Lions Club Plans Events for 4-H Club Wagon Train

The Jacksonville Lions club will play host to the 4-H Empire Builders' Wagon train June 8 as they leave the area for Corvallis, Ike Dunford, Jacksonville Gold Rush Jubilee chairman, announced.

The wagon train is set to leave at 8:30 a.m. June 8 following a buckaroo breakfast. Although the event is sponsored by the Jacksonville Lions club, other civic groups are also assisting.

Dunford reported that the Gold Rush Jubilee committee will handle arrangements for a Sunday, June 7, evening cookout for the 4-H club members to be followed by a campfire sing.

Equipment Check
Current plans call for the members to set up camp on the Jacksonville High school grounds Sunday afternoon to check equipment and supplies.

The committee is seeking a local club to stage the chicken barbecue. Groups interested in assisting are asked to contact Dunford, John Crabb, Jubilee assistant chairman, or Russ Jamison, who are working with Glenn Klein, 4-H county agent.

Following the Sunday evening events an organizational meeting will be held to elect a wagonmaster and other officers for the trek.

The public is invited to attend the Sunday afternoon and Monday morning barbecue and breakfast.

FIRE OUTDOOS INDIANS
Fincastle, Va. — Fire Monday destroyed "Greenfields," a house built 217 years ago as a fort to guard the frontier against Indian attacks. The house, owned by Frank Preston, 74, and his brother, David, 56, and furnished with valuable antiques, had withstood fierce Indian attacks.

Virtually all the canned pork exported by the United States in 1957 went to Korea, Spain and Venezuela.
