

TICKET HASSEL - Ashland City Attorney Harry Skerry, left, and Medford City Council President Jimmy Dunlevy became engaged in a good-natured scuffle Friday over who would be the first to purchase a set of tickets for the Oregon Centennial exposition from Miss Pat Rushton, Miss Jackson county. The Jackson County Cen-

ennial association pledged the sales of \$11,000 worth of advance sale tickets to the exposition, which opens in Portland June 10. Association representatives will meet Friday, May 29, in Medford to outline a program to spur sales in Jackson county and add impetus to state-wide sales efforts. The scuffle apparently ended in a draw.

Yanks Trounce Orioles 13-5; Tigers Scalp Indians By 6-4

By United Press International
The New York Yankees passed up regular batting practice and then got some at the expense of four Baltimore Oriole pitchers, who they bombed for 16 hits Saturday and a 13-5 victory.

Despite the triumph, the Yanks remained in last place when the seventh-place Detroit Tigers beat the Cleveland Indians 6-4.

Hopping on loser Milt Pappas, the Yankees scored four runs off him in the first inning, four more off Jack Harshman in the second and three more in the third to turn the game into a run-away.

Bill Skowron hit a three-run homer in the second inning and Mickey Mantle connected with the bases empty in the fifth. Don Larsen, who collected three hits, pitched the first seven innings and was credited with his fourth straight victory. Willie Tasby hit a pair of homers for Baltimore.

Second Victory Scored
The victory was only the second for the Yankees in their last nine games while the loss was the Orioles' third in nine games.

Beaten six straight times by the Indians this season, the Tigers finally won their first game of the year from the Tribe with the aid of homers

by Lou Berberet, Frank Bowling, Al Kaline and Rocky Bridges.

Winner Jim Bunning had a shutout until the seventh inning, when Jim Baxes, making his first appearance for the Indians since being bought from Spokane, delivered a pinch homer. Minnie Minoso belted a two-run homer for Cleveland in a three-run ninth and Cal McLish was the losing pitcher.

Washington rallied for six runs in the 11th inning to snap a five-game losing streak with a 10-4 win over Boston.

Jim Lemon touched off the winning rally for the Senators with a two-run homer, his 11th of the year. The Senators blew a 4-0 lead and were forced into extra innings when Don Buddin homered in the ninth. Rookie Bob Allison socked his ninth homer for Washington. Tex Clevenger was the winner and Murray Wall the loser.

The Kansas City Athletics exploded for seven runs in the fifth inning and blocked an attempt by the Chicago White Sox to take over the American league lead by walloping them, 16-0.

Bud Daley limited the White Sox to four hits in gaining his second victory against three defeats.

The A's raked five White Sox pitchers starting with

losed Early Wynn for 21 hits, including seven doubles, a triple and a homer by Hector Lopez.

The last-place Philadelphia Phillies chased southpaw ace Warren Spahn in the fourth inning Saturday and went on to lick the league-leading Milwaukee Braves, 4-2, behind the five-hit pitching of Jim Owens.

Johnny Logan put Milwaukee ahead when he homered with the bases empty in the second inning but the Phils came up with two runs in their half on two walks and Jim Hegan's double. Singles by Willie Jones, Sparky Anderson and Hegan added another run in the fourth and resulted in Spahn's removal.

Home runs by Bob Skinner and Bill Virdon paced the Pittsburgh Pirates to a 6-5 win over the Cincinnati Reds.

Hits Homer
Skinner hit his homer with one on in a three-run first inning and Virdon connected with two on in the second. Despite a 6-0 lead, the Pirates had to call on three relief pitchers in the seventh inning and one more in the ninth to save the victory for starter Bennie Daniels.

Frank Robinson homered with one on in the fourth. Orlando Pena was the loser. The St. Louis Cardinals scored their sixth victory in the last seven games when Larry Jackson beat the Chicago Cubs, 5-1, with a four-hitter.

Ken Boyer's ninth homer with one on in the fourth off Dave Hillman gave the Cards enough margin to win and added three more runs in the sixth. Irv Noren's double and Ernie Bank's single produced Chicago's only run in the sixth. The victory was Jackson's third.

The Giants and Dodgers met in a night game.

Big Ten Continues Bowl Play

Ann Arbor, Mich. —UPI—Big Ten faculty representatives moved Saturday to continue the Rose Bowl agreement with the West Coast in its past form, though leaving selection of a competing team to the Tournament of Roses and the Association of Western Universities rather than the Big Ten.

The conference Friday voted to reject a new contract under which the conference, as it has for the past 13 years would pick a representative in the Rose Bowl, but also voted to leave on the books a rule under which individual members could participate in the game.

Saturday the faculty voted to appoint a committee of athletic directors to draw up regulations covering individual members who might compete in the game and warned the committee, still to be named, to include in their recommendations whatever possible restrictions could be retained from the old conference bowl contract.

The major point to be imposed would require a competing school to divide its receipts from the bowl game with other conference members. Thus, the regulation would remove one of the big problems which might hamper conference relations.

The directors also were instructed to consider practice time allowed, disruption of classes and other factors covered by the old conference contract.

The directors committee was to report to the conference at its December meeting.

Portland Minister Reportedly Shot Daughter's Suitor

Portland —UPI— Police said a Portland minister upset over injuries suffered by his daughter in a recent fall, shot and killed her suitor Friday night.

The Rev. Carl Anderson, 59, told police he shot Frank Johnkin, 35, as his wife talked with Johnkin about their daughter's accident. He said Johnkin, a self-employed junk dealer, was with his daughter when she fell.

Victim of the accident was Mrs. Darnece Blue, 30, who fell May 10 from a second floor window of a house to a concrete walkway and suffered a head injury. Multnomah County hospital attendants report her condition has remained poor.

Rev. Mr. Anderson told police that he and Mrs. Anderson had just returned from the hospital when they saw Johnkin and stopped. The minister said his wife stood beside Johnkin, talking with him. He said when Johnkin suddenly struck her on the nose, knocking off her glasses, he drew a pistol and shot him.

Rev. Anderson, an ordained minister for 14 years, is assistant pastor for the New Jerusalem Baptist church. He drove home after the shooting and called police. He was booked on a manslaughter charge.

Roseburg Crash Fatal for Three

Roseburg —UPI— Three persons were killed in a collision between a pickup truck and a car about five miles south of here late Friday night. Another was critically injured.

State police identified the dead as Everett K. Ward, 54, of Roseburg; his wife, Gwendolyn Caroline Ward, 47, and William George Redenius, 63, of Roseburg.

John D. Terry, 26, also of Roseburg, was in critical condition in Community hospital. State police said the pickup truck occupied by the Wards was northbound and that the car driven by Terry was southbound on Old Highway 99 just north of Winston when the accident occurred.

The mishap brought the 1959 Douglas county highway death toll to nine.

Larchmont, N.Y. —UPI— Harvey Manss, 73, a former president of the Bayer Co. Inc., aspirin makers, died Friday. Manss also was a director of Sterling Drug Inc., of which Bayer is a division. He was a native of Cincinnati, Ohio.

Deer Season Dates Set by Commission

Portland —UPI— The State Game commission Saturday tentatively set Oregon's general 1959 deer season to run from Oct. 3 through Oct. 25. The elk season was tentatively set from Oct. 31 through Nov. 22 and the antelope season from Aug. 15 through Aug. 19.

The first of two public hearings on big game hunting regulations was held here Friday. The second will be held June 5 after which final regulations will be announced.

Printed regulations and applications forms for special big game tags and permits will be available at license agencies by July 1. Upland game, waterfowl and trapping regulations will not be considered until August.

The Baker and Sumpter units were merged into what is now called the Baker unit

Jordan General Charged With Plot

Amman, Jordan —UPI— Jordan confirmed yesterday that Maj. Gen. Sadiq Shara has been jailed and charged with plotting against "the welfare of the state."

Officials told United Press International a three man board of inquiry has been set up to investigate the charges against the high army leader. Shara will remain in prison "for safety" at least until the investigation is completed, they said.

Shara accompanied King Hussain on the monarch's recent world tour which included the United States and Britain. Middle East observers earlier reported that Shara had been under fire for some time. They said his defense of the general was one reason former Premier Samir Rifai resigned earlier this month.

Faculty Member Attends Conference

Ashland —UPI— Irene Hollenbeck, Southern Oregon college associate professor of science, attended the May meeting of the Joint Council on Economic Education which was organized 10 years ago to educate citizens in regard to the economic problems of the atomic age.

Conducted at Portland State college, Portland, the meeting agenda included sessions on resource education for teachers and personnel from a number of state agencies, according to Dr. Hollenbeck, former president of the National Biology Teachers association.

Loggers Killed In Douglas County

Roseburg —UPI— Two men were killed in Douglas county logging accidents Friday.

Arthur Thomas Hudson, 50, was killed instantly about 35 miles west of here when struck by a limb which fell more than 100 feet. Hudson worked for Ring Brothers Logging company, Cottage Grove.

John O. Raines, 45, Myrtle Creek, was killed on Boomer hill about three miles north of Myrtle Creek when crushed by a log while working in the woods.

USC Wins Coast Track Champ Title

Seattle, Wash. —UPI— The University of Southern California Saturday won its 18th Pacific Coast conference track championship in 19 years as the curtain rang down on the 44-year-old circuit.

The Trojans scored 54 points to outpace its nearest competitor UCLA which had 37 1/3 points. Oregon was third with 35. Other point makers were Washington, 30, California, 27 1/3, Washington State, 24, Stanford, 17 1/2, Oregon State, 9 5/6, and Idaho, 5.

Although Idaho was low man on the totem pole, it won the most thrilling event, the three-mile race. It was the only event Idaho entered and it was brand new to the conference competition.

Frank Wyatt edged out Alan Gaylord of California. Wyatt's time was 14:23.5, more than three seconds faster than Gaylord. Dick Miller of Oregon looked like a sure winner in this event but rounding the last turn into the stretch he stepped in a gutter at the edge of the track and broke his stride.

USC Wins Four Firsts
Southern California won first place in four events and tied in another for first. Charlie Dumas and Bob Abant each high jumped 6 feet, 8 3/4 inches to give USC nine points in that event. Marlin McKeever won the hop skip and jump — another new event in the PCC — to rack up the other first places for the Trojans.

Oregon's Roscoe Cook gave the Webfoots two of their first places when he equaled the PCC records in the 100-yard dash and the 220-yard dash. Cook sprinted the century in 9.5 and the 220 in 21.0.

Otis Davis ran the 440 in 46.4 to give Oregon another first place and tie the conference mark.

Another Webfoot, Jim Grelle, won the mile in 4:08.0. Washington took the final event of the day, the mile relay, in a hectic finish. Coming down the stretch, on the third lap, Jerry Siebert of California bumped a Washington State runner and dropped his baton. Jack Yerman of California took off on the final lap despite the fact that

the baton had not been relayed.

Washington's Terry Tobacco, who twice previously this season had locked horns with Yerman, flashed around the oval to break the tape a half stride ahead of Yerman. Tobacco didn't know that Yerman was "just running for kicks."

The Huskies time was 3:14.2 a new stadium record.

In another thriller Ernie Cunliffe, Stanford, built up a tremendous lead and ran wire to wire to win the 880. To do so however, he had to shove off a last second spurt by Siebert. His time was 1:49.2. He ran the first lap in 42 seconds flat.

Two Top Drivers Get Qualifiers

Indianapolis, Ind. —UPI— National driving champion Tony Bettenhausen and former 500-mile race winner Pat Flaherty were among the first six qualifiers Saturday as the field for the Memorial day gasoline derby rose to 20.

The six qualified in the first few hours of the final time trial week end as threatened rains held off.

Bettenhausen, Tinley Park, Ill., qualified a new car just a week after he escaped injury in a spectacular crash at the speedway. He averaged 142.721 miles per hour for the 10-mile sprint to qualify for his 13th "500."

Flaherty, Chicago, making a comeback from severe injuries sustained in a crash shortly after he won the 1956 holiday grind, was clocked at an average speed of 142.399.

Makes Second Attempt
Defending champion Jimmy Bryan, Phoenix, Ariz., qualified in the same car he won with last year at 142.118 mph. It was Bryan's second qualification attempt in the car owned by George Salih, Whittier, Calif.

Other qualifiers included Paul Goldsmith, St. Clair Shores, Mich., 142.670; A. J. Foyt, Houston, Texas, 142.648; Jud Larson, Tampa, Fla., 142.298; and Len Sutton, Portland, Oregon, 142.107.

Both Goldsmith and Foyt gained the lineup on their second attempt.

One accident marred the first four hours of the trials. Rookie Earl Motter, Fresno, Calif., escaped serious injury when his car went out of control in the southwest turn, hit the outside retaining wall and spun into the infield. The car, owned by Al Dean, Long Beach, Calif., cannot be repaired in time for qualifications, which end today with the 33 fastest cars comprising the field.

LENIN FOE DIES

New York —UPI— Israeli Tseretelli, 77, a Social Democratic Party leader in Russia from 1906 to 1917 and opponent of Nikolai Lenin, died Friday of cancer. He left Russia in 1920 and lived in Paris until 1950, when he came to the United States. He had been writing a history of the Russian revolution.
