homer.

Indians Tighten Hold on Third
Spokane entrenched itself in third place on its win over Vancouver. Grob was in trouble in only one inning as he held Vancouver to five hits.

Catcher Norm Sherry hit an eighth-inning homer to give Grob his win. The Indians were held to one hit by 21-year-old Chuck Estrada who worked the first seven innings for the Mounties. He gave way to Bud Watkins in the eighth because of a bad blister. Watkins was greeted by Sherry's blast and got the loss.

Portland's Ken Johnson scattered nine hits as he

Seattle. The Beavers got only six hits but they bunched breezed to his victory over them in the early innings to pile up their margin.

Sugar Ray Tells Plans To Appeal

New York—UP—Middleweight champion Ray Robinson planned to take the stand today at his final hearing, and publicly challenge Carmen Basilio to fight.

It was to be a last-ditch effort to prevent the New York State Athletic commission from vacating his title.

"And if they do take my title, I'll appeal right on through to the United States Supreme Court," Robinson said.

When the hearing was adjourned last Wednesday, the commissioners seemed to be sharpening the axe for an execution today.

They seemed to have found Robinson guilty of failing to arrange, by May 15, for a title defense against ex-champion Basilio. May 15 was the deadline set by commission and court for him to "enter into articles of agreement" with Basilio.

On Wednesday the commission ruled that Ray's contract for a Philadelphia defense against Basilio, next Sept. 21, was invalid because only Ray had signed. Moreover, the Philadelphia contract between Robinson and promoter Sam Rose depended upon a mysterious number-two contract that never was produced at the hearing. Also a guarantee of more than \$238,000 to Basilio had been offered long after the May 15 deadline.

Robinson, who hasn't defended since he recaptured the 160-pound title from Basilio 14 months ago, was stripped of his title by the National Boxing association on May 4. The independent New York commission is not a member of the NBA.

Elkins Case Heard By Supreme Court

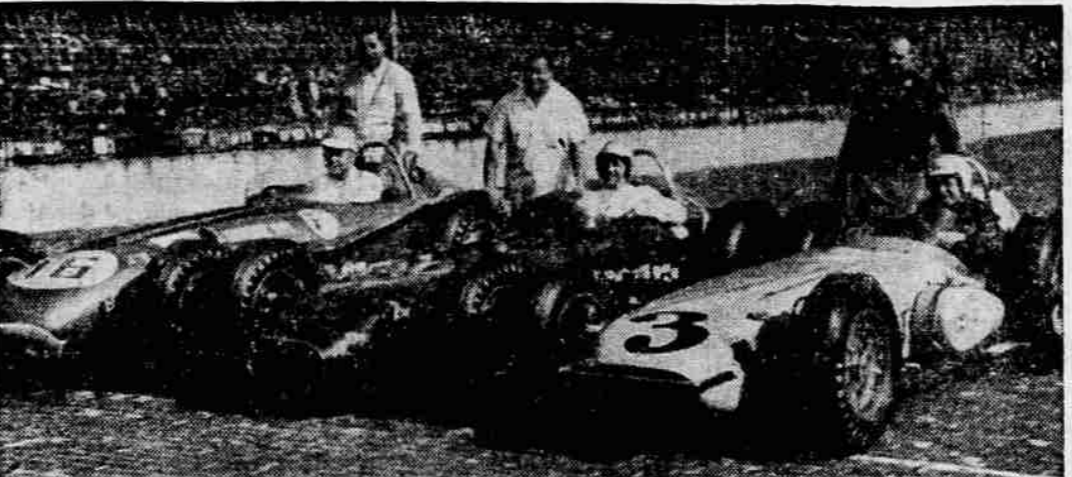

Salem—UP—Portland night light figure James B. Elkins and three other persons had cases heard before the Oregon Supreme Court Thursday on an appeal made by the state.

The others are Thomas E. Maloney, Spokane and Seattle; Joseph P. McLaughlin, Seattle; and H. E. Ferguson, Portland.

All four were accused of running a bootlegging establishment, but Circuit Judge James W. Crawford, Portland, dismissed the grand jury indictment on grounds it was not specific.

Attorney General Robert Y. Thornton then appealed to the Supreme Court.

The court will issue its opinion at a later date.

Beaverton Defends In A-1 Track Meet

Corvallis—UP—The 1959 Oregon A-1 and A-2 high school track championships got underway this afternoon with the winners to be crowned Saturday.

Beaverton is the defending A-1 champion while North Marion and Central of Monmouth-Independence tied for the A-2 crown last year. Last season class B winner, Enterprise, is an A-2 entry this year.

Beaverton, led by versatile Steve Pauly, will enter 15 athletes. Its biggest challenge is expected from Jefferson of Portland, South Salem and Grants Pass.

Coquille, Rainier and Nyssa are considered the teams to beat in the A-2 division. Coquille and Rainier have 14 entries each.

No such onslaught on records as occurred last year is expected. Fourteen marks were broken and one was tied last year.

Two Cars Derailed; Wreck Spills Wheat

Portland—UP—Two freight cars were derailed and some 5000 bushels of wheat spilled over the right-of-way Thursday night when two freight trains of the Spokane, Portland and Astoria Railroad sideswiped about three miles west of Linnton at the northwest edge of Portland.

No one was hurt in the accident. General Manager N. S. Westergard said he could give no immediate reason for the collision.

A train with 26 freight cars bound from Forest Grove to Portland ran into a 50-car freight train bound from Portland to Astoria at a junction along the highway.

About 40 cars of the Astoria train were cut loose while emergency crews began clearing the right-of-way. Only freight traffic was delayed by the accident since no passenger service operates on the line.

Manila—UP—Movie actress Rosa Rosal, a participant in the longest kiss ever passed by Philippine movie censors, was asked what she thought about during the 10-second buss. "Nothing," said Miss Rosal. "I kept counting to eight as I had been told."

No Progress in Steel Contract Talks Reported

New York—UP—Negotiators for the United Steelworkers of America and the big steel industry meet again today with no progress reported as yet in their efforts to reach a contract agreement before a possible June 30 strike.

Industry spokesmen re-emphasized their opposition to any wage increase for the nation's 500,000 steelworkers Thursday in two public speeches.

Declines Comment
Union president David J. McDonald declined to comment on the speeches made by Roger M. Blough, chairman of U.S. Steel, and Clifford F. Hood, a U.S. Steel director, beyond noting that "they have said nothing different from what they have said before."

Blough spoke before the National Press Club in Washington. McDonald will address the same group next Wednesday.

Hood, speaking before the National Industrial Conference Board here, said that about one-quarter of steel industry production is going into stockpiles against a possible strike.

Logger Killed Near Cape Lookout
Tillamook—UP—Ernest Otis Newberg, 48, Sand Lake, was killed Thursday afternoon in a logging accident just southeast of Cape Lookout State Park near here.

Newberg was a log skinner for the Ray Feazel Logging company of Netarts. He had rolled a log from the upper side of a road and the roof of a windfall tree came loose and rolled down a hill over his tractor.

Officials said he was apparently trying to get off the machine when the log struck. Newberg, who was unmarried, died en route to Tillamook county hospital.
