Other guests included the vice-associate grand guardian, L. R. Manning, the grand guide, Mrs. W. K. Sult; Mrs. Harold Gordon, guardian of Bethel 55, all Medford; Mr. and Mrs. Homer Snider, past guardian and associate guardian; Mrs. Henry Boyd, past guardian, Bethel 36; and Mrs. Ina Vandell, worthy matron, Western Star chapter, Order Eastern Star.

W. Morris, promoter of fraternal relations; Mrs. William Weingart, promoter of philanthropy; Mrs. Hugh White, publicity chairman.

Mrs. Loraine Steimer, chairman of the tree farm committee, urged all members to attend the next work day, the last Sunday in May.

Queen Carmel announced the Federated Women's club had granted the Bethel permission to sell potted evergreen tree seedlings at the Kerbyville Museum during the Centennial observance.

Pamela Cherry, chaplain, received her proficiency certificate from Honored Queen Carmel.

In marking the last meeting of her term, Queen Carmel expressed her appreciation for the cooperation of her officers and her gratitude for the assistance of the guardian council. Queen Carmel's last official act for the Bethel will be to install the new queen, Miss Linda Prather June 8. Practice for installation is set for Sunday, June 7, from 2 to 4 p.m.

Talks concerning the Bethel "grandmothers" at the Masonic home in Forest Grove were given by Mrs. Rogers and Mr. Manning.

Mrs. Rogers spoke of her plan to appoint a Portland Bethel as a "visiting Bethel" for the home.

Miss Diane Strohkirch, junior past queen, also talked on the subject and urged Bethel members to write the two "grandmothers."

Refreshments were served by Miss Strohkirch, Miss Jean Beem and Miss Lou Ella Alcorn and council members at tables decorated with arrangements of columbine.

Camp Librarian Talks for Nurses

Miss Edith Holmes, librarian for Camp White Domiciliary, told of the services a library can provide for hospital patients as well as members of the domiciliary at a meeting Tuesday of the Oregon Nurses association, District 4. It was held at the nurses quarters at the Domiciliary.

She stressed the importance of choosing the correct type of reading for each individual in a hospital and mentioned that many reading aids are available to patients in Veterans hospitals and in larger cities from public libraries. These include projected books for bed patients and page turners for paralytic patients. It was explained that neither of these facilities are available at Camp White since the hospital is maintained on a small scale.

The speaker said that 5,000 books are now in the library at Camp White, including all the latest magazines and newspapers.

Psychiatrist Talks for Unit

Dr. Harry Danielson, psychiatrist, presided over a discussion held by members of the Wilson Park Home Extension unit when it held its last meeting of the season May 11 at the home of Mrs. Gary Conrad, 1149 Leland avenue.

The topic was "Family Relations" and among subjects discussed were "Raising Children," "Today's Teenagers" and "Educating Your Child". Assisting Mrs. Conrad were Mrs. Bruce Bateman and Mrs. O. H. Smeltz.

The first meeting of next season will be held September 1 at the home of Mrs. David Shaffer, 932 Stewart avenue.
