

Solons Retain Three-Game Spread; Portland Bounces Mounties To Tie for Third

United Press International
The Sacramento Solons headed home today with their three-game margin in the Pacific Coast league intact and secure in the knowledge that the home run remains the most potent weapon in baseball.

A base-clearing blast by pinchhitter Clayton Dalrymple in the ninth inning gave the Sacs a 5-3 win over San Diego in the opener of a doubleheader Sunday. It also kept the Solons three games in front of the second-place Padres, who won the final, 7-1. A sweep by San Diego would have shaved Sacramento's lead to a single game.

Dalrymple's grand-slammer came after two were out. Mike Krsnich and Al Heist singled and Bob Perry walked to jam the bases before the Sacramento receiver put it out of the park. Pete Striker, who came on in relief in the ninth, was responsible for the gopher ball. The victory went to Roger Osenbaugh, the last of three Solon hurlers.

Bobby Locke tossed a four-hitter in the nightcap, also tripling home a pair of runs.

Other Results
In other games, Portland swept a pair from Vancouver, 2-1 and 6-2, and Seattle and Spokane split a twin-bill, the Rainiers scoring at will for a 17-1 triumph in the finale after dropping the first game, 5-0. Phoenix weathered a ninth-inning rally by Salt Lake City to defeat the Bees, 5-4, in a single game.

The sweep by Portland moved the Beavers into a third-place tie with Phoenix. Bob DiPietro belted a homer, triple and double in the second tilt to stake Vic Lombardi to his fourth win. Len Neal drove in both Portland runs in the opener.

Muffett's Win Preserved
At Salt Lake, Julio Navarro came on in the ninth to put down the Bee uprising and save the win for Phoenix starter Billy Muffett, who ran into trouble in the final frame by giving up a walk, triple and single. Navarro struck out Eddie Moore and got Dick Barone, who had homered in the fifth, on a liner to left to snuff the rally. Bill Wilson slammed a homer for the Giants in the third.

Seattle ripped through six Spokane hurlers in its run-away victory. The Rainiers collected 15 hits, including a three-run homer by Eric Rodin

in the third, to score all 17 of their runs in the first five frames. Gale Wade led the onslaught with four singles and a double in five trips to the plate. Calude Osteen went the route for the win, his third of the year.

In the opener, Chuck Churn sent the Rainiers down on three hits. Don Miles led the 12-hit Indian attack with a solo homer in the first.

Canvas Banners To Be Displayed

Thirty multi-colored canvas banners to be mounted on the downtown light poles have been ordered by the Jackson County Chamber of Commerce, Don McNeil, manager, reported today.

The banners, in predominantly red and yellow, will be 3½ feet across the top and be approximately six feet long. They will suggest places to see and things to do in the area. McNeil said that the banners, which are expected to arrive in about three weeks, will be hung on the pole attachments used each year for the Christmas decorations.

Each banner will promote a different activity or place in the area, McNeil said. They include such statements as Explore Frontier Jacksonville, Picnic on the Rogue, Relax in Forest Camps, Fish Cascade Lakes, Enjoy Scenic Drives, Hunt Gem Stones, Pan for Gold, and See Crater Lake.

On the back of each banner will be the statement, Have Fun! Come Again.

McNeil said that not only would the banners assist tourists but serve as a reminder to local residents of events and places to see in the area.

MEDFORD TRIBUNE

SPORTS

Cal Dean, Ice Pace Tornado in Hitting; Barr Tops Pitching

Medford High baseball team will carry a team hitting average of .274 and a fielding mark of .917 into the playoffs for the Oregon Class A-1 diadem.

The Black Tornado, winner in District 6, will entertain North Bend, District 5 champion, at 3 p.m. Friday at the Medford High diamond in a state quarter-final.

Shortstop Calvin Dean, with a .400 average, and outfielder George Ice, with .390, led Tornado hitting over 25 games.

Dennis Barr, Medford's No. 1 pitcher, compiled a 9-1 record and a sparkling .816 earned run average.

Medford was 8-0 in games which counted in Southern Oregon conference standings and was 14-1 in total games with league members. Klamath Falls took one non-counting game from the Tornado. The District 6 victors in frays outside the circuit beat and tied Springfield, divided with North Eugene, Roseburg and Yreka, Calif., and lost two to Weed, Calif. Season record for Medford is 18 wins, 6 losses and 1 tie.

With 45 of 165 hits going

for extra bases, the Black Tornado gained a reputation for hard hitting. Medfordites cracked 22 doubles, 17 triples and six homers.

After Cal Dean and Ice in batting are: Ray Konopasek with 344, Lowell Dean with 333, Mike Parsons with 322 and Jerry Anderson with 317. Cal Dean has batted in 18 runs, hit safely 24 times and scored 22 runs. Lowell Dean has 16 RBIs and he and Konopasek each have 20 hits and 19 runs.

Anderson, Konopasek and Cal Dean each have five doubles and Lowell Dean and Parsons head in triples with four and three, respectively.

Ken Durkee is top base sweeper with six and Barr leads in sacrifices with five.

Barr in 60 innings on the mound has 68 strikeouts, has issued 30 bases on balls and given up 39 hits. Of the 20 runs charged against him only seven have been earned.

Tom Laurance, No. 2 twirler in point of duty, has a 3-3 record and pitched one five-inning no-hitter. His ERA is 2.83.

The Black Tornado has chalked up 13 double plays.

Golf Sectionals Set for June 1

New York - (UPI) - The U.S. Golf association announced today that 477 survivors of local qualifying rounds will take part in sectional qualifying championships June 1 for 130 berths in the National Open.

The 130 qualifiers will join 20 exempt players to make up a field of 150 which will contest the championship proper. It will be staged at the Winged Foot Golf Club, Mamaroneck, N.Y., June 11-13.

The local qualifying rounds were held May 18 and 19 at 37 sites and reduced the record entry list of 2,400 to 477. The USGA formerly held a single qualifying round for its championship but is staging a double qualifying program this year.

Mrs. FDR Hopes Nixon Nominated

Chicago - (UPI) - Mrs. Eleanor Roosevelt, 74, told a news conference Sunday she hoped Republicans would nominate Vice President Richard M. Nixon as their presidential candidate.

The former first lady said she believed it would be easier for Democrats to beat Nixon than it would be to defeat his possible rival for the nomination, New York Gov. Nelson Rockefeller.

Mrs. Roosevelt added she was not confident of a Democratic presidential victory in 1960.

"I'm never confident," she said. "Too many things can happen." She declined to name her favorite for the Democratic presidential nomination.

Mrs. Roosevelt was here to address alumnae of Theta Sigma Phi, national journalism women's fraternity.

More than 4,100 communities in the United States are wholly dependent upon buses for public transportation.

Attorney General Asks Legislation To End Racketeering

Washington - (UPI) - Attorney General William P. Rogers asked Congress today to approve legislation to wipe out racketeering and "eradicate from the American scene the so-called organized criminal."

Rogers called for amendments to the Hobbs Act and Taft-Hartley Law which would compel witnesses to testify in extortion and racketeering cases by granting them immunity from self-incrimination.

He also proposed that tax deductions allowed to legitimate businessmen be denied to gamblers and bookies and that the ban on interstate shipment of gambling devices be broadened to include equipment other than slot machines.

Urgently Needed
Rogers wrote the House and Senate that these steps were urgently needed. He said they would deal a "severe blow to the organized racketeer by hitting him where it hurts most - in his pocket-book."

Another Rogers' proposal appeared headed for a floor fight in the House. This involved the \$9,875,000 he asked to build a new federal maximum security prison for hardened criminals. The House Appropriations Committee denied the money.

Rep. Kenneth J. Gray (D-Ill.) said he and the entire Illinois House delegation would fight to have the funds restored. A Justice Department committee has recommended a 600-acre site in Gray's district as the best location for the prison.

Other Congressional news: Super Congress: Vice Adm. Hyman G. Rickover, defying decisions of his Navy superiors, says the country would be buying obsolescence if it built a new conventional-powered super aircraft carrier. The Navy asked \$260 million for the carrier. A House appropriations subcommittee denied the money.

Aid: Undersecretary of State C. Douglas Dillon and Dempster McIntosh, head of

the Development Loan Fund, were scheduled to defend President Eisenhower's request for \$700 million for overseas loans in the next fiscal year. They were to appear before the Senate Foreign Relations Committee whose chairman, J. William Fulbright (D-Ark.) and others have called for a vast expansion of development loans and a de-emphasis of military aid.

Nixon Expected To Be on N. H. Ballot

Washington - (UPI) - Most political observers believe Vice President Richard M. Nixon will be on the ballot in the New Hampshire GOP presidential primary next March 9.

Friends of Nixon said it is too early for Nixon to make any decisions about entering 1960 presidential primaries.

Reliable sources said the vice president will not change his immediate plans as a result of Rep. Stuyvesant Wainwright's (R-N.Y.) statement that supporters of Nelson A. Rockefeller would enter the New York governor's name in the New Hampshire primary.

But most political observers felt that in one way or another Nixon's name would be entered in the New Hampshire GOP preference race, where President Eisenhower got his first big boost toward the 1952 Republican nomination.

WIDOWS AND WIDOWERS
New York - (UPI) - It may not be pure sentiment when a husband says he wants to die before his wife does. Under inheritance tax laws, if the lady dies first, there's an added tax of roughly \$9,500 on a gross estate of \$120,000. Take a really big estate of, say, \$500,000 - the husband pays an added \$78,800 if his wife dies first.

SEEKING approval as Ambassador to Israel, Ogden R. Reid testifies before Senate Foreign Relations Group

Washington - (UPI) - Key senators say privately that Senate confirmation of Lewis L. Strauss to be commerce secretary is in doubt.

One veteran senator, undecided on how to vote on President Eisenhower's controversial appointment, told newsmen Strauss "has had it."

But Senate Republicans predicted that the chamber will approve Strauss, a former chairman of the Atomic Energy Commission.

Sen. Hugh Scott (R-Pa.), a member of the Senate Commerce Committee which approved the nomination 9-8 last week, said Sunday he expected Strauss to win Senate confirmation "by a fairly clear margin."

Police Investigate Vehicle Accident

Jerry Austin Giesler, 28, of 102 Walden Lane, Talent, suffered head lacerations early this morning when his car went out of control and struck a power pole near the South Central ave.-South Riverside ave. fork, Medford police reported.

Giesler, cited for "no operator's license," was taken by Medford Ambulance to the Sacred Heart hospital, according to the report. Police described the car as a total wreck. Giesler was reported in good condition this noon at the hospital.

Police were investigating evidence possibly implicating Giesler with a hit-and-run collision last night in which an unidentified car struck a city parking meter on Front st. between Fifth and Sixth sts.

Feeling on Strauss Chances Divided

Washington - (UPI) - Key senators say privately that Senate confirmation of Lewis L. Strauss to be commerce secretary is in doubt.

One veteran senator, undecided on how to vote on President Eisenhower's controversial appointment, told newsmen Strauss "has had it."

But Senate Republicans predicted that the chamber will approve Strauss, a former chairman of the Atomic Energy Commission.

Sen. Hugh Scott (R-Pa.), a member of the Senate Commerce Committee which approved the nomination 9-8 last week, said Sunday he expected Strauss to win Senate confirmation "by a fairly clear margin."

Clothing and Cash Stolen Over Week End

A total of \$300 in clothing and \$160 in cash were taken Saturday evening or early Sunday morning from the apartment of Darrell Lewis, 319 East Main st., Medford police reported.

Police said the burglar had pried open the apartment door latch with a beer can opener. The clothing included two suits, trousers, sport coats and shoes, according to the report. A suitcase was also reported missing.

SHARES IN THE FUTURE

New York - (UPI) - The New York Stock Exchange, hoping to "rescue young brides from a mass of pickle forks," is promoting the idea of giving securities as wedding gifts. It has supplied its member firms with sales kits that promote the wedding gift idea as well as the notion of giving stocks to school graduates.

Detroit - (UPI) - Stainless steel is winning a bigger role in automobiles with today's cars sporting an average 42.6 pounds of the shiny metal as against 37.2 pounds a year ago, trade sources reported.

Shedd Woman Killed in Crash

Albany, Ore. - (UPI) - Mrs. Lenore Sickels, 39, of Shedd, was instantly killed and five other persons injured, none seriously, when a pickup truck and an auto collided head-on three miles north of Shedd on Highway 99 early Sunday evening.

The victim was a passenger in the pickup truck.

Treated and released at Albany General hospital for injuries were the dead woman's husband, Harold Sickels; their two sons, Michael, 15 and Byron, 13, and a Eugene couple, Mr. and Mrs. Beryl E. Bengs.

Police said Mrs. Bengs was the driver of their auto. The accident occurred about 5:30 p.m.

FOR MIDNIGHT THOUGHTS

New York - (UPI) - The latest West German import is a ballpoint pen that glows in the dark. Its distributor says the pen comes in handy "for jotting down those midnight inspirations."

New York - (UPI) - The do-it-yourself trend in rug cleaning could push sales of carpet cleaning compounds to \$20 million this year - a 20 percent increase over 1958 and double 1954 volume, according to Chemical Week, a McGraw-Hill publication.
